Jade-Carving Chisel and Luminous Ocean ,2024-10-28 Jao Tsung i s scholarship illuminated the development of classical Chinese literature from antiquity through the end of the Qing dynasty In this volume eight interviews with and essays by Jao are translated faithfully into English giving a sampling of his diverse insights into literature and its broader significance Topics range from the religious beliefs underpinning the earliest Chinese writings to the influence of Chan Buddhism on Chinese poetics to Gu Yanwu s 1613 1682 poetic protest against the Manchu conquest Collectively the essays demonstrate how literary art and spiritual beliefs have been intertwined throughout Chinese history **Talbot Mundy, Philosopher of Adventure** Brian Taves,2014-11-26 This critical biography chronicles both the actual travels and the philosophical meanderings of Talbot Mundy one of the pioneers of the fantasy and adventure genre Less celebrated than his contemporaries Rudyard Kipling and Joseph Conrad Mundy was no less gifted when it came to the literary portrayal of faraway lands He was one of the first Western writers to show an appreciation of Eastern culture and his writing became an outlet for his radical ideas on religion and philosophy At the age of sixteen Mundy left his native England to begin his life of adventure a journey that took him from India to the Middle East to Tibet and finally to America which became his adopted home The American spirit of adventure matched Mundy s own and it was here that he found a true audience for his work This book explores Mundy s oeuvre much of it set in exotic locales through which he himself had traveled and considers both his novels and his lesser known writing as well as his film and radio work Books such as Rung Ho King of the Khyber Rifles Caves of Terror Purple Pirate and Tros of Samothrace are discussed and placed within the framework of Mundy s life and philosophy The final chapter evaluates the enduring value of his writings Appendices include a comprehensive list of Mundy s works and a chronological listing by their original publication dates **Lloyd's ASEAN Shipping Directory** ,1991 **The Rock Rabbit and the Rainbow** Laurens Van der Post,1998 Sir Laurens van der Post author film maker storyteller of world wide renown soldier prisoner of war political advisor to heads of state humanitarian explorer conservationist the list goes on and on His extraordinary curiosity his love for the small and the great and his tremendous feeling and concern for his surroundings and all that they included set him travelling the lands and the waters of the world a messenger in search of meaning He touched and inspired many along the way some of whom are to be found in the pages of this book A true man of his time Sir Laurens was born in 1906 in the interior of South Africa served in the British forces during World War II including three and a half years in Japanese captivity and lived and worked since that time in London where he died just after celebrating his 90th birthday in December 1996 The Rock Rabbit and The Rainbow was originally conceived as a Festschrift or gift collection of writings for Sir Laurens by several of his friends and then evolved into its present form which includes numerous original contributions by Sir Laurens himself Sight and Sound ,1934 *The New Music Review and Church Music Review* ,1922 **Pessimus: a rhapsody and a paradox** Frederick William Orde Ward,1865 **Light Music in**

Britain since 1870: A Survey Geoffrey Self, 2017-07-05 In many ways the history of British light music knits together the social and economic history of the country with that of its general musical heritage Numerous serious composers from Elgar to Britten composed light music and the genre adapted itself to incorporate the changing fashions heralded by the rise and fall of music hall the drawing room ballad ragtime jazz and the revue From the 1950s the recording and broadcasting industries provided a new home for light music as an accompaniment to radio programmes and films Geoffrey Self deftly handles a wealth of information to illustrate the immense role that light music has played in British culture over the last 130 years His insightful assessments of the best and the most shameful examples of the genre help to pinpoint its enduring qualities qualities which enable it to maintain a presence in the face of today's domination by commercial popular music
