Psyche and Eros Luna McNamara, 2023-06-13 A pure delight Romantic poignant and spellbinding REBECCA ROSS 1 New York Times bestselling author of *Divine Rivals* Fiercely feminist and deeply romantic *Psyche and Eros* has the allure of an old fable and the epic quality of ancient myth tinged with a provocative modern wit Passionate and deftly told AVA REID 1 New York Times bestselling author of *A Study in Drowning* and *The Wolf and the Woodsman* Has the god of love finally met his match Prepare to fall for this glorious reimagining of Greek mythology about a god struck by his own cursed arrow and the mortal woman who teaches him what love truly means *Psyche* princess of Mycenae was born with a prophecy that she will one day conquer a great monster Rejecting her royal duties *Psyche* spends her youth mastering blade and bow preparing for her destiny Tales of her beauty and rebellious nature reach even the goddess Aphrodite who decides to teach *Psyche* a lesson Aphrodite commands Eros the god of desire to deliver a cruel love curse After eons watching humanity misuse his gifts the last thing Eros wants is to become involved in the chaos of the mortal world But when he accidentally pricks himself with the arrow intended for *Psyche* Eros finds himself doomed to yearn for a woman who will be torn from him the moment their eyes meet Thrown together by fate headstrong *Psyche* and world weary Eros will face challenges greater than they could have ever imagined As the Trojan War begins and divine powers try to keep them apart the pair must determine could this be true love or is that only a myth A joyous and subversive tale of gods monsters and the human heart and soul *Psyche and Eros* dazzles the senses while exploring notions of trust sacrifice and what it truly means to be a hero With unforgettably vivid characters spellbinding prose and delicious tension Luna McNamara has crafted a shimmering and propulsive debut novel about a love so strong it defies the will of Olympus A riotous adventure McNamara strikes the perfect note of irreverent humor and furious emotion in this fabulous novel An absolute joy JENNIFER SAINT bestselling author of *Ariadne* An enthralling tale of adventure romance and star crossed lovers SUE LYNN TAN bestselling author of *Daughter of the Moon Goddess* *Psyche & Eros* Marie P. Croall, 2009-01-01 In ancient Greece a princess rises to a challenge *Psyche* lives in the comfort of her parents wealthy kingdom But when her beauty draws the jealous anger of the powerful goddess Aphrodite *Psyche* finds herself in great danger She is taken away to an isolated mountain to marry a monster Will *Psyche* find love after all with her mysterious new husband Or will she fall prey to Aphrodite's revenge **Love and the Soul** James Gollnick, 1992-05-20 The Eros and *Psyche* myth has over the course of the twentieth century received nearly as much attention from depth psychologists as has the Oedipus story In their attempt to better understand this popular story scholars have proposed various interpretations which have generally followed either Freudian or Jungian theories about the nature of the psyche and its development This elaborate work provides serious students of psychology religion and mythology with a detailed account and analysis of what has been accomplished in the psychological interpretation of the Eros and *Psyche* myth to date It emphasizes how psychological theory determines the direction of interpretation much more than does the literary

context of the myth itself It also examines the strengths and weaknesses of these psychological interpretations five Freudian and six Jungian of the Eros and Psyche myth in order to lay the groundwork for an interpretation which 1 avoids the rigidity of both Freudian and Jungian dogma and 2 restores the myth to its rightful literary and religious context something which has been ignored by most psychological interpretations

Alchemy of the Soul Martin Lowenthal,2004-10-01 Life without myth the vital force of archetypal experiences is life filled with maladies neuroses addictions and disease Alchemy of the Soul retells the myth of Eros and Psyche to help readers reconnect mind and relatedness to find wholeness and deep meaning Author Martin Lowenthal describes how the story of Eros and Psyche illustrates the alchemical process of marrying soul and matter so that life can be lived with more joy meaning and a tangible sense of divine love The book is divided into three parts Part 1 is a beautiful retelling of the myth of Eros and Psyche Part 2 examines the power of myth and alchemy and shows how spiritual alchemy can restore and transform the soul Part 3 is an initiation into the alchemical mysteries using myth as mentor Lowenthal writes The story assails the defenses of our mind and our reactive habits and seeks to wrest a victory for life and growth from the inertia of daily habits and confusion It initiates us into a world far more vibrant rich and nourishing than the one we knew in childhood and naively yet regressively settle for In this sense story reveals what happens as we attempt to spread our emotional wings in the developmentally confining domain of our childhood home and community and what it takes to make something significant of ourselves in ways that feed the future As guests of the story we discover the larger sacred garden in which we emerge as a unique and beautiful flower in a bed of exquisite blossoms each one unique and essential Alchemy of the Soul takes alchemy from the realm of the esoteric and places it in practical terms of story terms that anyone can understand value and use as a guide to life

Rist,1964 This study makes a substantial contribution to our understanding of the development of ancient Platonism and of the influence of Greek philosophy on Christian thought The author examines a number of themes such as Eros Virtue and Knowledge in the writings of Plato himself and shows that in our interpretation of them we must recognize certain latent contradictions his successors however attempted not always successfully to form a synthesis of Platonic theory based on the genuinely Platonic motif of the attaining of likeness to God The author demonstrates that Plato s thought contained within itself unresolved but philosophically fruitful divergences of opinion on the highest topics the Good the nature of love the aim of the life of virtue The author suggests that the unity of Plato s thought consists only in certain general beliefs such as that there are supra sensible realities and that some aspect of the human soul is immortal He protests in passing against those who look on Plato as the author of a series of tracts one on the Theory of Forms one on Aesthetics another on Statesmanship and so on Book jacket **Psyche: The Mortal Who Married Eros** Skye Hellviolet,2024-06-20 Journey through the timeless legend of Psyche and Eros in The Legacy of Love The Tale of Psyche and Eros This enchanting book weaves a captivating narrative of love resilience and unity as it follows Psyche a mortal who overcomes divine trials to unite with her beloved Eros the god of

The Inner World of Trauma Donald Kalsched,2014-02-25 Donald Kalsched explores the interior world of dream and fantasy images encountered in therapy with people who have suffered unbearable life experiences He shows how in an ironical twist of psychical life the very images which are generated to defend the self can become malevolent and destructive resulting in further trauma for the person Why and how this happens are the questions the book sets out to answer Drawing on detailed clinical material the author gives special attention to the problems of addiction and psychosomatic disorder as well as the broad topic of dissociation and its treatment By focusing on the archaic and primitive defenses of the self he connects Jungian theory and practice with contemporary object relations theory and dissociation theory At the same time he shows how a Jungian understanding of the universal images of myth and folklore can illuminate treatment of the traumatised patient Trauma is about the rupture of those developmental transitions that make life worth living Donald Kalsched sees this as a spiritual problem as well as a psychological one and in *The Inner World of Trauma* he provides a compelling insight into how an inner self care system tries to save the personal spirit
