## **Public Theology And Political Economy Christian Stewardship In Modern Society:**

**Public Theology and Political Economy** Max L. Stackhouse, 1987 This well known Christian ethicist ably bridges the gap between theology and political economy proposing a theologically informed view of modern economic life He traces the emergence of modern Protestant and Catholic views of the economic order from anti slavery movements to contemporary Ecumenical themes He delineates the failures of socialist liberationist and laissez faire systems and retrieves the neglected contributions of such figures as Shailer Mathews and Walter Rauschenbusch while showing the continued relevance of Max Weber s view of economy and society for Christian ethics He concludes that Christian stewardship must cultivate and articulate a new public theology that will shape the structures and policies of public life Originally published in 1987 by Wm B Eerdmans Publishing Co

**Public Theology and Political Economy** Max L. Stackhouse, 1991-09-11 This well known Christian ethicist ably bridges the gap between theology and political economy proposing a theologically informed view of modern economic life He traces the emergence of modern Protestant and Catholic views of the economic order from anti slavery movements to contemporary Ecumenical themes He delineates the failures of socialist liberationist and laissez faire systems and retrieves the neglected contributions of such figures as Shailer Mathews and Walter Rauschenbusch while showing the continued relevance of Max Weber s view of economy and society for Christian ethics He concludes that Christian stewardship must cultivate and articulate a new public theology that will shape the structures and policies of public life Originally published in 1987 by Wm B Eerdmans Publishing Co

**Postcolonial Public Theology** Paul S Chung, 2017-07-27 Postcolonial Public Theology is a tour de force a study in theological reflection in conversation with the most compelling intellectual discourses of our time that offers prophetic challenge to the hegemony of economic globalisation While evolutionary science searches for an ethically responsible practice of rationality and inter religious engagement forces Christians to grapple with the realities of cultural hybridity Postcolonial Public Theology makes the case for public theology to turn toward postcolonial imagination demonstrating a fresh rethinking of the public and global issues that continue to emerge in the aftermath of colonialism Paul S Chung provides students and scholars with a fascinating framework for imagining a polycentric Christianity as well as for discussing the continuing importance of Christian theology in the public arena

**Public Theology in Korea?** Minseok Kim, 2021 Public Theology is one of the most important topics in the field of theology across the world but not in Korea There are several historical and theological reasons for this indifference of Korean Reformed Christianity as the mainstream in Korea In order to dispel doubts of Korean Reformed Christianity to the public theological approaches it is necessary to demonstrate a coherence between some characteristics of public theology and Reformed theology This study analyses and utilises the six characteristics of public theology presented by Heinrich Bedford Strohm as a lens to engage aspects of John Calvin s theology and the period of the Reformation in Geneva Based on this work the author re examines the history of Korean Christianity with a public theological point of view and asserts the justification

for Korean Reformed Christianity to actively embrace public theological approaches      *A Companion to Public Theology*, 2017-01-23 Winner of the 2017 Choice Outstanding Academic Title Award Public theology has emerged in the twentieth and twenty first centuries as theologians have increasingly entered the public square to engage complex issues This Companion to Public Theology brings a much needed resource to this relatively new field The essays contained here bring a robust and relevant faith perspective to a wide range of issues as well as foundational biblical and theological perspectives which equip theologians to enter into public dialogue Public theology has never been more needed in public discourse whether local or global In conversation across disciplines its contribution to the construction of just policies is apparent in this volume as scholars examine the areas of political social and economic spheres as well as issues of ethics and civil societies and draw on contexts from six continents Contributors are Chris Baker Andrew Bradstock Luke Bretherton Lisa Sowle Cahill Letitia M Campbell Cludio Carvalhaes Katie Day Frits de Lange Jolyon Mitchell Elaine Graham Paul Hanson Nico Koopman Sebastian Kim Esther McIntosh Clive Pearson Scott Paeth Larry L Rasmussen Hilary Russell Nicholas Sagovsky Dirk J Smit William Storrar David Tombs Rudolf von Sinner Jenny Anne Wright and Yvonne Zimmerman      *Public Theology for a Global Society* Deidre King Hainsworth, Scott R. Paeth, 2010 In these essays honoring ethicist Max Stackhouse leading Christian scholars consider the historical roots and ongoing resources of public theology as a vital element in the church's engagement with global issues Public Theology for a Global Society explores the concept of public theology and the challenge of relating theological claims to a larger social and political context The range of essays included here allows readers to understand public theology as both theological practice and public speech and to consider the potential and limits of public theology in ecumenical and international networks The essays begin by introducing the reader to the development of public theology as an area of study and to the historical interrelationship of religious legal and professional categories The later essays engage the reader with emerging problems in public theology as religious communities encounter shifting publics that are being transformed by globalization and sweeping political and technological changes The breadth and scholarship of Public Theology for a Global Society make this volume a fitting tribute to Stackhouse a central figure in Christian ethics and pioneer in the church's study of globalization      **Public Theology in an Age of World Christianity** P. Chung, 2010-04-26 This book aims to rearticulate and reinterpret a Christian concept of God's mission and evangelization in light of the universal irregular and transversal horizon of God's narrative as it pertains to the realities of public sphere      **Subaltern Public Theology** Raj Bharat Patta, 2023-02-22 This book delves into the public character of public theology from the sites of subalternity the excluded Dalit non public in the Indian public sphere Raj Bharat Patta employs a decolonial methodology and explores the topic in three parts First he engages with theological contexts by mapping global and Indian public theologies and critically analysing them Next he discusses theological companions and explains theological subalternity and subaltern public as companions for a subaltern public theology for India Finally Patta explains theological contours by discussing

subaltern liturgy as a theological account of the subaltern public and explores a subaltern public theology for India

Christian Ethics at the Boundary Karen V. Guth, 2015-09-01 In contemporary reflection on Christianity and politics the work of realist witness and feminist theologians has been done in isolation Christian Ethics at the Boundary offers the first collaborative approach to public and political theology Extending the strong contextual work of Robin W Lovin Stanley Hauerwas Kathryn Tanner Monica A Coleman and Mary McClintock Fulkerson author Karen V Guth engages the prominent public theologians Reinhold Niebuhr John Howard Yoder and Martin Luther King Jr to identify new trajectories for future work in Christian ethics

A New Protestant Labor Ethic at Work Ken Estey, 2011-01-01 Estey proposes a labor ethic that emphasizes the protest in Protestantism The purpose of this ethic is to interrupt the drudgery of the Protestant work ethic which Estey asserts is the dominant cultural ideal in the U S Protestantism must not be about capitulation to capitalism and a Protestant ethic that works must be one that questions and confronts authority in order to undo the newest and oldest forms of dehumanization as they pertain to workers labor issues and conditions in the workplace

Seeking the Welfare of the City Naomi Noguchi Reese, 2025-01-27 In the history of public theology the Holy Spirit s role in creation has been underexplored If the Holy Spirit is the agent of transformation in creation why have so many theologians neglected the Spirit s activity in the context of public theology One of the causes of such neglect derives from a long held belief in dualism or its assumption As a result generally speaking theologians have neglected the eschatological aspect of the Spirit s work over creation and instead have devoted much of their attention to the immanent spiritual aspect of the Spirit s work Hence a theology is needed that recaptures the eschatological aspect of the Spirit s work over creation and Colin E Gunton s pneumatology that is trinitarianly formulated and eschatologically conceived brings a fresh approach to public theology and moves us toward a full bodied holistic and trinitarian public theology that takes into account the triune God This study attempts to draw upon the resources uncovered in Gunton s pneumatology to outline applications for Christian engagement of the public square for the twenty first century The book concludes with criteria for discerning the Spirit s work in the public square to give us practical ways to see how the Spirit may be working in the public square for transformation

**A Jewish Public Theology** Abraham Unger, 2018-10-15 A Jewish Public Theology draws from Halakhah Jewish law to address some of the most searing current policy issues Abraham Unger examines how Jewish tradition speaks to globalization and its attendant political and economic cleavages Classical Jewish thought sits on a perch outside of the defining parameters of the global political conversation and as such cannot be pigeon holed as populist leftist or rightist Judaism was born in antiquity and therefore predates by millennia these current ideological biases That intellectual distance both due to the long arc of Jewish history and outsider minority status as a tradition allows for a critical distance Unger explores how the Jewish tradition compels the living out of a public policy framework through the forging of equitable communities using arguments that go beyond political orthodoxies In this socially fragile era the possibility of that message offers a hopeful discourse of

significant possibility for all humankind      *Hermeneutical Theology and the Imperative of Public Ethics* Paul S. Chung, 2013-10-23 Hermeneutical Theology and the Imperative of Public Ethics is a groundbreaking attempt to present constructive missional theology in an integrative and interdisciplinary framework as it provocatively utilizes and contextualizes Reformation theology and hermeneutics concerning ethical theology embedded within the wider horizon of World Christianity Mission as constructive theology is explored and refined in an hermeneutical and interdisciplinary fashion underlying a new horizon of postcolonial theology and mission in light of God's act of speech Missional church founded up God's grace of justification and Christ's diakonia of reconciliation becomes ethically oriented public church as it is engaged in multireligious diversity of people's lives and lifeworld in the postcolonial context of World Christianity      Religion, Theology, and American Public Life Linell Elizabeth Cady, 1993-01-01 In this book Linell Cady analyzes the role of religion and theology in American public life      **International Development and Public Religion** Haemin Lee, 2016-02-23 Over the past few decades Christianity in the global South has grown exponentially in size and influence with many centers emerging around the globe such as Brazil South Korea and Nigeria One remarkable phenomenon in this process is the rise of faith based humanitarian international and nongovernmental organizations NGOs While traveling to about seventy different countries in Africa Asia and Latin America Haemin Lee has witnessed the surge of faith based NGOs all around the world This book explores the role that religion plays in encountering secular society from various angles by drawing upon discourses in mission studies sociology of religion and anthropology of development Specifically it probes the development practices of two major Korean organizations Korea Food for the Hungry International and Good Neighbors This book investigates the following hypothesis humanitarian care through international development NGOs appears to be the growing interest of Korean Christian mission and this shows a new direction of Korean Christianity as public religion However on closer examination a more complex reality emerges in which diverse theological and developmental ideals motivate the Korean NGOs humanitarian efforts      Historical Dictionary of the Reformed Churches Robert Benedetto, Donald K. McKim, 2023-10-15 As its name implies the Reformed tradition grew out of the 16th century Protestant Reformation The Reformed churches consider themselves to be the Catholic Church reformed The movement originated in the reform efforts of Huldrych Zwingli 1484 1531 of Zurich and John Calvin 1509 1564 of Geneva Although the Reformed movement was dependent upon many Protestant leaders it was Calvin's tireless work as a writer preacher teacher and social and ecclesiastical reformer that provided a substantial body of literature and an ethos from which the Reformed tradition grew Today the Reformed churches are a multicultural multiethnic and multinational phenomenon Historical Dictionary of the Reformed Churches Third Edition contains a chronology an introduction and an extensive bibliography The dictionary section has more than 1 000 cross referenced entries on leaders personalities events facts movements and beliefs of the Reformed churches This book is an excellent resource for students researchers and anyone wanting to know more about reformed

churches      **Speaking of Stewardship** Carter,1998-01-01 This collection of twenty three superb model sermons offers a wealth of biblical insight practical wisdom illustrations inspiration and helpful advice about the crucial themes of stewardship giving and the use of money and possessions in the church Featured are sermons by active pastors in churches large and small as well as internationally known preaching professors Fred Craddock Thomas Troeger and Charles Rice      **Moral**

**Triumph** Zhibin Xie,2023-01-17 This book addresses the issue of Christianity in public life in China through methodological and constructive approaches It aims to answer the following questions How does Christianity with its moral and spiritual resources engage in and contribute to public life in China How does Christianity operate amidst a background of religious diversity cultural and social dynamics and political realities in China The distinctive contribution of this book is that it moves beyond simple description and evaluation of what is happening in Chinese Christianity toward a constructive theology for the distinctive realities of Chinese culture society and politics This book proposes Christian public responsibility in order to identify the moral problems in Chinese public life It attempts to enhance a public face of Christianity in China theologically and ethically by activating Christian resources in response to public life and highlighting Christianity's moral impact on the state and civil society without the imposition of confessional bonds or the exercise of authoritarian control quoted from Abraham Kuyper This book relies on both methodological and constructive approaches to define the meaning of public theology while making theological efforts to engage in public issues constructively in the Chinese context Besides the Western Christian public theologians such as Kuyper Reinhold Niebuhr and Nicholas Wolterstorff this book extensively refers to Chinese resources such as Christian thinkers philosophers and social scientists etc to perceive public theology in China This new formulation of Christian public theology in China desires to engage with Chinese experiences struggles traditions and ideology such as Confucianism and communism when investigating moral responses to public issues such as social justice human rights and religious freedom A Christian co construction with philosophical and social scientific perspectives on public life will lead to the modification of moral vocabulary in Chinese public life      **Reformed Public Theology**

Matthew Kaemingk,2021-08-17 The Reformed tradition in the twenty first century is increasingly diverse dynamic and deeply engaged in a wide variety of global and public issues from the arts and business to immigration and race to poetry and politics This book brings together the insights of a diverse group of leading Reformed thinkers including Nicholas Wolterstorff Makoto Fujimura Bruce Ashford John Witvliet Ruben Rosario Rodriguez and James K A Smith to offer a contemporary vision of the depth and diversity of the Reformed faith and its global public impact      **Pentecostal Public**

**Theology** Simo Frestadius,Mark J. Cartledge,2024-07-11 This is the first academic work to focus explicitly on Pentecostal public theology in Europe Following a growing interest in understanding Pentecostal beliefs and practices with respect to the public sphere this book shifts the focus of Pentecostal engagement with politics society and culture from the Global South and North America to Europe This work also discusses themes such as Pentecostal public values identity nationalism poverty

democracy education race and political engagement in the context of European Pentecostalism The book provides an historical overview by bringing together various European voices to discuss the current challenges and possible trajectories for Pentecostal public theology in a constructive fashion With contributions from leading and emerging European Pentecostal and Charismatic scholars this book is a must for scholars interested in understanding Pentecostal beliefs and practices in the public sphere in a European context
