

Public Opinion And The Communication Of Consent

Jacob Shamir, Michal Shamir

Public Opinion And The Communication Of Consent:

Public Opinion and the Communication of Consent Theodore Lewis Glasser, Charles T. Salmon, 1995-04-22 Public Opinion and the Communication of Consent offers an unprecedented range of scholarly perspectives on the relationship between public opinion and communication With contributions written from social scientific historical critical and cultural traditions the book illuminates the importance and richness of treating public opinion as a multifaceted concept Written by leading thinkers in the field some of the work s chapters offer state of the art reviews of research findings while others are scholarly treatises on some aspect of communication public opinion and society Topics covered include The nature and institutions of public opinion the influence of media on public opinion social and psychological contexts of public opinion the role public opinion assessment plays in a democratic society Journalism Stuart Allan, 2005-01-16 this book can be recommended to journalism students as a useful entry point into many of the debates surrounding 21st century journalism and as a way of encouraging thought about what indeed a journalist may be Tony Harcup University of Sheffield What are the key issues confronting journalism today and why What are the important debates regarding the forms and practices of reporting How can the quality of news be improved Journalism Critical Issues explores essential themes in news and journalism studies It brings together an exciting selection of original essays which engage with the most significant topics debates and controversies in this fast growing field Using a wide range of case studies topics include Journalism s role in a democracy Source dynamics in news production Journalism ethics Sexism and racism in the news Tabloidization scandals and celebrity Reporting conflict terrorism and war The future of investigative journalism The book is written in a lively manner designed to invite discussion by identifying key questions around a critical issue Each chapter assesses where journalism is today its strengths and its challenges and highlights ways to improve upon it for tomorrow Journalism Critical Issues is essential reading for students and researchers in the fields of news and journalism media studies cultural studies sociology and communication studies Contributors Stuart Allan Alison Anderson Olga Guedes Bailey Steven Barnett Oliver Boyd Barrett Michael Bromley Cynthia Carter Simon Cottle Chas Critcher Matthew David M ire Messenger Davies Bob Franklin Robert A Hackett Ramaswami Harindranath Ian Hutchby Richard Keeble Justin Lewis Minelle Mahtani P David Marshall Brian McNair Martin Montgomery Alan Petersen Susanna Hornig Priest Jane Rhodes Karen Ross David Rowe Prasun Sonwalkar Linda Steiner Howard Tumber Ingrid Volkmer Karin Wahl Jorgensen Barbie Zelizer **Public Opinion** Carroll J. Glynn, 2018-09-03 Public Opinion is a comprehensive and multidisciplinary examination of public opinion in the United States Drawing on scholarship in political science psychology sociology and communications the authors explore the nature of political and social attitudes in the United States and how these attitudes are shaped by various institutions with an emphasis on mass media The book also serves as a provocative starting point for the discussion of citizen moods political participation and voting behavior Feature boxes and illustrations throughout help students understand all aspects of the elusive

phenomenon we call public opinion The third edition has been thoroughly revised and updated to reflect how public opinion is studied today and to incorporate current data and debates The book now contains two revised and reframed theory chapters Group Membership and Public Opinion and Public Opinion and Social Process as well as new coverage of the influence of online and social media on public opinion especially in issue opinions and campaigns

Theories and Models of Communication Paul Copley, Peter J. Schulz, 2013-01-30 This unique volume offers an overview of the diversity in research on communication including perspectives from biology sociality economics norms and human development It includes general social science and humanities approaches to communication from systems theory to cultural theory as well as perspectives more specifically related to communication acts such as linguistics and cognition The volume also features chapters on the participants and various elements in communication processes on possible effects and on wider consequences of mediation with technical media The scope of the contributions is global and the volume is relevant to both the empirical and the philosophical traditions in human sciences Designed as a stand alone collection to engage undergraduates as well as postgraduates and academics this is also the first book in and an introduction to the De Gruyter Mouton multi volume Handbooks of Communication Science

The SAGE Handbook of Public Opinion Research Wolfgang Donsbach, Michael W Traugott, 2007-12-18 Some of the most experienced and thoughtful research experts in the world have contributed to this comprehensive Handbook which should have a place on every serious survey researcher's bookshelf Sir Robert Worcester Founder of MORI and President of WAPOR 82 84 This is the book I have been waiting for It not only reflects the state of the art but will most likely also shape public opinion on public opinion research Olof Petersson Professor of political science SNS Stockholm Sweden The Handbook of Public Opinion Research is very authoritative well organized and sensitive to key issues in opinion research around the world It will be my first choice as a general reference book for orienting users and training producers of opinion polls in Southeast Asia Mahar K Mangahas Ph D President of Social Weather Stations Philippines www.sws.org.ph This is the most comprehensive book on public opinion research to date Robert Ting Yiu Chung Secretary Treasurer World Association for Public Opinion Research WAPOR Director of Public Opinion Programme The University of Hong Kong Public opinion theory and research are becoming increasingly significant in modern societies as people's attitudes and behaviours become ever more volatile and opinion poll data becomes ever more readily available This major new Handbook is the first to bring together into one volume the whole field of public opinion theory research methodology and the political and social embeddedness of polls in modern societies It comprehensively maps out the state of the art in contemporary scholarship on these topics With over fifty chapters written by distinguished international researchers both academic and from the commercial sector this Handbook is designed to give the reader an overview of the most important concepts included in and surrounding the term public opinion and its application in modern social research present the basic empirical concepts for assessing public opinion and opinion changes in society provide an

overview of the social political and legal status of public opinion research how it is perceived by the public and by journalists and how it is used by governments offer a review of the role and use of surveys for selected special fields of application ranging from their use in legal cases to the use of polls in marketing and campaigns The Handbook of Public Opinion Research provides an indispensable resource for both practitioners and students alike Media, Markets, and Democracy C. Edwin Baker, 2001-11-05 Government interventions in media markets are often criticized for preventing audiences from getting the media products they want A free press is often asserted to be essential for democracy The first point is incorrect and the second is inadequate as a policy guide Part I of this book shows that unique aspects of media products prevent markets from providing for audience desires Part II shows that four prominent but different theories of democracy lead to different conceptions of good journalistic practice media policy and proper constitutional principles Part II makes clear that the choice among democratic theories is crucial for understanding what should be meant by free press Part III explores international free trade in media products Contrary to the dominant American position it shows that Parts I and II's economic and democratic theory justify deviations from free trade in media products *Conflicting Communication Interests in America* Tom McCourt, 1999-10-30 Public broadcasting has changed dramatically since its founding in 1967 The growing equation of marketplace efficiency with the public interest has in Tom McCourt's analysis undermined the value of public goods and services In addition political and cultural discourse is increasingly beset by fragmentation Public radio provides an exemplary site to examine the prospects and problems of contemporary public life Beginning with a description of the events that led to the creation of National Public Radio McCourt discusses the relationship between NPR and its affiliate stations and the ways in which struggles over funding and programming have affected public radio's agenda He also examines how public radio incorporates the roles of public representatives into its operations and how its methods to determine the needs and interests of the public have changed across the system's history The social political and economic pressures that have impacted the mission and practices of National Public Radio McCourt asserts are manifest in all areas of American life Through extensive historical research he examines whether American public broadcasters as represented by NPR have succeeded or failed to engender an enlightened participatory democracy **Media Audiences** John L. Sullivan, 2013 Whether we are watching TV surfing the Internet listening to our iPods or reading a novel we are all engaged with media as a member of an audience Despite the widespread use of this term in our popular culture the meaning of the audience is complex and it has undergone significant historical shifts as new forms of mediated communication have developed from print telegraphy and radio to film television and the Internet Media Audiences explores the concept of media audiences from four broad perspectives as victims of mass media as market constructions commodities as users of media and as producers subcultures of mass media The goal of the text is for students to be able to think critically about the role and status of media audiences in contemporary society reflecting on their relative power in relation to institutional media producers

International Public Relations Ian Somerville, Owen Hargie, Maureen Taylor, Margalit Toledano, 2016-08-12

International Public Relations Perspectives from deeply divided societies is positioned at the intersection of public relations PR practice with socio political environments in divided conflict and post conflict societies While most studies of PR focus on the activity as it is practiced within stable democratic societies this book explores perspectives from contexts that have tended to be marginalized or uncharted Presenting research from a diverse range of societies still deeply divided along racial ethnic religious or linguistic lines this collection engages with a variety of questions including how PR practice in these societies may contribute to our understanding of PR theory building Importantly it highlights the role of communication strategies for actors that still deploy political violence to achieve their goals as well as those that use it in building peace resolving conflict and assisting in the development of civil society Featuring a uniquely wide range of original empirical research including studies from Israel Palestine Mozambique Northern Ireland former Yugoslavia former Czechoslovakia Spain Malaysia and Turkey this groundbreaking book will be of interest not only to scholars of public relations but also political communication international relations and peace and conflict studies With a Foreword by Krishnamurthy Sriramesh Editor of The Global Public Relations Handbook The International Encyclopedia of Media Effects, 4 Volume Set Patrick Rössler, 2017-03-06

The International Encyclopedia of Media Effects presents a comprehensive collection of the most up to date research on the uses and impacts of media throughout the world Provides the definitive resource on the most recent findings of media effects research Covers all aspects of the uses and impact of media utilizing empirical psychological and critical research approaches to the field Features over 200 entries contributed by leading international scholars in their associated fields Offers invaluable insights to for students scholars and professionals studying and working in related fields and will stimulate new scholarship in emerging fields such as the Internet Social Media and Mobile Communication Part of The Wiley Blackwell ICA International Encyclopedias of Communication series published in conjunction with the International Communication Association Online version available at Wiley Online Library **The Persuasion Handbook** James Price Dillard, 2002

Vienna 1909 When the celebrated actor Eugen Bischoff is found dead in his garden pavilion suspicion falls immediately on Baron von Yosch a well to do army officer who was once the lover of the dead man s wife By all appearances the door was locked from the inside when the two shots rang out the actor took his own life but someone or something drove him to it The baron sets out to learn all he can about the actor s death in order to clear his name Meanwhile within a few days similar apparent suicides are reported What started out as a straightforward quest to establish Bischoff s last deeds and discover the truth of his death becomes a search through the ages for an invisible enemy identified only by the actor s dying breath when he whispered the Day of Judgment Leo Perutz combines his hallmark blend of suspense and the fantastic in this spine tingling mystery **Media Effects** Jennings Bryant, Dolf Zillmann, Mary Beth Oliver, 2002-02-01 This new edition updates and expands the scholarship of the 1st edition examining media effects in

Social Mentality and

Public Opinion in China Fanbin Zeng, 2023-02-24 This book explores the relationship between social mentality public opinion media and other factors through mixed methods in China especially since the 21st century The book deploys qualitative and quantitative research and adopts a multi disciplinary perspective and diverse research methods The studies are built on and contribute to the burgeoning literature seeking to anatomise the relationship between social mentality media and public opinion from the point of view of sociology and communication It also aims to explore how media can be used to appease public opinion As the first systematic study of the interconnection between social mentality and public opinion this book provides empirical support and a theoretical framework for both areas It will thus be a great read for students and scholars of communication sociology and social psychology especially for those with a focus on China and new media

American Journalism ,1996 **Israel at the Polls 2003** M. Ben Molloy, Jonathan Rynhold, Shmuel Sandler, 2013-09-13 Israel's 2003 election took place against the background of a deteriorating security situation due to Palestinian violence and the impending US War in Iraq and severe disillusionment with the Oslo peace process The election which brought about a decisive victory of the Likud Party and Ariel Sharon took place amidst strong accusations of corruption and the virtual collapse of the Israeli left The election also featured the rise of the anti clerical Shinui party which resulted in the exclusion of the ultra Orthodox parties from the new coalition In this volume leading Israeli political scientists explore the main actors and processes that shaped the election and its outcome This book was previously published as a special issue of the journal Israel Affairs The Global Public Relations Handbook Krishnamurthy Sriramesh, Dejan Verčič, 2019-10-21 In this third edition The Global Public Relations Handbook Theory Research and Practice offers state of the art discussions of the global public relations industry blending research based theory with practice and presented in essays from both academics and practitioners This edition's 28 essays in three sections take into account changes in the global communication landscape especially in the last ten years The first section contains essays that provide conceptual linkages between public relations and international political systems economic systems and levels of development societal culture different media systems including digital media and activism Essays in the second section discuss the communication of various global actors such as corporations including family owned enterprises non profits governments and public sector enterprises global public relations agencies IGOs such as the European Union and NATO and informal organizations such as hactivist groups terrorists and failed states The third section discusses key global communication issues such as climate change character assassination as a communication tool internal communication risk and crisis communication public affairs and public diplomacy This will be an essential resource for students and researchers of public relations strategic communication and international communication The Economic Policy of Online Media Peter Ayolov, 2023-05-05 This book explores the distortion of communication online centered around the theory that the economic policy model of online media is primarily based on the systematic manufacture of dissent Following the media criticism tradition of Habermas and Chomsky among others the book

shows how anger can motivate news consumption as the principle of divide and rule in the online media of the 21st century is systematically applied The author posits that media addiction increases interest therefore deliberate distortion of facts and the manufacture of dissent provide the media with a larger audience and this becomes the business model This insightful volume will interest researchers scholars and students of media economics political economy of media digital media propaganda mass communication and media literacy
