“Sir, I used to speaker in front of public, so I do not need to attend Public Speaking class” Arman said one of the prospects when got follow up by my staff.

1 Attractive [*Menarik*]

The first step to enter your public speaking category are good and proper. Public Speaking—you must attract the attention of the audience to hear what you are saying.

Notice the body language of your audience, whether there is a smile on their face or they are busy themselves because your public speaking is boring. Check out the characteristics of a bored audience in my article hard-coded your audience bored.

Because it will be difficult for people to do what you say if they are not interested in listening to what you say.
