Erickson, 2022 Provides a history of spanking including the transition from instruments to the hand Reviews relevant research over the last 100 years on spanking outcomes Identifies the social and cultural supports of spanking including legal standing Includes thought provoking prompts on what it means to be a parent *Controlling the CEO* Forrest Greene, 2025-08-14 Collared and Tied is the go to BDSM club for Toronto s gay men Master Robert has been a member since its inception enjoying the lifestyle and the way dominating another man satisfies his deepest needs Lately though he s begun to crave Kevin a man not in the lifestyle someone he met in a completely different venue How can he possibly suggest a power exchange relationship with someone who is not only vanilla but straight Kevin is divorced and worries more about how his business can recover from the pandemic than finding another relationship His only relaxation is the meetings of the wine club he runs So why is he noticing the new member so much There s no way he would follow another man s direction go to his bed or is there Does Robert offer him an option he d never considered before **Identity, Community, and Sexuality in Slash Fan Fiction** Anne Kustritz, 2023-11-24 This book explores slash fan fiction communities during the pivotal years of the late 1990s and early 2000s as the practice transitioned from print to digital circulation Delving into over ten years of online and in person ethnography the book offers an in depth examination of slash fan fiction original stories written by and circulated within female centered communities about same sex characters borrowed from previously published sources to document the history of a feminist queer media subculture whose infrastructure creativity and ways of life are often obscured in dominant histories of the internet s development and by the contemporary focus on industry friendly but often misogynist digital fan subcultures Arguing that online slash communities created an alternate public space that provided opportunities for

unanticipated encounters with a wide range of complex sexual relational and political practices the book contends that slash thereby added to readers tools for experiencing and thinking about pleasure and ways of living by forming a pocket public that is a digital space public enough to be found and protected enough to shield participants from harassment and censorship This insightful and comprehensive study will interest students and scholars working in the areas of media studies literary studies anthropology new media audience communities convergence culture fan studies women s studies and queer studies Introduction of this book is freely available as a downloadable Open Access PDF at <http://www.taylorfrancis.com> under a Creative Commons Attribution Non Commercial CC BY NC license Funded by Social Sciences and Humanities Research Council of Canada grant 435 2019 0691

"Right Development" Juliana Essen, 2005-01-01 *Right Development* examines the Santi Asoke Buddhist Reform Movement of Thailand as a culturally and environmentally appropriate alternative to western development programs The Asoke group s aim is not a Western ideal to accumulate high levels of material comfort but a Buddhist ideal to release attachment to the material world and attain spiritual freedom Ethnographic research at one Asoke community illuminates

how Asoke beliefs and practices foster development on three levels the individual community and society A closer look at a day in the life of four women provides further insight into this development This book stipulates that development must be culturally locally situated focused on livelihoods rather than economic growth environmentally sustainable and endogenously inspired implemented and maintained The intent here is not to offer a new meta strategy for global development but to underscore the need for diverse responses to the vast array of economic social and environmental dilemmas Right

Development offers alternatives for sustainable development perfect for scholars of Buddhism or Thailand **The Pisstown**
