Publish It Not The Middle East Cover Up:

Publish it Not Michael Adams, Christopher Paget Mayhew, 2006 In 1975 Michael Adams and Christopher Mayhew delivered their powerful indictment of Western media coverage of the Israel Palestine issue Both men journalist and politician had direct experience of the situation in Palestine and both felt passionately that a curtain of concealment and deceit had been drawn over media discussion of the Zionist colonization of Palestine resulting in misinformed and biased perceptions The importance of their discussion of the Zionist management of the British media in **Publish it Not** cannot be overstated It was pivotal in the process that has unmasked a number of myths Thirty years on a new edition of this classic expose reveals that little has changed in media treatment of the Palestine issue An extensive introduction by former BBC correspondent Tim Llewellyn describes developments since 1975 and compares the issues that Mayhew and Adams addressed with those existing now

Friends of Israel Hilary Frances Aked, 2023-04-18 Is there such a thing as the Israel lobby and how powerful is it really Friends of Israel provides a forensically researched account of the activities of Israel s advocates in Britain showing how they contribute to maintaining Israeli apartheid The book traces the history and changing fortunes of key actors within the British Zionist movement in the context of the Israeli government s contemporary efforts to repress a rising tide of solidarity with Palestinians expressed through the Boycott Divestment and Sanctions BDS movement Offering a nuanced and politically relevant account of pro Israel actors strategies tactics and varying levels of success in key arenas of society it draws parallels with the similar anti boycott campaign waged by supporters of the erstwhile apartheid regime in South Africa By demystifying the actors involved in the Zionist movement the book provides an anti racist analysis of the pro Israel lobby which robustly rebuffs anti Semitic conspiracies Sensitively and accessibly written it emphasises the complicity of British actors both those in government and in civil society Drawing on a range of sources including interviews with leading pro Israel activists and Palestinian rights activists documents obtained through Freedom of Information requests and archival material Friends of Israel is a much needed contribution to Israel Palestine related scholarship and a useful resource for the Palestine solidarity movement

Leads Jean E Calder, 2011-03-01 For almost three decades Jean Calder has been working with children with disabilities in Lebanon Egypt and the Gaza Strip In 1981 Jean Calder left a comfortable life in Queensland and a respected academic career to work as a volunteer in Lebanon When the war broke out and many foreigners fled Jean stayed and cared for a group of children in Beirut They spent weeks sleeping on floors sheltering under a hospital staircase and being held at gunpoint Three of these children would change the course of her life forever Jean has made her home in the Gaza Strip where she deals each day with the ongoing fighting Yet for the last ten years she has built up a rehabilitation program that has improved the lives of hundreds of children with disabilities In 2005 her outstanding work was recognised when she received our highest civilian honour the Companion of the Order of Australia In *WHERE THE ROAD LEADS* Jean shares her life story and offers a rare insight into the daily existence of people in the West Bank and the Gaza Strip Motivated by a passionate desire to help those around her Jean brings hope to people living in some of the most dangerous areas of the Middle East *Lost Imperium* Paul Stocker, 2020-08-05 This book examines for the first time the role of Britain's Empire in far right thought between 1920 and 1980 Throughout these turbulent decades upheaval in the Empire combined with declining British world power was frequently discussed and reflected upon in far right publications as were radical policies designed to revitalise British imperialism Drawing on the case studies of Ireland India Palestine Kenya and Rhodesia *Lost Imperium* argues that imperialism provided a frame through which ideas at the core of far right thinking could be advocated nationalism racism conspiracy theory antisemitism and anti communism The far right's opposition to imperial decline ultimately reflected more than just a desire to reverse the fortunes of the British Empire it was also a crucial means of promoting central ideological values By analysing far right imperial thought we are able to understand how they interacted with mainstream ideas of British imperialism during the twentieth century while also promoting their own uniquely racist violent and authoritarian vision of Empire This book will be of interest to students and scholars of British fascism empire imperialism racial and ethnic studies and political history *Public Opinion* William A. Blade, 2002 Twenty four news networks a plethora of newspapers and magazines vibrant news talk radio and the ubiquitous Internet highlight our society as information driven With such a steady stream of hard facts mixed with publicised opinions the mainstream population has an opinion on everything Most anyone seems itching to argue their side of an issue making once private beliefs fodder for general consumption A staple of any medium's content is a regular public opinion poll on whatever hot topic strikes the editor's fancy From the significant to the mundane public opinion permeates society Accordingly politicians have taken note of these opinions and adopted stands and values that put them in tune with public sentiment An understanding of the nature of public opinion therefore is paramount in today's world This book assembles and presents a carefully chosen bibliography on public opinion in its many forms The collection of references makes for a valuable resource in studying and researching the critical issue of public opinion Easy access to these pieces of literature are then provided with author title and subject indexes *H V Evatt and*

the Establishment of Israel Daniel Mandel, 2004-08-02 The Minister for External Affairs and the dominant force in the formation of Australian foreign policy for a crucial decade in the battle over Palestine 1941-1949 Herbert Vere Evatt played a central role in the Australian political response to Zionism and the conflict in Palestine This book which uses a variety of primary sources from Australia Israel the United Kingdom and the United States provides a valuable study of Evatt the Zionist as well as illuminating a fascinating political figure This valuable book charts the debate in Australia over the creation of a Jewish state as well as providing a genuinely entertaining study of Evatt himself

The Rule of Law and Governance in Indigenous Yoruba Society John Ayotunde Isola Bewaji, 2016-08-22 In *The Rule of Law and Governance in Indigenous Yoruba Society* John Ayotunde Isola Bewaji has two main goals The first is to provide an exploration of aspects of indigenous Yoruba philosophy of law The second is to relate this philosophy of law to the Yoruba indigenous traditions of governance with a view to appreciating the relevance of the Yoruba traditions of law and governance to contemporary African experiments with imported Western democracy in the 21st century This book is devoted to what can be described as a juridical forensic investigation of Nigeria's predicament of developmental deficit leading to gross and unconscionable impoverishment of large segments of the population in the midst of so much natural resources and abundant human capital using Yoruba indigenous legal traditions as reflective template Bewaji urges that Africa has to take seriously the necessity of obedience observance enforcement and operation of law as no respecter of persons groups affiliations and pedigrees as was in the case in the societies founded by our ancestors rather than the present scenario whereby the highest bidder procures semblances of justice from a crooked system of common law which was never designed to be fair equitable and just to the disadvantaged in society

Intellectual Resistance and the Struggle for Palestine M. Abraham, 2014-08-07 By positioning the late Edward Said's political interventions as a public intellectual on behalf of Palestinian populations living under Israeli occupation as a form of intellectual resistance Abraham moves to consider forms of physical resistance seeking to better understand the motivations of those who choose to turn their bodies into weapons

Shooting the Messenger Paul Moorcraft, 2011-10-31 Wars have dominated politics since history began In the modern era most of what the media reports on foreign conflicts comes from a small band of war correspondents As the furore over the Iraq Afghan and now the Libyan wars demonstrates Western governments and militaries often collude to keep their voters in the dark about the causes and the conduct of wars waged in their name In this entertaining and unspun account of modern war reporting the authors ask whether the media itself drives democracies to war Or does it serve to constrain evil ignorant and messianic leaders Are the heirs of William Howard Russell the first modern war reporter watchdogs or lapdogs In the age of Wikileaks and corrupt media empires what is the political impact of war correspondents Are they the heroes or harlots of their profession
