## **Published Works Poems:**

**The Major Works** William Wordsworth, 2000 William Wordsworth the Major Works presents a selection of Wordsworth's essays and a collection of his major poems The study includes recommended additional reading and notes to give the essence of his work and thinking processes **A Library of the World's Best Literature - Ancient and Modern - Vol. XLIII**

**(Forty-Five Volumes); Dictionary of Authors (K-Z)** Charles Dudley Warner, 2008-01-01 Popular American essayist, novelist and journalist CHARLES DUDLEY WARNER 1829-1900 was renowned for the warmth and intimacy of his writing which encompassed travelogue, biography and autobiography, fiction and more and influenced entire generations of his fellow writers Here the prolific writer turned editor for his final grand work a splendid survey of global literature classic and modern and it's not too much to suggest that if his friend and colleague Mark Twain who stole Warner's quip about how everybody complains about the weather but nobody does anything about it had assembled this set it would still be hailed today as one of the great achievements of the book world Volume 43 is Part Two of a dictionary of authors from Hans Vilhelm Kaalund to Ulrich Zwingli that serves as a handy condensed reference to the authors quoted in the first 40 volumes as well as a guide to thousands more authors whose works are notable but not featured in this set **Library of the World's Best**

**Literature, Ancient and Modern: Biographical dictionary** Charles Dudley Warner, 1898 **The Complete Sonnets and Poems** William Shakespeare, 2002 Shakespeare's Sonnets are among the most complex and beautiful poems ever written Their exploration of love, praise, homo and hetero sexual desire is enacted in the richest, densest writing in English And the first printed work to which Shakespeare's name was attached was the erotic narrative poem Venus and Adonis which developed a sumptuous vocabulary in which to explore love, praise of the beloved, sexual desire and the power of rhetoric That poem was so popular that most of Shakespeare's contemporaries thought of him as primarily a poet rather than a playwright Yet despite the power of Shakespeare's poems and their foundational place within his oeuvre, modern readers have seldom been encouraged to engage with his non-dramatic works as a whole This new edition explains how this state of affairs has arisen and why it needs to be changed The volume contains the complete Sonnets and poems with a full commentary An extensive and lively introduction explores Shakespeare's poetic development and shows how the poems relate to each other and to his dramatic works The Sonnets are freshly interpreted not as cryptic fragments of autobiography but as works which ask their readers to think about relationships between lyric poems and the historical circumstances which may have given rise to them The narrative poems Venus and Adonis and Lucrece are placed where they belong at the origin of Shakespeare's thinking about what it means to desire and to be desired The edition responds to the most recent scholarly work on the interpretation and dating of Shakespeare's poems and Sonnets It also explores what the poems may have meant to their earliest readers For this reason it also includes poems attributed to Shakespeare in the seventeenth century as well as those printed under his name in *The Passionate Pilgrim* in 1599 **Major Works** John Clare, 2004 After

years of indifference and neglect John Clare 1793 1864 is now recognized as one of the greatest English Romantic poets Clare was an impoverished agricultural laborer whose genius was generally not appreciated by his contemporaries and his later mental instability further contributed to his loss of critical esteem But the extraordinary range of his poetical gifts has restored him to the company of contemporaries like Lord Byron John Keats and Percy Bysshe Shelley This authoritative edition brings together a generous selection of Clare s poetry and prose including autobiographical writings and letters and illustrates all aspects of his talent It contains poems from all stages of his career including love poetry and bird and nature poems Written in his native Northamptonshire Clare s work provides a fascinating reflection of rural society often underscored by his own sense of isolation and despair Clare s writings are presented with the minimum of editorial interference and with a new introduction by the poet and scholar Tom Paulin

Summer Belvedere      The Poems of Oliver Wendell Holmes Oliver Wendell Holmes, 1862      **Poems** afterwards COOKE  
 TERRY (Rose), 1861      **The Major Works** William Butler Yeats, 2001 This authoritative edition was first published in the  
 acclaimed Oxford Authors series under the general editorship of Frank Kermode It brings together a unique combination of  
 Yeats's poetry and prose all the major poems complemented by plays critical writings and letters to give the essence of his  
 work and thinking W B Yeats was born in 1865 only 38 years after the death of William Blake and died in 1939 the  
 contemporary of Ezra Pound and James Joyce His career crossed two centuries and this volume represents the full range of  
 his achievement from the Romantic early poems of *Crossways* and the symbolist masterpiece *The Wind Among the Reeds* to  
 his last poems *Myth* and folk tale influence both his poems and his plays represented here by Cathleen ni Houlihan and  
 Deirdre among others The importance of the spirit world to his life and work is evident in his critical essays and  
 occult writings and the anthology also contains political speeches autobiographical writings and a selection of his letters This  
 one volume collection of poems and prose offers a unique perspective on the connectedness of Yeats's literary output  
 showing how his aesthetic spiritual and political development was reflected in everything he wrote      *Selected Poems*  
 Rudyard Kipling, 2006-06-29 Rudyard Kipling 1865-1936 is often regarded as the unofficial Laureate of the British Empire Yet  
 his writing reveals a ferociously independent figure at times violently opposed to the dominant political and literary  
 tendencies of his age Arranged in chronological order this diverse selection of his poetry shows the development of Kipling's  
 talent his deepening maturity and the growing sombreness of his poetic vision Ranging from early exhilarating celebrations  
 of British expansion overseas including *Mandalay* and *Gunga Din* to the dignified and inspirational *If* and the later deeply  
 moving *Epitaphs of the War* inspired by the death of Kipling's only son it clearly illustrates the scope and originality of his  
 work It also offers a compelling insight into the Empire both at its peak and during its decline in the early years of the  
 twentieth century      **Poems** Rose Terry Cooke, 1861
