THE PUERTO RICAN SYNDROME

Puerto Rican Syndrome

**Patricia Gherovici, Christopher
Christian**

Puerto Rican Syndrome:

The Puerto Rican Syndrome Patricia Gherovici, 2010-05-04 Winner of the Gradiva Award in Historical Cultural and Literary Analysis and The 2004 Boyer Prize for Contributions to Psychoanalytic Anthropology During the 1950 s US Army medical officers noted a new and puzzling syndrome that contemporary psychiatry could neither explain nor cure These doctors reported that Puerto Rican soldiers under stress behaved in a very peculiar and dramatic manner exhibiting a theatrical form of pseudo epilepsy Startled physicians observed frightened and disoriented patients foaming at the mouth screaming biting kicking shaking in seizures and fainting The phenomenon seemed to correspond to a serious neurological disease yet as with some forms of hysteria physical examination failed to identify any sign of an organic origin This unusual set of symptoms entered into medical records as a group of striking psychopathological reaction patterns precipitated by minor stress and was designated Puerto Rican Syndrome In this lucid and sophisticated new work Patricia Gherovici thoroughly examines the so called Puerto Rican Syndrome in the contemporary world its social and cultural implications for the growing Hispanic population in the US and therefore for the US as a whole As a mental illness that is allegedly uniquely Puerto Rican this syndrome links nationality and culture to a psychiatric disease whose reappearance recalls the spectacular hysteria that led to the discovery of the unconscious and the birth of psychoanalysis Gherovici beautifully and systematically uses the combined insights of Freud and Lacan to examine the current state of psychoanalysis and the Hispanic community in America Blending these insights with history current events and her own case material Gherovici provides a startling fresh look at Puerto Rican Syndrome as social and cultural phenomenon She sheds new light on the future of American society and argues that psychoanalysis is not only possible but much needed in the ghetto

Perspectives in Cross-cultural

Psychiatry Anna M. Georgiopoulos, Jerrold F. Rosenbaum, 2005 This volume presents cutting edge work in cross cultural psychiatry by an international group of clinicians researchers and leaders in mental health policy The book grew out of a recent lecture series at the Massachusetts General Hospital and features contributions from diverse fields including psychiatry psychology anthropology social work social medicine and public policy The first section highlights the implications of biological and cultural diversity for psychiatric diagnosis and treatment Subsequent sections focus on psychotherapy in cross cultural contexts and international mental health policy Chapters examine a variety of patient populations including Asian African and Hispanic Americans and populations in Europe and developing countries

Unusual and Rare

Psychological Disorders Brian A. Sharpless, 2017 Unusual and Rare Psychological Disorders collects and synthesizes the scientific and clinical literatures for 21 lesser known conditions

The Cry of the Senses Ren Ellis Neyra, 2020-10-26 In

The Cry of the Senses Ren Ellis Neyra examines the imaginative possibility for sound and poetics to foster new modes of sensorial solidarity in the Caribbean Americas Weaving together the black radical tradition with Caribbean and Latinx performance cinema music and literature Ellis Neyra highlights the ways Latinx and Caribbean sonic practices challenge

antiblack colonial post Enlightenment and humanist epistemologies They locate and address the sonic in its myriad manifestations across genres and forms in a legal trial and in the art and writing of Xandra Ibarra the Fania All Stars Beatriz Santiago Muñoz Glissant and Eduardo Corral while demonstrating how it operates as a raucous form of diasporic dissent and connectivity Throughout Ellis Neyra emphasizes Caribbean and Latinx sensorial practices while attuning readers to the many forms of blackness and queerness Tracking the sonic through their method of multisensorial poetic listening Ellis Neyra shows how attending to the senses can inspire alternate ethical ways of collective listening and being Hispanic Mental Health Research Frank Newton, Esteban L. Olmedo, Amado M. Padilla, 2024-03-29 This title was originally published in 1982 This title was originally published in 1982 *Meaningless Suffering* David Goodman, M. Mookie C. Manalili, 2024-03-25 Does suffering have meaning The leading scholars and practitioners in *Meaningless Suffering* engage with this haunting human question through the lenses of psychoanalytic phenomenological and ethical discourse all the while holding contemporary social concerns in full view The authors seek to find ways of speaking about the lived realities and historical moments that make up our social narratives from the murder of George Floyd to the bird watching incident in Central Park in order to render visible the entangled forms of the effects of embodiment ideology race social practice and intersectionality *Meaningless Suffering* is bookended by powerful pieces by Mari Ruti and Homi K Bhabha and in the intervening chapters the reader traverses the ideas of Augustine Judith Butler Fanon Foucault Freud Gendlin Heidegger Lacan Levinas and Wittgenstein to pass through the realms of classical thought affect theory phenomenology linguistic studies relational psychoanalysis somatic studies intersubjectivity theory gender studies critical theory and philosophical hermeneutics This book is essential reading for postgraduate students scholars and practitioners working at the intersection of psychoanalysis race politics and culture as well as students of cultural studies the humanities politics psychology psychosocial studies sociology and social work *Psychoanalysis in the Barrios* Patricia Gherovici, Christopher Christian, 2018-12-11 *Psychoanalysis in the Barrios* Race Class and the Unconscious demonstrates that psychoanalytic principles can be applied successfully in disenfranchised Latino populations refuting the misguided idea that psychoanalysis is an expensive luxury only for the wealthy As opposed to most Latin American countries where psychoanalysis is seen as a practice tied to the promotion of social justice in the United States psychoanalysis has been viewed as reserved for the well to do assuming that poor people lack the sophistication that psychoanalysis requires thus heeding invisible but no less rigid class boundaries Challenging such discrimination the authors testify to the efficacy of psychoanalysis in the barrios upending the unfounded widespread belief that poor people are so consumed with the pressures of everyday survival that they only benefit from symptom focused interventions Sharing vivid vignettes of psychoanalytic treatments this collection sheds light on the psychological complexities of life in the barrio that is often marked by poverty migration marginalization and barriers of language class and race This interdisciplinary collection features essays by distinguished international scholars and clinicians

It represents a unique crossover that will appeal to readers in clinical practice social work counselling anthropology psychology cultural and Latino studies queer studies urban studies and sociology Sexual Abuse in Nine North American Cultures Lisa Aronson Fontes, 1995-04-17 The impact of culture on sexual abuse issues is only beginning to be understood In minority populations sexual abuse can be overlooked or survivors can be inappropriately treated because of cultural or linguistic misunderstandings racism or homophobia This volume contains culture specific chapters that consider ways in which cultural norms can be used to protect children and promote healing from sexual abuse *Ethnopsychiatry* Atwood D. Gaines, 1992-08-17 This book outlines a new ethnopsychiatry one that considers popular or folk ethnomedicines and professional psychiatric systems in the same discourse effacing the traditional distinction between psychiatry and ethnopsychiatry The essays in this volume are from a diverse interdisciplinary group representing history psychology sociology and medicine as well as anthropology The author view both ethnomedical practices and illness as local cultural constructions They consider ideologies and institutions from both professional and popular ethnopsychiatric systems in America Western Europe South Africa the Caribbean Japan and India The book demonstrates that professional and popular psychiatric medicines lie along the same local cultural continua that professional scientific psychiatries and less formalized systems of local popular psychology are epistemological relatives aspects of common cultural discourses on normality and abnormality The essays reject the notion of a universal uniform reality of psychopathology beyond cultural boundaries but the data strongly support the cultural and historically constructed nature of ethnopsychiatry in its illness ideologies and institutions Contributors to this volume include Amy V Blue Thomas Csordas Ellen Dwyer Paul E Farmer M D Atwood D Gaines Helena Jia Hershel Janis Jenkins Pearl Katz Thomas Marezki Naoki Nomura Charles Nuckolls Kathryn Oths Lorna Amarasingham Rhodes and Leslie Swartz **Please Select Your Gender** Patricia Gherovici, 2011-01-19 I have the worst birth defect a woman can have I was born with a penis and a pair of testicles Thus we meet Hera who shares her reason for starting psychoanalysis and whose statement embodies the debate over transgenderism rigorously dissected in Please Select Your Gender Is it a mental disorder as some would claim or a matter of sexual identity An orientation or a life choice Despite differing opinions transgenderism has lost much of its stigma over the past decade or so though perhaps none of its shock value Nevertheless the door is open for a reformulation of the hysterical question Am I a man or a woman Utilizing rich clinical vignettes and elements of Lacanian theory Patricia Gherovici demonstrates how the transgender discourse has both reoriented psychoanalytic practice and reframed debates about gender in American society at large She traverses historical theoretical and clinical grounds to explore what has been termed the democratizing of gender for what could be more democratic than the choice of one's own gender now able to be changed on demand Arguing for the depathologization of transgenderism Please Select Your Gender aims to revise current notions of human sexuality in general In doing so it challenges the theory and practice of psychoanalysis with questions typically addressed only indirectly but which are

themselves transforming how analysis is done advancing new ideas for the clinic that can be extrapolated to social and intellectual contexts in an effort to engage the broader dialogues of gender and sexuality **Dissociation** David Spiegel,1994
 Dissociation challenges many comfortable assumptions Dissociative phenomena are often stark extreme and vivid The identities of individuals with dissociation disorders shift between apparent opposites Their pain is ignored Trauma victims report floating above their injured bodies Are these arcane dramatic or staged events or does dissociation underlie some fundamental aspect of mental organization Is dissociation the product of a troubled mind or a key to understanding the structure of consciousness and the mind body relationship **Dissociation Culture Mind and Body** is the first book to combine cultural anthropology cognitive psychology neurophysiology and the study of psychosomatic illness to present the latest information on the dissociative process A variety of leading experts in each of these fields bring their knowledge on the unique role that dissociation plays in moderating social and psychological effects on the body **Dissociation Culture Mind and Body** is an invaluable resource for every student of dissociation and is designed for professionals in cross cultural psychiatry and the influence of the mind on the body **Dissociation Culture Mind and Body** includes New theories of dissociation New measures of dissociation New evidence of the physical effects of dissociative processes **Case Studies in Emergency Medicine and the Health of the Public** Edward Bernstein,1996 **Activist Hermeneutics of Liberation and the Bible** Jin Young Choi,Gregory L. Cuéllar,2023-02-08 Inspired by the current political moment around the globe in which uprisings protests revolutions and movements are on the rise this book examines the intersections between the Bible and activism It does this by showcasing intersectional readings of the Bible as an activist act and a tool for activism historicizing the uses of the Bible within activist freedom movements around the globe and offering activist approaches to teaching the Bible Each chapter in this volume provides a critical and substantive response from the discipline of Biblical Studies to global political trends International in scope with contributors from Africa Asia the Caribbean Europe Latin America Oceania South Africa and the United States they address themes such as gender politics racial injustices violence toward women political resistance and activist hermeneutics and pedagogies Together they harness the intellectual energies of minoritized Biblical scholars in a nonessentialist manner to reflect on the Bible as a tool for liberating social and political change Reflecting on the activist potential of the Bible this book will be of keen interest to scholars in Biblical Studies Political Theology and Religious Studies **International Handbook of Cross-Cultural Counseling** Lawrence H. Gerstein,2009-07-24 The Handbook of International Counseling is an effort to bring together the current practices values attitudes and beliefs about counseling from countries around the globe The editors have selected leading experts in the field of counseling in a wide and culturally representative group of countries hroughout the world This book will be the first volume that undertakes such an ambitious goal in the field of counseling **Ricanness** Sandra Ruiz,2019-07-09 Honorable Mention 2020 Barnard Hewitt Award for Outstanding Research in Theatre History given by the American Society for Theatre Research Argues that

Ricanness operates as a continual performance of bodily endurance against US colonialism In 1954 Dolores Lolita Lebr n and other members of the Puerto Rican Nationalist Party led a revolutionary action on the chambers of Congress firing several shots at the ceiling and calling for the independence of the island Ricanness Enduring Time in Anticolonial Performance begins with Lebr n s vanguard act distilling the relationship between Puerto Rican subjectivity gender sexuality and revolutionary performance under colonial time Ruiz argues that Ricanness a continual performance of bodily endurance against US colonialism through different measures of time uncovers what s at stake politically for the often unwanted anticolonial racialized and sexualized enduring body Moving among theatre experimental video revolutionary protest photography poetry and durational performance art Ricanness stages scenes in which the philosophical social and psychic come together at the site of aesthetics against the colonization of time Analyzing the work of artists and revolutionaries like AD L Lebr n Papo Colo Pedro Pietri and Ryan Rivera Ricanness imagines a Rican future through the time travel extended in their aesthetic interventions illustrating how they have reformulated time itself through nonlinear aesthetic practices

Campbell's Psychiatric Dictionary Robert Jean Campbell,2009 Campbell s Psychiatric Dictionary is widely recognized as the definitive dictionary of psychiatry up to date comprehensive and authoritative Distinguished by its clarity and scholarship it is unique among dictionaries in providing nearly encyclopedic discussions of many of the most important entries The Ninth Edition is nearly double the size of the previous edition and has been updated revised and vastly expanded to cover the explosion of new words and terms in psychiatry including terms reflective of the debate now informing the development of the DSM V neuroscience cognitive and clinical psychology and neurodegenerative diseases as well as relevant terms and concepts from a wide range of related fields including genetics imaging general medicine forensic psychiatry and sociology It also covers the full range of treatments including psychopharmacologic agents behavior therapy cognitive therapy interpersonal therapy and other brief therapies The entries are clearly written so that they can be understood by non psychiatrists including general readers and they feature cross references so that readers can easily locate all the relevant information on a topic Campbell s is written for the working library of a broad and diverse readership of specialists and non specialists that includes psychiatrists residents neurologists psychologists nurses social workers counselors lawyers claims reviewers and lay readers with an interest in mental health issues

Emergency Psychiatry Tony Thrasher,2023 An excellent introduction to the field of emergency mental health issues with a focus on the best approaches and diagnoses one is most likely to encounter in the field This primer is a phenomenal resource for a myriad of healthcare professionals from the seasoned clinician to medical student looking to better prepare for a clinical rotation or internship Creole Religions of the Caribbean Margarite Fernández Olmos,Lizabeth Paravisini-Gebert,2011

CreolizationOCothe coming together of diverse beliefs and practices to form new beliefs and practicesOCois one of the most significant phenomena in Caribbean religious history Brought together in the crucible of the sugar plantation Caribbean

peoples drew on the variants of Christianity brought by European colonizers as well as on African religious and healing traditions and the remnants of Amerindian practices to fashion new systems of belief. Creole Religions of the Caribbean offers a comprehensive introduction to the syncretic religions that have developed in the region. From Vodou, Santería, Regla de Palo, the Abakuá Secret Society and Obeah to Quimbois and Espiritismo, the volume traces the historical and cultural origins of the major Creole religions as well as the newer traditions such as Pocomania and Rastafarianism. This second edition updates the scholarship on the religions themselves and also expands the regional considerations of the Diaspora to the U.S. Latino community who are influenced by Creole spiritual practices. Fernández Olmos and Paravisini-O'Gearty also take into account the increased significance of material culture, art, music, literature, and healing practices influenced by Creole religions.

In the Religion, Race, and Ethnicity series *Oxford Handbook of Psychiatry* David Semple, Roger Smyth, 2013-02-28 Fully revised and updated for the new edition, the Oxford Handbook of Psychiatry provides the most up-to-date information clinically relevant to the doctor on the ground. Using a presentation-based format, it provides detailed advice on clinical decision-making after diagnosis. This handbook is an indispensable companion for any professional working in psychiatric medicine. Covering all major psychiatric conditions and sub-specialties, this handbook provides practical and comprehensive guidelines and in-depth coverage of psychiatric assessment, psychopathology, evidence-based practice, therapeutic issues, and transcultural psychiatry. It is indexed alphabetically by ICD-10/DSM-IV classification codes and acute presentations for quick access. It reflects the recent major changes to psychiatric training and examination as well as the latest drug information. Reviewed by experienced clinicians and revised by Specialist Trainees, this handbook not only gives expert advice for psychiatry professionals but is also directly relevant to trainees in psychiatry. For the third edition, new information includes guidance on Adult ADHD, information on new drugs of abuse (e.g., GBL, GHB, mephedrone) and clinical decision-making in the prison setting. With such broad coverage and depth of guidance, this is the must-have pocket guide for all professionals and trainees working in psychiatry.

Living in Spanglish Ed Morales, 2007-04-01 Chicano, Cubano, Pachuco, Nuyorican, Puerto Rican, Boricua, Quisqueya, Tejano. To be Latino in the United States in the twentieth and twenty-first centuries has meant to have a fierce identification with roots, with forbears, with the language, art, and food. Your people came here with America; it is a patchwork of Hispanic sensibilities, from Puerto Rican nationalists in New York to more newly arrived Mexicans in the Rio Grande valley that has so far resisted homogenization while managing to absorb much of the mainstream culture. *Living in Spanglish* delves deep into the individual's response to Latino stereotypes and suggests that their ability to hold on to their heritage while at the same time working to create a culture that is entirely new is a key component of America's future. In this book, Morales pins down a hugely diverse community of Dominicans, Mexicans, Colombians, Cubans, Salvadorans, and Puerto Ricans that he insists has more common interests to bring it together than traditions to divide it. He calls this sensibility *Spanglish*, one that is inherently multicultural and proposes that *Spanglish* describes a feeling, an attitude that is

quintessentially American It is a culture with one foot in the medieval and the other in the next century In *Living in Spanglish* Ed Morales paints a portrait of America as it is now both embracing and unsure how to face an onslaught of Latino influence His book is the story of groups of Hispanic immigrants struggling to move beyond identity politics into a postmodern melting pot

Puerto Rican Syndrome Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Puerto Rican Syndrome free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Puerto Rican Syndrome free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Puerto Rican Syndrome free PDF files is convenient, its important

to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but it's essential to be cautious and verify the authenticity of the source before downloading Puerto Rican Syndrome. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether it's classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Puerto Rican Syndrome any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Puerto Rican Syndrome Books

1. Where can I buy Puerto Rican Syndrome books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Puerto Rican Syndrome book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.).
