Puerto Rican Women And Children Issues In Health Growth And Development:

Puerto Rican Women and Children Gontran Lamberty, Cynthia T. García Coll, 1994 Wide ranging lengthy collection of papers on Puerto Ricans on the mainland and the island includes Clara E Rodriguez's historical review of Puerto Rican immigration to the US Other chapters present information on Puerto Rican fertility the problem of AIDS bilingual education pediatric care a

Puerto Ricans in the United States María E. Pérez y González, 2000-08-30 Puerto Ricans in the United States begins by presenting Puerto Rico the land the people and the culture The island's invasion by US forces in 1898 set the stage for our intertwined relationship to the present day Pérez y González brings to life important historical events leading to immigration to the United States particularly to the large northeastern cities such as New York The narrative highlights Puerto Ricans adjustment and adaptation in this country through the media institutions language and culture A wealth of information is given on socioeconomic status including demographics employment education opportunities and poverty and public assistance The discussions on the struggles of this group for affordable housing issues of women and children particular obstacles to obtaining appropriate health care including the epidemic of AIDS and race relations are especially insightful The final chapter on Puerto Ricans impact on US society highlights their positive contributions in a wide range of fields

Annual Progress in Child Psychiatry and Child Development 1997 Margaret E. Hertzog, Ellen A. Farber, 1998 This volume traces the modern critical and performance history of this play one of Shakespeare's most loved and most performed comedies The essay focus on such modern concerns as feminism deconstruction textual theory and queer theory

Children of Color Hiram E. Fitzgerald, Barry M. Lester, 2019-09-16 By the year 2050 the population of the United States is projected to be approximately half white and half non white Yet the knowledge of child development within ethnic minority groups lags markedly behind knowledge of child development for white Americans and it is increasingly clear that the rich diversity within minority groups is masked by studies focusing on between group comparisons Children of Color Research Health and Public Policy Issues a collection of original essays brings together researchers from the fields of education family and child ecology nursing psychology sociology pediatrics anthropology and social work to explore the rich cultural familial and individual diversity of all ethnic minority groups The essays were generated by round table discussions sponsored by the Society for Research in Child Development and the Irving Harris Foundation and they cover a broad range of topics including immigration policy social policy health status of immigrant infants children and families and educational policies related to minority children

Culturally Diverse Parent-Child and Family Relationships Nancy Boyd Webb, 2001-07-10 In an increasingly diverse social environment misunderstandings often arise between practitioners in the helping professions and clients from different racial and ethnic backgrounds This book investigates the culturally specific beliefs and child rearing practices of five major racial ethnic groups African Americans Latinos Native Americans Asian Americans and European Americans Analyses of case vignettes illustrate the book's dual focus on the practitioners own views in addition to those of

their culturally diverse clients Guidelines offer suggestions for effective engagement and work with culturally diverse families

Historical Perspectives on Puerto Rican Survival in the U.S. Clara E. Rodriguez, 1996 The book continues to resonate with readers in part because it mirrors the experiences of other groups both past and more recent immigrant groups and in part because when the authors wrote their essays they spoke honestly about issues they cared about but others tended to ignore As the editors new introductions to each article indicate the anthology has also served as a spring from which other works have developed

Transcultural Nursing - E-Book Joyce Newman Giger, Linda Haddad, 2020-03-10 NEW co author Dr Linda Haddad is an internationally recognized cultural scholar who has taught nursing around the globe has acted as an advisor and coordinator for the World Health Organization and has published over 30 scholarly articles on nursing with a focus on understanding the cultural implication to care UPDATED Cultural chapters are completely revised to reflect the shifting experiences of cultural groups in our society

Children of Poverty Barry S. Zuckerman, Hiram E. Fitzgerald, Barry M. Lester, 2021-03-19 A collection of the Proceedings of a Society for Research in Child Development Round Table held in 1993 by the Society for Research in Child Development SRCD The intent of the round tables was to help chart the course for child development research health care and public policy for the next ten years The contributors believe the papers presented and the round table discussions along with their broader distribution in this volume do indeed offer useful insights and powerful guidance to researchers policy makers and practitioners and interventionists with a vast range of professional training

Latina Agency through Narration in Education Carmen M. Martinez-Roldan, 2021-02-15 Drawing on critical and sociocultural frameworks this volume presents narrative studies by or about Latinas in which they speak up about issues of identity and education Using narratives self identification stories and testimonios as theory methodology and advocacy this volume brings together a wide range of Latinx perspectives on education identity bilingualism and belonging The narratives illustrate the various ways erasure and human agency shape the lives and identities of Latinas in the United States from primary school to higher education and beyond in their schools and communities Contributors explore how schools and educational institutions can support student agency by adopting a transformative activist stance through curricula learning contexts and policies Chapters contain implications for teaching and come together to showcase the importance of explicit activist efforts to combat erasure and engage in transformative and emancipatory education

Transcultural Nursing Joyce Newman Giger, 2012-03-12 2010 census data is incorporated through the book to provide the most current analysis of demographic trends Completely revised cultural chapters reflect the shifting experiences of different cultural groups in our society NEW 6 additional cultural chapters on Nigerians Ugandans Jordanian Americans Cuban Americans Amish Americans and Irish Americans

 Annotation copyrighted by Book News Inc Portland OR **Cultures of Color in America** Sybil Lassiter, 1998-01-26 By the year 2000 more than one third of Americans will be persons of color and by 2050 non white persons will constitute 45% of the population Immigration from European countries has decreased but the number of migrants from countries of non white ancestry has increased Consequently many Americans are showing a growing interest in knowledge about the values and behaviors of their diverse associates This book offers an insight into the diverse lifestyles for some cultures of color in American society Although all members of these cultures may not identify themselves as persons of color the cultures were selected because they incorporate a significant number of non white individuals Each chapter presents an overview of a cultural group that includes a brief history migration trends traditional and modern family practices religious beliefs concepts about death and dying nutritional preferences health behaviors and diseases often found among its members The cultures discussed are Africans African Americans Alaskans Asians Haitians Hawaiians Native Americans Puerto Ricans and West Indians This book should be of interest to academics health care professionals sociologists clergy and laypersons Its goal is to alleviate fear and prejudice through informed understanding **Changing Race** Clara E. Rodríguez, 2000-07-01 An introduction to the dynamic complexity of American ethnic life and Latino identity Latinos are the fastest growing population group in the United States Through their language and popular music Latinos are making their mark on American culture as never before As the United States becomes Latinized how will Latinos fit into America's divided racial landscape and how will they define their own racial and ethnic identity Through strikingly original historical analysis extensive personal interviews and a careful examination of census data Clara E Rodríguez shows that Latino identity is surprisingly fluid situation dependent and constantly changing She illustrates how the way Latinos are defining themselves and refusing to define themselves represents a powerful challenge to America's system of racial classification and American racism *The Oxford Handbook of Poverty and Child Development* Valerie Maholmes, Rosalind B. King, Ph.D., 2012-05-21 Comprehensive and integrative The Oxford Handbook of Poverty and Child Development describes the contextual and social ecology of children living in poverty and illuminates the biological and behavioral interactions that either promote optimal development or that place children at risk of having poor developmental outcomes **Diversity Issues in Substance Abuse Treatment and Research** Sana Loue, 2007-06-02 Although the term diversity is widely used there is often no agreement as to its meaning or how attention to diversity should be operationalized within the context of programming or research This text provides a foundation for the examination of such issues with suggestions for the integration of various approaches into substance use treatment programs and research The impetus for this work derived from multiple interactions over a period of several years with colleagues's research participants and community based providers who noted the frequent inattention paid to such concerns in the context of treatment and research often despite an acknowledgment of a group's

particular historical legacy in the United States and the impact of that history on the initiation and prolongation of substance use within a specific community or the barriers to treatment that may have resulted Chapter 1 defines what is meant by diversity through an examination of related terms such as culture ethnicity race sex gender and sexual orientation Clearly this discussion does not and cannot reflect all possible permutations of human existence that reflect diversity For instance although the text does make mention of considerations related to religious differences and cognitive capacity neither is highlighted as a separate topic Additionally the emphasis on specific groups is not meant to imply that other groups such as Euro Americans or heterosexual men do not have concerns that may differ from those of other communities and that deserve consideration in the development and implementation of programs and research endeavors However trite it may seem one text cannot do it all **Challenging Fronteras** Mary Romero, Pierrette

Hondagneu-Sotelo, Vilma Ortiz, 2014-06-11 *Challenging Fronteras* reflects an important new wave of research that moves beyond sweeping generalizations that treat Latinos as a monolithic cultural group This anthology focuses on the diversity of Latino experiences by providing historical specificity and cutting edge research that employs the conceptual and analytical tools of social science Contributors selected from leading researchers in Latino Studies include Patricia Zavella Suzanne Oboler Alejandro Portes Clara Rodriguez Marta Tienda Nestor Rodriguez and others *Resources in Education*, 1995

Advances in Child Development and Behavior Robert V. Kail, 2003-10-02 *Advances in Child Development and Behavior* is intended to ease the task faced by researchers instructors and students who are confronted by the vast amount of research and theoretical discussion in child development and behavior The serial provides scholarly technical articles with critical reviews recent advances in research and fresh theoretical viewpoints Volume 31 discusses children's understanding of photographs as spatial and expressive representations school relationships and their influence on behavior literacy and the role of letter names emotion morality and self working memory in infancy differentiated sense of the past and the future cognitive flexibility and language abilities understanding children with medical and physical disorders bio ecological environment and development and early literacy *Bibliographie Internationale D'anthropologie Sociale Et Culturelle* 1994, 1995 The IBSS is the essential tool for librarians university departments research institutions and any public or private institution whose work requires access to up to date and comprehensive knowledge of the social sciences *Social Work Practice in Nontraditional Urban Settings* Melvin Delgado, 1999 The author suggests that many communities can be best served through their own already established recreational social and cultural centres and shows how professional social workers can use these non traditional settings bars beauty shops and bathhouses to reach out to the communities they are trying to help
