## **Puerto Rico:**

Puerto Rico Jorge Duany, 2017 Acquired by the United States from Spain in 1898 Puerto Rico has a peculiar status among Latin American and Caribbean countries As a Commonwealth the island enjoys limited autonomy over local matters but the U S has dominated it militarily politically and economically for much of its recent history Though they are U S citizens Puerto Ricans do not have their own voting representatives in Congress and cannot vote in presidential elections although they are able to participate in the primaries The island s status is a topic of perennial debate both within and beyond its shores In recent months its colossal public debt has sparked an economic crisis that has catapulted it onto the national stage and intensified the exodus to the U S bringing to the fore many of the unresolved remnants of its colonial history Puerto Rico What Everyone Needs to Know R provides a succinct authoritative introduction to the Island s rich history culture politics and economy The book begins with a historical overview of Puerto Rico during the Spanish colonial period 1493 1898 It then focuses on the first five decades of the U S colonial regime particularly its efforts to control local political and economic institutions as well as to Americanize the Island s culture and language Jorge Duany delves into the demographic economic political and cultural features of contemporary Puerto Rico the inner workings of the Commonwealth government and the island s relationship to the United States Lastly the book explores the massive population displacement that has characterized Puerto Rico since the mid 20th century Despite their ongoing colonial dilemma Jorge Duany argues that Puerto Ricans display a strong national identity as a Spanish speaking Afro Hispanic Caribbean nation While a popular tourist destination few beyond its shores are familiar with its complex history and diverse culture Duany takes on the task of educating readers on the most important facets of the unique troubled but much beloved isla del encanto Puerto Rico

Jorge Duany, 2017-02-01 Acquired by the United States from Spain in 1898 Puerto Rico has a peculiar status among Latin American and Caribbean countries As a Commonwealth the island enjoys limited autonomy over local matters but the U S has dominated it militarily politically and economically for much of its recent history Though they are U S citizens Puerto Ricans do not have their own voting representatives in Congress and cannot vote in presidential elections although they are able to participate in the primaries The island s status is a topic of perennial debate both within and beyond its shores In recent months its colossal public debt has sparked an economic crisis that has catapulted it onto the national stage and intensified the exodus to the U S bringing to the fore many of the unresolved remnants of its colonial history Puerto Rico What Everyone Needs to Know provides a succinct authoritative introduction to the Island s rich history culture politics and economy The book begins with a historical overview of Puerto Rico during the Spanish colonial period 1493 1898 It then focuses on the first five decades of the U S colonial regime particularly its efforts to control local political and economic institutions as well as to Americanize the Island s culture and language Jorge Duany delves into the demographic economic political and cultural features of contemporary Puerto Rico the inner workings of the Commonwealth government and the

island's relationship to the United States. Lastly, the book explores the massive population displacement that has characterized Puerto Rico since the mid 20th century. Despite their ongoing colonial dilemma, Jorge Duany argues that Puerto Ricans display a strong national identity as a Spanish-speaking Afro-Hispanic Caribbean nation. While a popular tourist destination, few beyond its shores are familiar with its complex history and diverse culture. Duany takes on the task of educating readers on the most important facets of the unique, troubled but much beloved *isla del encanto*.

**Puerto Rico and Other Outlying Areas** Jonatha A. Brown, 2005-12-15 Provides an in-depth and comprehensive portrait of Puerto Rico including its history, people, land, economy, and government.

Islands of Resistance Mario Murillo, 2001-05-01 While 1998 marked the 100th anniversary of the United States invasion and takeover of Puerto Rico, it wasn't until 1999 that the island's political movements reappeared on the radar screen of the American people. That year, two major developments occurred that transformed the relationship between Puerto Rico and Washington, D.C.: the limited clemency granted by then President Clinton to eleven Puerto Rican Nationalists and the death of Puerto Rican civilian security guard David Sanes, killed by missile fragments from U.S. naval bombing tests on the island municipality of Vieques. How does Vieques fit into the political future of Puerto Rico? While anti-Navy protesters are careful not to mix the island's political status options with their battle against the Navy, it is important to understand the role Washington has played in shaping Puerto Rico's current reality and how it has allowed the Navy to use Vieques as a bombing range for 60 years. It also helps one begin to predict what is the future of Puerto Rico: Is it to be a colony, Fifty-first state of the United States, Sovereign nation?

In *Islands of Resistance*, Mario A. Murillo approaches these questions by examining how Puerto Rican politics have been shaped as much by 100 years of U.S. economic, military, and cultural domination of the territory as by the enduring grassroots resistance of the Puerto Rican people. *Islands of Resistance* puts the contemporary situation in Puerto Rico into an historic context that will help people understand what is at stake in Vieques, not only for Viequesenses but for Puerto Ricans both on the island and in the diaspora.

*Puerto Rico* Maria DaSilva-Gordon, 2010-08-15 This book chronicles Puerto Rico's history and diverse culture, including its residents, industries, and arts. Sidebars impart interesting tidbits, and maps provide a thorough topical view.

**Status of Puerto Rico** United States-Puerto Rico Commission on the Status of Puerto Rico, 1966

**Living with the Puerto Rico Shore** David M. Bush, 1995 In this, the eighteenth title in Duke University Press's *Living With the Shore* series, the authors present a user's guide to the coastal zone of Puerto Rico. Presenting a geological appraisal of the history, dynamics, and hazards of the island's coastline, *Living With the Puerto Rico Shore* is the first in the series to examine a tropical region and the first to examine an area outside the continental United States. The book provides detailed descriptions of the entire shoreline, noting the specific coastal hazards of each coastal reach. These hazards include coastal erosion, storm surge, flooding, and potential damage from earthquakes. Where high-density development or significant roads and utilities are particularly at risk, these are also noted. The effects that sand mining, seawalls, jetties, and other attempts at coastal

engineering have had on the island are examined Finally the authors discuss historical and legal aspects of coastal planning in Puerto Rico presenting guidelines for selecting building sites Of interest to all concerned with protecting our shores and beaches and useful to the coastal planner and manager Living With the Puerto Rico Shore contains an extensive bibliography and a list of agencies involved in coastal issues [Status of Puerto Rico](#) United States-Puerto Rico Commission on the Status of Puerto Rico,1975 **Puerto Rico Past and Present** Serafín Méndez-Méndez,Ronald Fernández,2015-07-14 Recently revised to include the latest current events this classic reference presents the historical social political and cultural aspects of Puerto Rico Puerto Rico an island rich with culture and national pride continues to inspire debate over its designation as a commonwealth of the United States This updated edition of a popular encyclopedia captures important historical social political and cultural developments of the oldest colony in the world up to and including the region s current status in relation to the United States The fascinating work is full of facts figures and narratives of the struggles achievements and creations of the Puerto Rican people Essays highlight the area s economy geography religion education language radio television social media and films A focus on the contributions of key historical figures showcase the stories of Ramon Power y Giralt the first envoy to the Spanish Courts and Juan Mari Br s founder of the Puerto Rican Socialist Party among others The second edition features recent developments in the commonwealth including the election of its first female governor the introduction of the first sales tax and the financial crisis that shut down schools **Political Status of Puerto Rico** United States. Congress. Senate. Committee on Energy and Natural Resources,1989 **Culture and Customs of Puerto Rico** Javier A. Galván,2009-03-20 This exciting addition to the Culture and Customs of Latin America and the Caribbean series provides readers with an all encompassing look at contemporary life in Puerto Rico Having always been under the watchful eyes of other colonies and countries Puerto Rico s own customs and traditions have managed to flourish throughout the ages culturally uniting what is a politically divided island In addition to gaining an understanding of Puerto Rico s political relationship with the continental United States students can explore extensive narrative chapters that cover contemporary religion cuisine sports media cinema literature performing arts and visual arts An essential for high school and public library shelves Culture and Customs of Puerto Rico is the perfect research resource for students and general readers This exciting addition to the Culture and Customs of Latin America and the Caribbean series provides readers with an exhaustive look at contemporary life in Puerto Rico Having always been under the watchful eyes of other colonies and countries Puerto Rico s own customs and traditions have managed to flourish throughout the ages culturally uniting what is a politically divided island In addition to gaining an understanding of Puerto Rico s political relationship with the continental United States students can explore the small island nation s history with Spain during the colonial era This fascinating volume provides illustrative narrative chapters on religious practices in Puerto Rico as well as religious and secular festivals Social customs such as sports cuisine gender issues family values and nightlife are discussed in depth Extensive coverage on the media
