steady tick of an aged Regulator wall clock and the squeak of an overhead fan turning slowly are soft but insistent counting down the night while the high desert thrums like a half remembered Victrola song The sounds are below the consciousness of Winchell Dear an old time gambler a Texas poker player on the southern circuit as he waits for something something vague that his life of chance tells him is evil and moving his way He has gassed and oiled the Cadillac and adjusts the pistol in his right boot then plays one of the six fiddle tunes he knows thinking back to his good days with Lucinda Miller Alone he waits in his remote ranch house while just outside an acquaintance named Luther hunts unblinking and of nervous temperament and moving through yellow primrose bending in the night wind In Diablo Canyon a distant part of Winchell Dear s ranch Peter Long Grass squats by a campfire contemplating the profile he saw moving along the ridge of Guapa Mountain an hour ago thinking about the gambler s housekeeper Sonia Dominguez about the small quiet world he has fashioned far from civilization and what undefined presence might now be threatening it He gathers his tools and begins to run across the desert floor And boring toward all of them is a cream colored Lincoln Continental with two men aboard Traveling from Los Angeles on a mission they ve been given they are professionals cool and implacable at the start but becoming steadily more confused by the strange landscape they are passing through Forty minutes from their task they ready themselves while a kitchen wall clock ticks its way through the long night of Winchell Dear The Long Night of Winchell Dear finds master storyteller Robert James Waller at his best as he takes us through the wind and dust of the high desert mountains into the shadowy world of high stakes poker fought in the back rooms of Amarillo and Little Rock and headlong toward the book s stunning finale of chaotic terror where an unexpected hero emerges **High Plains Tango** Robert James

Waller, 2005-06-28 With over 10 million copies sold bestselling author Robert James Waller returns with the haunting evocative story of a small town a beautiful and mysterious woman and the man forever changed by both The wild places are where no one is looking anymore Out there on the high plains among the Sioux reservations and the silent buttes among the small towns dying and the people with them you can hear the wind And on the back of the wind is the sound of an old accordion tangos mingling with the lonely thump of a single drum in the nighttime and a far off warrior s cry On the back of the wind is the smell of worn saddle leather and sawdust of sandalwood and smoke from ancient ceremonial fires To this to a town called Salamander comes Carlisle McMillan a traveler and master carpenter seeking a place of quiet amid the grinding roar of progress Near Wolf Butte a strange and apparently haunted monolith he finds his quiet or so he believes and begins rebuilding a decrepit house as a tribute to the gruff old man who taught him a carpenter s skills rebuilding his life at the same time He finds two very different independent women Gally Deveraux who works at a diner in Salamander and longs for something more than she is and Susanna Benteen beautiful and enigmatic who was drawn to Salamander for mysterious reasons of her own a woman the town has labeled a witch The women and his carpenter s trade and an old Indian known as Flute Player bring Carlisle a sense of contentment for a while But his quiet is shattered as bulldozer treads begin to turn and

the Yerkes County War commences Run or stand your ground that is Carlisle's dilemma Gally on one side Susanna on the other Robert James Waller's fully imagined characters become people we know and care for deeply High Plains Tango is the hauntingly lyrical story of a small town in the middle of nowhere a town that forever changed and was forever changed by one man

Giant Country Don Graham, 2013-05-31 In Giant Country Don Graham brings together a collection of lively absorbing essays written over the past two decades The collection begins with a twist on book introductions that sets the tone for the essays to come a self interview conducted poolside at an eccentric Houston motel favored by regional rock bands Over pi a coladas the author works on his tan and discusses timeless Texas themes the transition of the state from a rural to an urban world the sense of a vanishing era and the way that artists in literature and film represent a state both infectiously grand and too big for its britches In Fildelphia Story Graham remembers his Ivy League professorial stint in a city the small town Texan who rented him a moving van looked up under F In Doing England the Lone Star Yankee courts Oxford University and returns with a veddy British education In The Ground Sense Necessary a native son journeys inward to explore the dry ceremonies of frontier Protestantism and to recount movingly his father's funeral in Collin County With his wide ranging knowledge of classic regional works Graham unerringly traces the style and substance of local literary giants and offers a sometimes irreverent but always entertaining look at the Texas triumvirate of Dobie Webb and Bedichek Other essays look at such Texas greats as Katherine Anne Porter George Sessions Perry William Humphrey and John Graves In a section he calls Polemics Graham includes his best known essays Palefaces vs Redskins a sardonic survey of the Texas literary landscape and Anything for Larry a tour de force that has already become a minor classic The essay weighs the puny financial achievements of Graham against those of mega author Larry McMurtry and never fails to bring down the house when Graham gives a public reading A recognized authority on celluloid Texas Graham provides a rich sampling of his knowledge of Texas movies in pieces that blanket the territory from moo cow cattle drive epics to soggy Alamo sagas to urban cowboy melodramas In the larger than life state that is Texas nobody sizes up the Lone Star mythos its interpreters boosters and detractors better than Don Graham

Less Translated Languages Albert Branchadell, Lovell Margaret West, 2005-01-27 This is the first collection of articles devoted entirely to less translated languages a term that brings together well known widely used languages such as Arabic or Chinese and long neglected minority languages with power as the key word at play It starts with some views on English the dominant language in Translation as elsewhere considers the role of translation for minority languages both a source of inequality and a means to overcome it takes a look at translation from less translated major languages and cultures and ends up with a closer look at translation into Catalan a

paradigmatic case of less translated language in a final section that includes a vindication of six prominent Catalan translators Combining sound theoretical insight and accurate analysis of relevant case studies the contributors to this collection make a convincing case for a more thorough examination of less translated languages within the field of Translation Studies *The Summer Nights Never End...
