Puligny Montrachet Journal Of A Village In Burgundy:

Puligny-Montrachet Simon Loftus,1993 What Simon Loftus does in this captivating story of a Burgundy village is to explore the mystery of how seven and a half acres of impoverished soil became the most precious agricultural land on earth producing the grandest of all white wines Puligny Montrachet He immerses us first in the village s colorful history its ancient rivalries and political intrigues Then he takes us behind the shuttered windows of Puligny Montrachet today a sleepy village of only five hundred inhabitants mostly immigrants with only a few of the old families remaining We meet the butcher the baker the bookbinder the mayor the chambermaid and of course the vigneron from the small growers cultivating a few rows of vines to the owners of all the best Domaines Even as we come to understand how the sense of community in Puligny is eroding Loftus with his intense passion for the place and the people who are its lifeblood makes us revel in the rhythms of the agricultural year the bonfires of the winter prunings the harvest when pickers invade the land and tractors roar through the narrow streets to transport the grapes to the cellars and the heady celebrations when the new wine is tasted Through it all Loftus with his wine merchant s expertise makes us see how all the elements soil sub soil drainage exposure to sun converge to create the perfect environment for the vineyards and how the grapes are transformed through human hands into the final treasured product Each vintage becomes what he calls an intense but elusive testimony to the place And so is this enchanting journal It is a book you will savor like a splendid glass of Puligny Montrachet relishing every nuance of flavor and cherishing the memory it leaves imprinted on the senses

The Story of Prosecco Superiore Susan H. Gordon, 2024-02-15 Why is Prosecco so popular In the United States Prosecco is now a household word Throughout the world Prosecco bottles sell at twice the rate of Champagne s even during a pandemic Although the comparison with Champagne the great sparkling wine of northern France often erroneously used as synonym of sparkling wine is a common one it is not immediately obvious why it should be This story of Prosecco Superiore sparkling Prosecco grown in two small hilly historic zones of the ancient Venetian Republic s interior lands shows them as uniquely Italian sparkling wines tracing them to those hills at the second half of the 19th century time of uprisings that would oust Napoleon s France and the Habsburgs Austria and lead to the creation of an Italian nation Among the many who fought to make an Italy was a pharmaceutical student born four decades after the fall of Venice local chemist follower of ardent Italian insurgent Giuseppe Mazzini Garibaldian soldier winemaker writer inventor cheerful and optimistic if informal politician Antonio Carpen founder of the oldest Prosecco winery and who created these wines prototype a century before materials such as stainless steel would finally exist to make them possible To tell the science and history of the making of Prosecco Superiore its roots in Italian languages and cultures and in the lives and sounds of those hills of the Veneto s upper Marca Trevigiana long celebrated as sites of the top Prosecco vineyards this book is written in a style that leads readers to

unfamiliar places so that they might move richly and daringly through 150 years of Prosecco's landscape. The story moves through Carpen's days and follows his work into the mid 20th century as modern Prosecco began its rise, then into the 21st as farmers and scientists work Prosecco Superiore's culture of hills and ingenuity into new blends of complexity, technology, and artisanship. Built on intensive and as appropriate to wine, wide-ranging research, this story is both an imaginative and personal telling of the histories, methods, and places of Prosecco Superiore and a reader's guide to wonder and wandering, acts well suited to both the enjoyment and the effects of Italy's most important sparkling wines. *Le Domaine de la Romanee-Conti* Gert Crum, Michael Broadbent, 2006-10-06. Le Domaine De La Romanee Conti centers around the most mythical Burgundy wines. This sumptuous and classy publication outlines the history as well as the reputation and grandeur of this wine and pays tribute to the Domaine itself. **Decanter**, 1999. **Wayward Tendrils Quarterly**, 2001. **The Oxford Companion to Wine** Jancis Robinson, Julia Harding, 2015. This wine book provides comprehensive coverage on all aspects of wine making and puts wine making and wine drinking into historical perspective.
