Engage readers with the story of a trip to the pumpkin patch Readers are introduced to fun fall activities at the pumpkin patch such as face painting hayrides and pumpkin picking and carving Additional features include a table of contents phonetic glossary index and sources for further research A kid friendly project inspires creativity and hands on fun      **The Pumpkin Patch** Margaret McNamara,2003-09 Text and photographs describe the activities in a pumpkin patch as pink colored seeds become fat pumpkins ready to be carved into jack o lanterns      **The Phantom of the Pumpkin Patch** Drac Von Stoller,2024-09-07 The Miller family was all smiles as they drove down the winding dirt road that led to their pumpkin patch It was Halloween day and the crisp autumn air was filled with the promise of fun costumes and candy This year they d decided to take a different approach to their Halloween festivities Instead of just buying pumpkins from the local market they d planted their own patch on their farm I can t believe we actually did this Susan Miller exclaimed her eyes sparkling with excitement This is going to be the best Halloween ever Her husband Jake chuckled I m just hoping we don t end up with a bunch of tiny misshapen pumpkins As they pulled into the driveway Susan s eyes widened Oh my gosh look at them They re huge The pumpkins were indeed impressive They were a deep orange hue with smooth unblemished skins As they walked through the patch Susan and Jake couldn t help but feel a sense of pride They d worked hard to cultivate these pumpkins and it was rewarding to see them thriving Little did they know their joy was about to be shattered That night as they were preparing to carve their pumpkins they heard a strange noise coming from the patch It was a low guttural growl that seemed to come from deep underground Jake grabbed a flashlight and ventured out to investigate As he approached the patch the growling intensified He shone the flashlight around but there was nothing to be seen Just as he was about to give up he noticed a small mound of dirt that had been disturbed He knelt down and began to dig To his horror he uncovered a wooden coffin It was old and weathered and the lid was slightly ajar Inside he saw the skeletal remains of a man A chill ran down his spine as he realized that he had disturbed a grave Jake scrambled back to the house and told Susan what he had found She was terrified but she also felt a sense of guilt They had planted their pumpkin patch on top of a grave and now they were being haunted by the spirit of the deceased That night strange things began to happen The pumpkins would mysteriously disappear only to reappear the next morning with strange carved symbols on their skins The Miller family heard eerie whispers in the night and they felt a cold draft that seemed to come from nowhere As Halloween approached the haunting grew more intense The Millers were terrified but they knew they couldn t simply abandon their home They had to confront the phantom and find a way to make peace with it One night as they were sitting by the fireplace they heard a knock on the door When they opened it they found a tall shadowy figure standing on the porch It was the phantom You have disturbed my peace the phantom s voice echoed through the house You have desecrated my grave Susan and Jake felt a wave of fear wash

over them They knew they had done wrong and they were prepared to face the consequences We re sorry Susan whispered We didn t know You must leave the phantom said Leave this place and never return The Millers knew they had no choice They packed their belongings and left the farm that night As they drove away they looked back at the pumpkin patch The pumpkins were still there but they seemed to be glowing with an eerie otherworldly light The phantom of the pumpkin patch had claimed its victims and the Miller family would never forget the terrifying Halloween they had spent in that haunted place But the story didn t end there As the Millers drove away from their farm they felt a strange pull an inexplicable urge to turn back It was as if invisible tendrils were reaching out from the pumpkin patch wrapping around their minds and tugging them back towards the horror they had just escaped Jake gripped the steering wheel tighter his knuckles turning white We can t go back he muttered more to himself than to Susan We can t Susan nodded her face pale in the dim light of the dashboard I know but I can t shake this feeling It s like we ve left something behind
