The Palgrave Handbook of Prison Ethnography Deborah H. Drake, Rod Earle, J. Sloan, 2016-01-12 The Palgrave Handbook of Prison Ethnography provides an expansive overview of the challenges presented by qualitative and particularly ethnographic enquiry The chapters reflect upon the means by which ethnographers aim to gain understanding make sense of what they learn and the way they represent their finished work The Handbook offers urgent insights relevant to current trends in the growth of imprisonment worldwide In an era of mass incarceration human centric ethnography provides an important counter to quantitative analysis and the audit culture on which prisons are frequently judged The Handbook is divided into four parts Part I About Prison Ethnography assesses methodological theoretical and pragmatic issues related to the use of ethnographic and qualitative enquiry in prisons Part II Through Prison Ethnography considers the significance of ethnographic insights in terms of wider social or political concerns Part III Of Prison Ethnography analyses different aspects of the roles ethnographers take and how they negotiate their research settings Part IV For Prison Ethnography includes contributions that convincingly extend the value of prison ethnography beyond the prison itself Bringing together contributions by some of the world's leading scholars in criminology and prison studies this authoritative volume maps out new directions for future research It will be an indispensable resource for practitioners students academics and researchers who use qualitative social research methods to further their understanding of prisons

At the Cross Melynda J. Price, 2015-07-01 Curing systemic inequalities in the criminal justice system is the unfinished business of the Civil Rights movement No part of that system highlights this truth more than the current implementation of the death penalty At the Cross tells a story of the relationship between the death penalty and race in American politics that complicates the common belief that individual African Americans especially poor African Americans are more subject to the death penalty in criminal cases The current death penalty regime operates quite differently than it did in the past The findings of this research demonstrate the racial inequity in the meting out of death sentences has legal and political externalities that move beyond individual defendants to larger numbers of African Americans At the Cross looks at the meaning of the death penalty to and for African Americans by using various sites of analysis Using various sites of analysis Price shows the connection between criminal justice policies like the death penalty and the political and legal rights of African Americans who are tangentially connected to the criminal justice system through familial and social networks Drawing on black politics legal and political theory and narrative analysis Price utilizes a mixed method approach that incorporates analysis of media reports capital jury selection and survey data as well as original focus group data As the rates

of incarceration trend upward Black politics scholars have focused on the impact of incarceration on the voting strength of the black community Local and even regional narratives of African American politics and the death penalty expose the fractures in American democracy that foment perceptions of exclusion among blacks

Therapeutic Community for Women Prisoners Elaine Player, Elaine Genders, 2025-09-02 Based upon an extensive empirical study of a democratic therapeutic community for women serving long and medium sentences this book explores the opportunities it provided for restorative rehabilitation In so doing it identifies some of the interconnected ways in which these ambitions are undermined by pervasive yet often tacit assumptions that underly penal policies and practices Drawing on a wealth of data gathered from a study spanning a period of eighteen years at the only democratic therapeutic community for women prisoners in the UK the book highlights how feminist criminology has revealed an invidious history of women s treatment in prison demonstrating how reformist and rehabilitative interventions have reproduced and exacerbated existing states of inequality and oppression Consequently the question explored in this book is whether a proportionate sentence that imposes a loss of liberty is inevitably destined to this fate or whether it can be constructed in ways that are progressive and transformative By identifying and understanding some of the interconnected ways in which progressive efforts have typically been undermined it opens a debate about the insinuation of certain often unspoken assumptions that underly penal policies and practices and the need for their deconstruction It opens an axiomatic debate about how women imprisoned for serious offences might have that loss of liberty interpreted to facilitate a restorative reparative and reintegrative process of rehabilitation informed by principles of social justice This book will be of great interest to students and scholars of criminology feminist studies public policy and human rights It will also be of value to policymakers and practitioners in women s prisons and psychologists and psychiatrists interested in therapeutic communities
