**A Compulsion to Kill** Robert Cox,2014-08-21 The latest work from acclaimed historical author Robert Cox A Compulsion to Kill is a dramatic chronological account of 19th century Tasmanian serial murderers Never before revealed in such depth the story is the culmination of extensive research and adept craftsmanship as it probes the essence of both the crimes and the killers themselves Beginning in 1806 with Australia s first serial killers John Brown and Richard Lemon A Compulsion to Kill recounts the stories of Alexander Pearce the cannibal convict Thomas Jeffrey a sadist sexual predator cannibal and baby killer known as the monster Charles Routley who burnt one of his victims alive cannibal convicts Broughton and McAvoy Rocky Whelan who in twenty four days slew five men in cold blood and John Haley who killed three people in fits of rage The final chapter investigates the still unsolved Parkmount murders three killings for which the two probable culprits twice faced court only to be discharged due to faulty police investigation and neglected evidence Most of these stories have never been told before and none has previously been related with such detail and verifiable accuracy A determined storyteller Cox delivers a supremely dramatic page turner in the true crime genre The book includes extensive references and an index      **The Fatal Shore** Robert Hughes,1988-02-12 NATIONAL BESTSELLER This incredible true history of the colonization of Australia explores how the convict transportation system created the country we know today One of the greatest non fiction books I ve ever read Hughes brings us an entire world Los Angeles Times Digging deep into the dark history of England s infamous efforts to move 160 000 men and women thousands of miles to the other side of the world in the eighteenth and nineteenth centuries Hughes has crafted a groundbreaking definitive account of the settling of Australia Tracing the European presence in Australia from early explorations through the rise and fall of the penal colonies and featuring 16 pages of illustrations and 3 maps The Fatal Shore brings to life the history of the country we thought we knew      **An Uneasy Relationship** Maev O'Collins,2010-11-01 The situation of Norfolk Island as a territory of the Commonwealth of Australia is one of the historical anomalies in governance which has persisted since 1914 It reflects the direct historical linkages between the British Crown and those Norfolk Islanders who were descendants of Pitcairn Islanders of Mutiny on the Bounty fame Yet once Federation was in the wind the British Government against the expressed wishes of the Norfolk Island community sought to divest itself of all responsibility for Norfolk Island There is a curiously Yes Minister quality about the negotiations which lead to the final take over by Australia and the appointment of the first Commonwealth Administrator of Norfolk Island The direct involvement of Atlee Hunt then Secretary of the Department of External Affairs eventually ensured the appointment of Michael Vincent Murphy In order to achieve this end Hunt had to fend off other applicants who were busy ingratiating themselves with the Minister for External Affairs Patrick McMahon Glynn and the then Prime Minister Joseph Cook This is essentially a study of the relationships between governors politicians public servants and

community leaders during the years which followed the take over of Norfolk Island and of the struggle of one Norfolk Islander Charles Chase Ray Nobbs against Australian administrative authority      An Unruly Child Bruce Kercher, 2020-07-23 This is a provocative re examination of our legal history appearing at a time when Australians are reconsidering both their past and their future The Hon Justice Michael Kirby AC CMG President of the New South Wales Court of Appeal The imperial view of Australian law was that it was a weak derivative of English law In *An Unruly Child* Bruce Kercher rewrites history He reveals that since 1788 there has been a contest between the received legal wisdom of Mother England and her sometimes unruly offspring The resulting law often suited local interests but was not always more just Kercher also shows that law has played a major role in Australian social history From the convict settlements and the Eureka stockade in the early years to the Harvester Judgement the White Australia Policy and most recently the Mabo case central themes of Australian history have been framed by the legal system *An Unruly Child* is a groundbreaking work which will influence our understanding of Australia s history and its legal system      *A Concise History of Australia* Stuart Macintyre, 2009-06-29 Australia is the last continent to be settled by Europeans but it also sustains a people and a culture tens of thousands years old For much of the past 200 years the newcomers have sought to replace the old with the new This book tells how they imposed themselves on the land and brought technology institutions and ideas to make it their own It relates the advance from penal colony to a prosperous free nation and illustrates how as a nation created by waves of newcomers the search for binding traditions was long frustrated by the feeling of rootlessness until it came to terms with its origins The third edition of this acclaimed book recounts the key factors social economic and political that have shaped modern day Australia It covers the rise and fall of the Howard government the 2007 election and the apology to the stolen generation More than ever before Australians draw on the past to understand their future      *Framing the Penal Colony* Sophie Fuggle, Charles Forsdick, Katharina Massing, 2023-02-20 This book examines the representation of penal colonies both historically and in contemporary culture across an array of media Exploring a range of geographies and historical instances of the penal colony it seeks to identify how the penal colony as a widespread phenomenon is as much imagined and creatively instrumentalized as it pertains to real sites and populations It concentrates on the range of media produced in and around penal colonies both during their operation and following their closures This approach emphasizes the role of cross disciplinary methods and approaches to examining the history and legacy of convict transportation prison islands and other sites of exile It develops a range of methodological tools for engaging with cultures and representations of incarceration detention and transportation The chapters draw on media discourse analysis critical cartography museum and heritage studies ethnography architectural history visual culture including film and comics studies and gaming studies It aims to disrupt the idea of adopting linear histories or isolated geographies in order to understand the impact and legacy of penal colonies The overall claim made by the collection is that understanding the cultural production associated with this global

phenomenon is a necessary part of a wider examination of carceral imaginaries or penal spectatorship Brown 2009 past present and future It brings together historiography criminology media and cultural studies **The Colonial Earth** Tim Bonyhady,2003-04-01 Using the work of great Australian painters and poets as an entry point this cultural study counters the popular myth that early colonial settlers were environmentally irresponsible and offers both aesthetic and historical evidence that suggests nature always figured prominently in the Australian national consciousness Preserving endangered species protecting forests maintaining public land rights and staving off climate change were at issue in the first environmental law of Australia enacted in 1788 Parliamentary debates personal observations and artistic renderings explore the texture and dimensions of early Australian environmentalism *The Europeans in Australia* Alan Atkinson,2016-07-01 It is the duty of historians to be wherever they can accurate precise humane imaginative using moral imagination above all and even handed Alan Atkinson The second of three volumes of the landmark award winning series *The Europeans in Australia* gives an account of early settlement by Britain It tells of the political and intellectual origins of this extraordinary undertaking that began during the 1780s a decade of extraordinary creativity and the climax of the European Enlightenment Volume Two Democracy takes the story from around 1815 to the early 1870s By exploring the nineteenth century communications revolution Atkinson casts new light on the way Australia first found its place in a global world This volume is more than a story of geography and politics It describes the way people thought and felt Throughout the trilogy Atkinson traces subtle and sudden shifts of common imagination by analysing the lives of both powerful and ordinary Australians He sets out the ideas and the imagery that moved and marked the people This book like all his work is grounded in thorough and rigorous scholarship yet imbued with compassion and insight Written from the inside it is as he says history caught up with the flesh and memory it describes The culmination of an extraordinary career in the writing and teaching of Australian history *The Europeans in Australia* grapples with the Australian historical experience as a whole from the point of view of the settlers from Europe Ambitious and unique it is the first such large single author account since Manning Clark's *A History of Australia* **Empire of Hell** Hilary M. Carey,2019-03-14 Challenges preconceptions of convict transportation from Britain and Ireland penal colonies and religion **Australia's Birthstain** Babette Smith,2011-03-04 Why is it that Australians are still misled by myths about their convict heritage Why are so many family historians surprised to find a convict ancestor in their family trees Why did an entire society collude to cover up its past Babette Smith traces the stories of hundreds of convicts over the 80 years of convict transportation to Australia *Asia and Oceania* Trudy Ring,Noelle Watson,Paul Schellinger,2012-11-12 From the Taj Mahal to the Parthenon from Gettysburg to Heidelberg from Beacon Hill to Tower Hill from the Great Wall to Hadrian's Wall from Jerusalem to Kyoto the *International Dictionary of Historic Places* presents some 1 000 comprehensive and fully illustrated histories of the most famous sites in the world Entries include location description and site office details and a 3 000 to 4 000 word essay that provides a full history of the site and the condition of the site

today An annotated Further Reading list of books and articles about the site completes each entry      *Contemporary Art and Unforgetting in Colonial Landscapes* Kate McMillan,2019-07-22 This book explores the work of artists based in the global south whose practices and methods interrogate and explore the residue of Empire In doing so it highlights the way that contemporary art can assist in the un forgetting of colonial violence and oppression that has been systemically minimized The research draws from various fields including memory studies postcolonial and decolonial strategies of resistance activism theories of the global south the intersection between colonialism and the Anthropocene as well as practice led research methodologies in the visual arts Told through the author s own perspective as an artist and examining the work of Julie Gough Yuki Kihara Megan Cope Yhonnie Scarce Lisa Reihana and Karla Dickens the book develops a number of unique theories for configuring the relationship between art and a troubled past      **Extinct Birds** Julian P. Hume,2017-08-24 A comprehensive review of the hundreds of bird species that have become extinct over the last 1 000 years of habitat degradation over hunting and rat introduction Extinct Birds has become the standard text on this subject covering both familiar icons of extinction as well as more obscure birds some known from just one specimen or from travellers tales This second edition is expanded to include dozens of new species as more are constantly added to the list either through extinction or through new subfossil discoveries The book is the result of decades of research into literature and museum drawers as well as caves and subfossil deposits which often reveal birds long gone that disappeared without ever being recorded by scientists while they lived From Great Auks Carolina Parakeets and Dodos to the amazing yet almost completely vanished bird radiations of Hawaii and New Zealand via rafts of extinction in the Pacific and elsewhere this book is both a sumptuous reference and astounding testament to humanity s devastating impact on wildlife      Penal Culture and Hyperincarceration Chris Cunneen,Eileen Baldry,David Brown,Mark Brown,Melanie Schwartz,Alex Steel,2016-05-13 What are the various forces influencing the role of the prison in late modern societies What changes have there been in penalty and use of the prison over the past 40 years that have led to the re valorization of the prison Using penal culture as a conceptual and theoretical vehicle and Australia as a case study this book analyses international developments in penalty and imprisonment Authored by some of Australia s leading penal theorists the book examines the historical and contemporary influences on the use of the prison with analyses of colonialism post colonialism race and what they term the penal colonial complex in the construction of imprisonment rates and on the development of the phenomenon of hyperincarceration The authors develop penal culture as an explanatory framework for continuity change and difference in prisons and the nature of contested penal expansionism The influence of transformative concepts such as risk management the therapeutic prison and preventative detention are explored as aspects of penal culture Processes of normalization transmission and reproduction of penal culture are seen throughout the social realm Comparative contemporary and historical in its approach the book provides a new analysis of penalty in the 21st century      Turning Points in Australian

History Martin Crotty, David Andrew Roberts, 2009 This exciting and stimulating book looks back at turning points and crucial moments in Australian history Rather than arguing that there have been forks on a pre determined road the book challenges us to think about other paths or better paths that might have led to different outcomes **Britain's Empire** Richard

Gott, 2022-01-04 A magisterial history of resistance to the rising of the British empire As the call for a new understanding of our national history grows louder Britain's Empire turns the received imperial story on its head Richard Gott recounts the long overlooked narrative of resisters revolutionaries and revolvers who stood up to the might of the Empire In a story of almost continuous colonialist violence Britain's crimes unspool from the beginning of the eighteenth century to the Indian Mutiny spanning the globe from Ireland to Australia Capturing events from the perspective of the colonised Gott unearths the all but forgotten stories excluded from mainstream histories **The Patriots** Vivian Stuart, 2023-06-14 The fifteenth book in the dramatic and intriguing story about the colonisation of Australia a country made of blood passion and dreams After being accused of high treason Michael Wexford seeks revenge upon those who took everything from him It is 19th century Australia Irishman Michael Wexford is unravelling his existence in the penal colonies after defying the justice system Considered a criminal beyond reform or redemption Michael plots his revenge Meanwhile siblings Kitty and Patrick Cadogan venture out to the Norfolk Island in search of their brother praying that he is not the miscreant everyone makes him out to be

**Debt, Seduction, and Other Disasters** Bruce Kercher, 1996 Based on a detailed study of Australia's earliest civil court records a million handwritten words about daily life and trade Debt Seduction and Other Disasters covers the turbulent years in the penal colony This was a period when starvation was barely averted emancipated convicts contended with one another to become wealthy through trade and Aborigines fought for their land Soldiers and governors struggled for power culminating in the overthrow of Governor Bligh the only military coup on Australian soil In this important and entertaining book Kercher shows the remarkable egalitarianism of life in the colony even for serving convicts and married women discusses the invention and legal consequences of tickets of leave and the central role of law in creating the local version of freedom reveals details of daily social and economic life unavailable elsewhere the seduction cases and sexual scandals details of the wheat farm at Woolloomooloo the problems of the grain growers at the Hawkesbury provides unique information about working conditions of convicts the seal killers in New Zealand and Macquarie Island sailors the very few Aborigines who worked alongside Europeans details the first case in Australia in which an Aborigine sued he lost the first recorded sale of a wife at Windsor in 1811 sale void the case in which Mary Reibey was alleged to have blown up the bakery next door she won the sharp practices of Tommy the Banker Dick the Needle and the petty bankers who deliberately wrote their documents in fading ink describes the lives of the convict women who lived with officers but were abandoned explodes the myth that rum was a major currency and explains the use of alternative currencies such as wheat and establishes the crucial role of pigs in town life
