## Punto Y Aparte:

*Punto Y Aparte* Sharon W. Foerster, Fatima Alphonso-Pinto, Anne Lambright, Fátima Alfonso-Pinto, 1998-08 Punto y aparte comes from the Spanish expression used to indicate the beginning of a new paragraph In the context of this book it implies a new experience in Spanish for students as they move toward a high level of discourse and Spanish proficiency Punto y aparte focuses on and recycles seven major communicative functions throughout describing comparing reacting and recommending narrating in the past expressing likes and dislikes hypothesizing and talking about the future What is unique about this approach and these materials is the idea of narrowing the focus of instruction to seven communicative functions all of which appear in every chapter from the very first day of the course The functions are moved to the forefront of the course so students are consciously forced to look at grammar in a different way *Punto y aparte* Sharon Foerster, Cynthia Barlow, 2025
