Community Occupational Therapy with Mentally Handicapped Adults Debbie Isaac, 2013-12-20 The philosophy of normalization and promotion of the plight of children and adults with mental handicaps has drawn more public attention in recent years Governments in a number of countries have embarked upon policies involving the closure of institutions movement of people with mental handicaps back into the community and development of community orientated programmes although their reasons for this may be economically rather than ideologically motivated Occupational therapists have moved into the community along with other health professionals in order to set up community services for people with mental handicaps My own experience of working in a multidisciplinary team in Central London for 20 years helping adults with mental handicaps to move out of an institution has been a source of motivation to write this book The amount of written material available on the occupational therapy approach to resettlement and deinstitutionalization is limited in comparison with the massive amount of information written by and for other practitioners Additionally the number of texts written by and for occupational therapists with this client group are few Despite excellent support from OT colleagues I experienced considerable frustration trying to define and perform my role not helped by a shortage of texts to draw on Puppetry in Education and Therapy Edited by Matthew Bernier and Judith O'Hare, 2005-12-29 In Puppetry in Education and Therapy Unlocking Doors to the Mind and Heart one finds enormous variety ingenuity and creativity in the types of puppets and the ways they are used in education and in therapy Puppeteers therapists and educators articulate what is meant by puppetry in education and puppet therapy and how it is the same or different from puppet theatre They describe the unique characteristics and theory of puppetry in education and therapy the skills it takes to be successful in these areas the skills that are passed on to people who use puppets for personal expression and how to assess the impact of puppets on learning or behavior change Twenty six authors discuss topics such as puppetry and the multiple intelligences the process versus the product using puppetry in schools to promote literacy preserve cultural heritage and teach music how puppetry contributes

to Core Curriculum Standards the theoretical underpinnings of therapeutic puppetry and a range of ways of facilitating growth and development If you re already using puppets this book will inspire you to understand your work differently and to explore new possibilities If you re a teacher or a therapist and you ve never used puppets before it will open a whole world of possibilities This book illustrates that puppetry arts can affect learning and behavior and that puppets indeed have the power to unlock doors to the mind and heart *Making Leisure Provision for People with Profound Learning and Multiple Disabilities* James Hogg,J. Cavet,2013-11-11 *Information Services for People with Developmental Disabilities* Marilyn M. Irwin,Linda L. Walling,1995-04-30 Developmental disabilities are the most numerous of disabilities and they are exceptionally complex This professional reference overviews developmental disabilities discusses the information needs of people with developmental disabilities and provides practical guidance to librarians and information professionals who serve them Particular attention is given to the ramifications of the Americans with Disabilities Act for librarians The first part of the book defines and describes developmental disabilities from perspectives relevant to librarians and information professionals The second part examines key life issues that have a major impact on people with developmental disabilities This section emphasizes the current trend toward the inclusion of people with developmental disabilities in mainstream society References to related information sources are included throughout The third part looks at disabilities from the perspective of the library or other information agency An appendix lists organizations agencies businesses and libraries that provide additional materials *Dictionary of Mental Handicap* Mary P. Lindsey,2002-03-11 Over recent years the policy of isolating and institutionalizing mentally handicapped people has gradually been dismantled and a major shift to community care has taken place But integration within the general community and access to special services has greatly increased the number of people with a need to know about mental handicap Each profession or discipline has its own terminology nowadays one must be conversant with all of them In this comprehensive dictionary Mary Lindsey has brought together terms and concepts from a wide variety of fields Approximately 2 400 entries are included ranging in length from concise explanations to encyclopaedic essays but always expressed in clear simple language Where appropriate suggestions for further reading are made and possible sources of further information given An extensive system of cross references leads the interested reader further and makes valuable connections between entries The medical aspects of mental handicap its causes prognoses and treatments are of course covered in detail But although the cause of mental handicap may be medical subsequent interventions may be sociological psychological educational medical paramedical or psychiatric This is reflected in the choice of entries making the Dictionary an invaluable source of reference for all those involved with mentally handicapped people in any capacity whatsoever *Living Skills for Mentally Handicapped People* Christine Peck,Chia Swee Hong,1988
