I Would Have Said Yes Lisa Simmons, 2012-05-03 If God asked your permission before a blessing or hardship how would you answer Most would say yes to the blessing and no to the hardship especially if it involved our children Thankfully God does not ask rather he gives us the gift of hindsight to look back and say yes to the hardship that made us who we are Struggle produces more strengths than weaknesses more courage than fear and more resolve than complacency Bookstores are filled with incredible stories of courage and overcoming insurmountable odds No one wants to read about a person who was born went to school made average grades got an average job had an average

family and died an average death concluding with an average funeral We probably know lots of people like that but there are no books about them No we want the stories of the average overcomers We want to hear about the men women and families just like ours who have faced their own Goliath and won because we want to believe we too can muster the umph to make it through our own difficulties I Would Have Said Yes chronicles an average family with above average determination who are blessed by an incomprehensible and awesome God to see extraordinary miracles one day at a time Cumulative List of Organizations Described in Section 170 (c) of the Internal Revenue Code of 1954 ,2004 **Cumulative List of**
