No Small Miracles Norris Burkes,2009-09-28 If you ve ever wondered whether faith makes a difference in the worst times whether God is real or how humor can find its way even into life s battlefields this inspirational book will show you Little Miracles Everywhere Marcie Fallek,2024-10-29 Join holistic veterinarian Marcie Fallek on an unconventional healing path that puts love of animals and their wellness first In this funny honest and illuminating memoir Marcie Fallek a skeptical New Yorker and animal lover embarks on a journey to become a veterinarian She begins her quest at an Italian veterinary school where most students flunk out Her struggles lead her to India in search of Divine help She vows following a series of cathartic experiences there to devote her life to caring for animals with her conscience as her guide Eventually licensed and working Marcie discovers that the driving force for many of her colleagues is money not a love of animals Unscrupulous vets fake test results perform unnecessary procedures and prescribe drugs and food to line their pockets In fact Marcie discovers that many of the very prescriptions and procedures designed to heal her charges might in fact be leading to more injury and illness Though she risks losing everything that took so long to build she sets out to learn the truth This quest is not without consequences Yet Marcie stays true to her ethical compass refusing to compromise her morals and values At each dark turn a succession of instances coincidences miracles leads her down an unconventional healing path where her spiritual and professional self merge Marcie finds her true purpose in life healing animals including those destined for end of life measures using her wits wisdom intuition love and holistic care **Joyful Chaos and Little Miracles** Rachel Real,2022-07-25 Ten years ago Rachel began recording the significant events in her life with the hope that someday her experiences may encourage someone to know they were not alone in their struggles All too often the battle we are fighting is done so in secret She has survived loss suffered emotional turmoil and fought with type 1 diabetes as well as all the challenges that come with parenting fostering and starting a new life in Hawaii She has found strength in coming to love God but searching for that understanding did not come easily Rachel s story tells us how the challenges trials and frustrations that she has experienced have made her stronger emotionally physically and spiritually In sharing these stories she prays others may find the courage and hope in emerging from the darkness we sometimes find ourselves in Her dream is that someone may read about her journey and come closer to knowing God so that they too may enjoy the peace and joy that comes with that relationship If this story helps one person come to God or encourages one person to make the effort to climb up out of that deep hole of depression there is no cost too grand Join Rachel on her journey navigating through this crazy beautiful life thus far as we celebrate our imperfections and rejoice in all the blessings God has bestowed upon us *Bent Hope* Tim J Huff,2008-03-15 The winner of 3 book awards as best book in it s category *Bent Hope* was born out of Tim Huff s first twenty years of unique and extensive work among homeless and street involved youth and adults in one of North America s largest urban centres Toronto Canada *Bent Hope* is a collection of thoughtful narratives birthed beneath crumbling bridges and in the hidden

alcoves of darkened alleyways after midnight These gripping true life stories surface quietly from unforgiving corridors of fear hurt and uncertainty and unexpectedly and supernaturally transform them into fascinating places of intimacy and godly anticipation
