rescuing that hugely impacts dog adoptions in today's world. This insightful exploration encourages readers to complete self-examination prior to adoption that is more meaningful than current applications and potentially avoids fallout from unsuccessful adoptions. Psychological elements that impact the meeting of the perfect dog are often misunderstood and seemingly disregarded by potential adopters. Nicoll explores her personal history, her first experience with pet loss, and rescue fantasies as potent narratives that may lead to irresponsible relationships with our animal companions. Current trends toward positive reinforcement in dog training explore psychological theories of cognitive and behavioral approaches in everyday interactions with animals. Nicoll encourages readers to delve deep into the psychological underpinnings of the human-animal bond to enhance the relationship and find meaning in our life with dogs. The work of companionship is highlighted as a potential opportunity for deep self-reflection and healing while playing, learning, and living life with our animal friends. Guidelines for seeking healing with our soul friends will potentially decrease unsuccessful adoptions and promote a sense of reverence for the healing lick.

I'm the king of pranks, and my friends are getting me back. But then my bride appears, and the real nightmare begins. It's Riley, my best friend's little sister, looking all grown up and gulp, married. To me. My best friend forbade me even looking at her on account of my rep for one-nighters. This has to end right away. Only somehow I get more and more tangled up in her life, trying to do damage control, and a funny thing happens on the way to ending this marriage. I'm having second thoughts. This romantic comedy stands alone with a swoonworthy happily ever after. No cliffhangers.
