slam dunk Mae's injury also hampers her ability to run her dog boarding business and care for the three pit bull puppies she's fostering so she hires Ray Fenton the kid who blew the whistle on the now shuttered puppy mill Meanwhile Sheriff Bradley's office manager Dory Clarkson struggles to pass the physical tests that will allow her to fulfill her dream of becoming a deputy Mae and her friend Tammy are busy planning Tammy's Valentine's Day wedding to the brother of Mae's deceased fiancé and Detective Wayne Nichols must revisit his painful past as he fights to free his foster mother from prison Rosedale is the last place you'd expect to harbor a killer Now the sheriff's department must solve its third murder in a year Three Dog Day is the third book in the Mae December mystery series which began with *One Dog Too Many* *Welcoming Your Puppy from Planet Dog* Kathy Callahan, 2024-04-16 Written in a fresh warm voice loaded with empathy *Welcoming Your Puppy from Planet Dog* lights the path to a relaxed happy interspecies household I truly LOVE this book If I were fostering breeding or getting a new puppy I'd read it twice and still keep it within reach every day Dr Patricia McConnell applied animal behaviorist speaker and author of *The Other End of the Leash* and *The Puppy Primer* After a decade of guiding people who've just added a puppy to the family dog trainer Kathy Callahan has learned a fundamental truth at some point every one of them feels overwhelmed When they seek out expertise they're flooded with impossibly detailed advice conflicting opinions and a surprising number of techniques that seem unkind In contrast Callahan reassures owners that success flows not from nailing an intimidating list of disciplinary tactics but from adopting a mindset of trusted guide rather than master The key to great training is recognizing that we have essentially kidnapped these puppies from their own vastly different culture Using an easy to grasp Planet Dog Planet Human concept Callahan dives into the puppy essentials including how to prepare your house and yourself for puppyhood potty training chewing jumping and other challenges how to train with fun not fear why it might seem your puppy just doesn't listen navigating puppyhood with young kids cats and/or other dogs what to do if there's household disagreement on things like whether dogs belong on furniture In fun to read chapters filled with empathy for both the beleaguered humans and their confused puppies *Welcoming Your Puppy from Planet Dog* paves the way for a rewarding friendship between a relaxed well prepared human and a canine family member who's happily at ease in our world **The Dog's Book of Verse** J. Them things said Alfred the chauffeur tapping the speed indicator with his fingers them things are all right for the police But Lord you can fix 'em up if you want to Did you ever hear about Henery that used to drive for old John Bull about Henery and the elephant Alfred was chauffeur to a friend of mine who owned a very powerful car Alfred was part of that car Weirdly intelligent of poor physique he might have been any age from fifteen to eighty His education had been somewhat hurried but there was no doubt as to his mechanical ability He took to a car like a young duck to water He talked motor thought motor and would have accepted I won't say with enthusiasm for Alfred's motto was Nil admirari but without hesitation an offer to drive in the greatest race in the world He could drive really well too as for belief in himself after six months apprenticeship in

a garage he was prepared to vivisect a six cylinder engine with the confidence of a diplomaed bachelor of engineering Barring a tendency to flash driving and a delight in persecuting slow cars by driving just in front of them and letting them come up and enjoy his dust and then shooting away again he was a respectable member of society When his boss was in the car he cloaked the natural ferocity of his instincts but this day with only myself on board and a clear run of a hundred and twenty miles up to the station before him he let her loose confident that if any trouble occurred I would be held morally responsible
