Puranas And Acculturation:

Purāṇas and Acculturation Vijay Nath,2001 **The Hindus** Wendy Doniger,2010-09-30 An engrossing and definitive narrative account of history and myth that offers a new way of understanding one of the world's oldest major religions The Hindus elucidates the relationship between recorded history and imaginary worlds Hinduism does not lend itself easily to a strictly chronological account many of its central texts cannot be reliably dated even within a century its central tenets karma dharma to name just two arise at particular moments in Indian history and differ in each era between genders and caste to caste and what is shared among Hindus is overwhelmingly outnumbered by the things that are unique to one group or another Yet the greatness of Hinduism its vitality its earthiness its vividness lies precisely in many of those idiosyncratic qualities that continue to inspire debate today Wendy Doniger is one of the foremost scholars of Hinduism in the world With her inimitable insight and expertise Doniger illuminates those moments within the tradition that resist forces that would standardize or establish a canon Without reversing or misrepresenting the historical hierarchies she reveals how Sanskrit and vernacular sources are rich in knowledge of and compassion toward women and lower castes how they debate tensions surrounding religion violence and tolerance and how animals are the key to important shifts in attitudes toward different social classes The Hindus brings a fascinating multiplicity of actors and stories to the stage to show how brilliant and creative thinkers many of them far removed from Brahmin authors of Sanskrit texts have kept Hinduism alive in ways that other scholars have not fully explored In this unique and authoritative account debates about Hindu traditions become platforms from which to consider the ironies and overlooked epiphanies of history **A Pragmatic Approach to Religion And**

The Making of Romantic Love William M. Reddy,2024-05-31 In the twelfth century the Catholic Church attempted a thoroughgoing reform of marriage and sexual behavior aimed at eradicating sexual desire from Christian lives Seeking a refuge from the very serious condemnations of the Church and relying on a courtly culture that was already preoccupied with honor and secrecy European poets romance writers and lovers devised a vision of love as something quite different from desire Romantic love was thus born as a movement of covert resistance In The Making of Romantic Love Longing and Sexuality in Europe South Asia and Japan William M Reddy illuminates the birth of a cultural movement that managed to

regulate selfish desire and render it innocent or innocent enough Reddy strikes out from this historical moment on an international exploration of love contrasting the medieval development of romantic love in Europe with contemporaneous eastern traditions in Bengal and Orissa and in Heian Japan from 900 1200 CE where one finds no trace of an opposition between love and desire In this comparative framework Reddy tells an appealing tale about the rise and fall of various practices of longing underscoring the uniqueness of the European concept of sexual desire **Studying Early India** Brajadulal Chattopadhyaya,2006 A focal study of the methodological changes that confront historians of pre colonial India

The Difficulty of Being Good Gurcharan Das,2010-10-04 Why should we be good How should we be good And how might we more deeply understand the moral and ethical failings splashed across today s headlines that have not only destroyed individual lives but caused widespread calamity as well bringing communities nations and indeed the global economy to the brink of collapse In *The Difficulty of Being Good* Gurcharan Das seeks answers to these questions in an unlikely source the 2 000 year old Sanskrit epic Mahabharata A sprawling witty ironic and delightful poem the Mahabharata is obsessed with the elusive notion of dharma in essence doing the right thing When a hero does something wrong in a Greek epic he wastes little time on self reflection when a hero falters in the Mahabharata the action stops and everyone weighs in with a different and often contradictory take on dharma Each major character in the epic embodies a significant moral failing or virtue and their struggles mirror with uncanny precision our own familiar emotions of anxiety courage despair remorse envy compassion vengefulness and duty Das explores the Mahabharata from many perspectives and compares the successes and failures of the poem s characters to those of contemporary individuals many of them highly visible players in the world of economics business and politics In every case he finds striking parallels that carry lessons for everyone faced with ethical and moral dilemmas in today s complex world Written with the flair and seemingly effortless erudition that have made Gurcharan Das a bestselling author around the world and enlivened by Das s forthright discussion of his own personal search for a more meaningful life *The Difficulty of Being Good* shines the light of an ancient poem on the most challenging moral ambiguities of modern life **The Archaeology of Sacred Spaces** Susan Verma Mishra,Himanshu Prabha Ray,2016-08-05

that humans have been grasping at the divine from the very beginning This alone speaks to the existence of God All humans have an innate desire for something an emptiness that longs for fulfillment Filling this void with worldly desires like riches power and sensual pleasures might distract you for a little while but it is ultimately unfulfilling It comes down to two choices First you can trust in human's limited knowledge of religions philosophies isms and many others that were made by humans looking for answers But this reasoning can only go so far because it starts with itself and ends with itself The second option is to lean not on your understanding but on God Many skeptics equate trust in religion to a rejection of logic or reason But belief in God doesn't mean you aren't using sense Seeking God can open your eyes and grant you wisdom Psalm 119 18 Proverbs 8 While there are many reasons to put your faith in God here are some compelling reasons we must believe God of Tactics VS God of Ethics Focusing on the world's third largest religion followed by a one billion plus population It brings forth stories ideas and philosophies its societal formation culture and the main tenets of Hindu philosophies Dharma Karma and Moksha The author has not used this book to make a comparative study of other religions but rather focused on Sanatan ideas only Para Brahma Tattva God's Particle Higgs Boson Truth is found in his various manifestations that have been covered in simple Leelas God's stories Shiva and Sri Krishna are the two Hindu Gods being discussed here This book will help the younger generation across the globe to know their religion and heritage and is highly recommended for reading by them their parents families and friends To understand Space Time Matter and Multiple Universes concepts in Sanatan Dharma you must read this book In this 75th year of India's Independence also called Amrit Kal this is the author's gift to the great nation of India also called Bharat Why so many Gods Who is Supreme Who should we pray to Vedas define 33 koti category of Gods which Sanskrit to English language translations made this koti category to crore and started saying 33 crore devi and devtas it should be 33 categories The 33 categories of gods are calculated as eight Vasus eleven Rudras different forms of Shiva twelve Adityas different forms of Vishnu one Indra and one Prajapati Brahma This adds up to 33 The Prism Theory to Understand Why So Many Faiths and Gods Globally To make you understand better the author has formed a theory named The Prism Theory This is Copyright of the author Sharad Mohan His Interpretation of Para Brahma One God Tattva satisfying various distinct manifestations and incarnations is used as an analogy to understand why Sanatan Dharma loosely referred to as Hinduism has so many gods meaning the entire world is one big family Do read and share with friends and family Author Sharad Mohan USA X SharadAuthor
