Erdlen,2020-08-10 The World of the Avatar It is fascinating to have the desire to be aware of what is happening in the Universe our Planet and within the group of souls around us and indeed our very own personal and intimate life Some individuals have reached this current incarnation and are working their way toward feeling the integration of many levels of illumination The truth is that we touch all of these areas at a deeper level and the soul thoughts and feelings will determine if we are willing to embrace the experience this time around In the increasing circles of our growth and awareness and I choose to call them circles rather than levels for specific reasons the very essence of the feeling generated inside of us is calling for a deeper and higher view through our hierarchy of needs as described and recently verified in the Maslow

Hierarchy of Needs as he originally taught No level is lessor or to be belittled and the full integration of these logical categories is completely necessary with both our human and divine natures None are to be seen as weakness or being lessor but only the next step in our evolution toward a heavenly existence of peace love wisdom and self actualization toward Transcendence to a current Holy Place in our own being Book Clearly Addresses this thesis Maslow s Hierarchy of Needs is as follows and a reminder Transcendence Self Actualization Esteem Needs Social Needs Safety Needs Physiological Needs
