Blank Spaces Cass Lennox, 2016-11-14 Absence is as crucial as presence The decision to stop dating has made Vaughn Hargrave's life infinitely simpler he has friends an excellent wardrobe and a job in the industry he loves That's all he really needs especially since sex isn't his forte anyway and no one else seems interested in a purely romantic connection But when a piece is stolen from his art gallery and insurance investigator Jonah Sondern shows up Vaughn finds himself struggling with that decision Jonah wants his men like his coffee hot intense and daily But Vaughn seems to be the one gay guy in Toronto who doesn't do hookups which is all Jonah can offer No way can Jonah give Vaughn what he really wants not when Jonah barely understands what love is When another painting goes missing tension ramps up both on and off the clock Vaughn and Jonah find themselves grappling not just with stolen art but with their own differences Because a guy who wants nothing but romance and a guy who wants nothing but sex will never work right Not unless they find a way to fill in the spaces between them Winner Best Asexual Contemporary and Historical Romance in the 2017 Rainbow Awards Winner Best
