**John Killen**

## **Pure Drop A Of Irish Drinking:**

**The Pure Drop** John Killen, 1987     *A Pure Drop* Jeff Apter, 2009-02 Book Bono called Jeff Buckley a pure drop in an ocean of noise In this startling new biography Buckley's friends peers enemies collaborators lovers and others speak of the Jeff they knew or in some cases thought they knew His struggles with writer's block are explored as are his battles with the concept of stardom his desire for escape and his attempts to deal with the unavoidable legacy of his equally gifted father Tim Buckley     **Irish Literature** Mary Ketsin, 2004 Irish literature's roots have been traced to the 7th 9th century This is a rich and hardy literature starting with descriptions of the brave deeds of kings saints and other heroes These were followed by generous veins of religious historical genealogical scientific and other works The development of prose poetry and drama raced along with the times Modern well known Irish writers include William Yeats James Joyce Sean Casey George Bernard Shaw Oscar Wilde John Synge and Samuel Beckett     **A Glass Apart** Fionnán O'Connor, The Images Publishing Group, 2015-08-28 Irish single pot still whiskey has a romantic mystique for many whiskey critics because of its tragic history as the lost sister of single malt scotch Ireland's history and politics resulted in the near annihilation of the national drink and there's an almost eerie beauty to the silent distilleries that still dot the Irish countryside These distilleries inform the aesthetic of the title and indeed there is visual poetry in the barrels pot stills and photogenic amber spirits that convey the Irish whiskey world Although Irish whiskey is currently the fastest growing global spirits category and Irish pure pot still has long been a favourite drink among whiskey critics and connoisseurs the existing literature is still surprisingly sparse This book illustrates the production history and appreciation of Irish pot still whiskey and will introduce casual drinkers to the richness of these whiskeys as well as being a collector's item for established whiskey connoisseurs     **Sing Out**, 1989

**The Collected Poems of John Hewitt** John Harold Hewitt, 1991     *The Unkindest Cut* John Killen, 2000 Ulster's 20th century was to say the least eventful with the home rule crisis partition from the south of Ireland two world wars depressions recessions and recurring outbreaks of civil conflict Through it all political cartoonists kept up a running commentary on events and personalities Carson Devlin O'Neill Hume Adams and Trimble Their cartoons reveal the prejudices suspicions and sheer absurdities that the situation has engendered over the years     **The Literary Review**, 1988     *Books Ireland*, 1988

*Whitaker's Book List*, 1987     *Irish Publishing Record*, 1988     *The Decade of the United Irishmen* John Killen, 1997 Drawing together contemporary newspaper articles letters and reports John Killen brings alive the decade of the United Irishmen the formation of the Society the years of secret planning the abortive 1798 rebellion and its brutal suppression and the far reaching constitutional consequences By relying on primary sources and not the belated wisdom of hindsight he draws the reader into the hope drama and ultimate tragedy of a period that still has profound resonances in modern Ireland Back cover     **The Famine Decade** John Killen, 1995 This is a history of the Great Famine using contemporary eyewitness accounts along with governmental and ecclesiastical statements covering the years 1841 to 1851 It is illustrated with
