## **Pure Kingdom Jesus Vision Of God:**

*Pure Kingdom* Bruce Chilton, 1996 In this book Chilton sets out to discover what Jesus meant by the Kingdom of God on earth Starting with a critique of how others have tried to interpret the kingdom of God he argues that the Gospel texts themselves reveal the truth about Jesus central message *Pure Kingdom* Bruce Chilton, 1996 Bruce Chilton focuses on Jesus teaching of the kingdom in this volume part of the Studying the Historical Jesus series a series devoted to exploring key questions concerning the historical Jesus within recent scholarly discussion **Jesus the God-Man** Darrell L. Bock, Benjamin I. Simpson, 2016-06-21 What the Gospels Tell Us about Who Jesus Is This clear compact introduction surveys what the Gospels tell us about who Jesus is by exploring his teachings and actions in their contexts Darrell Bock a leading evangelical New Testament scholar who speaks and teaches around the world and Benjamin Simpson treat the Gospels as reliable sources for a plausible portrait of Jesus Condensing years of extensive study on the topic this handy readable textbook presents fresh ways to understand the Gospels especially the Synoptics in comparison with John **Jewish and Christian Doctrines** Bruce Chilton, Jacob Neusner, 2002-01-22 Jewish and Christian Doctrines presents a concise and lucid introduction to the foundations of Judaism and Christianity The authors explore key documents of Judaism and Christianity to elucidate and illuminate the doctrinal issues which the documents raise and to examine the similarities and differences between the two faiths **Subversive Meals** Streett R Alan, 2016-11-24 In Subversive Meals Alan Streett follows on from James C Scott s idea of a hidden transcript to argue that the Lord s Supper was a subversive non violent act against the Roman Empire Primarily through exegesis of the writings of Luke and Paul Streett examines the political nature of the meal in the context of first century Roman domination In his widely researched argument Streett illuminates for the reader why understanding the Lord s Supper as a purely symbolic act overlooks the political significance it would have had in the first century CE Subversive Meals analyses how the structure of the Lord s Supper followed that of a Roman banquet by having a deipon and a symposium the latter being the time when anti resistance discussions would take place Streett examines several aspects of the history context and theological significance of the Lord s Supper He discusses such topics as the identification of Passover as an anti imperial meal against the Pharaoh s rule the Roman domination system the meal practices of Jesus the eschatological meaning of the Last Supper the practice of this anti imperial work ethic in the early church and the gift of prophecy as a symposium activity By seeing the Lord s Supper as a political act readers will be able to study Scriptural passages more closely and precisely [The Multinational Kingdom in Isaiah](#) Andrew H. Kim, 2020-09-24 The kingdom of God functions as a key theme that clarifies the direction of redemptive history The canonical narrative portrays God s dealing with humanity on both individual and corporate levels Throughout the history of the church many have claimed that national Israel is best read as a type of an eschatological consummation of individuals drawn from all nations However does the direction of redemptive history consummate with a redemption of individuals or does it include national entities Do the

promises to national Israel become fulfilled typologically through a singular corporate reality or in a multinational kingdom which includes national Israel In *The Multinational Kingdom* in Isaiah Andrew H Kim addresses arguments from those who claim that Isaiah serves as a turning point in which national distinctions are erased in the eschatological kingdom Kim argues that Isaiah envisions a multinational kingdom comprised of Israelites and gentiles with national and territorial distinctions

Types of Authority in Formative Christianity and Judaism Bruce Chilton, Jacob Neusner, 2002-01-22 Bruce Chilton and Jacob Neusner study the points of comparisons and contrast between formative Christianity and Judaism By identifying three categories of authority in each of the two religious worlds they show how they have both worked in compelling or failing to get someone to do a given action The arguments are introduced by a general discussion of the founding figures of the two religions Moses and Jesus and how their inherent authority distilled itself through the structure of their religious institutions and intellectual thoughts

Interpreting the Parables Craig L. Blomberg, 2012-07-16 Craig Blomberg surveys the contemporary critical approaches to the parables including those that have emerged in the twenty years since the first edition This widely used text has taken a minority perspective and made it mainstream with Blomberg ably defending a limited allegorical approach and offering brief interpretations of all the major parables

I Pledge Allegiance David Crump, 2018-02-01 What does it really mean for Christians to live as faithful kingdom citizens in today's world Bitter partisan conflict State sanctioned torture Economic injustice Ethical corruption Even a cursory glance over daily news headlines shows a stark contrast between the American political state and the kingdom of heaven Where then does the Christian's ultimate allegiance lie In *I Pledge Allegiance* David Crump issues a clarion call to Jesus's twenty first century disciples stirring them up to heed God's word and live out their kingdom citizenship here on earth Closely examining the ethical teachings of Jesus and his apostles in the New Testament and using real world examples to illustrate the vital issues at stake Crump challenges Christians to embrace the radical counterintuitive upside down way of Jesus a way of living and thinking that turns the world's values on their head smashes through stale political and cultural conventions and welcomes God's kingdom into the very heart of our shared society

Classical Christianity and Rabbinic Judaism Bruce D. Chilton, Jacob Neusner, 2012-02-01 Among the world's religions Christianity and Judaism are the most symmetrical But in our day of religious tolerance a tendency to overlook the vital differences between the two religions in the name of good will can undermine constructive Jewish Christian dialogue In this book Bruce D Chilton describes early Christian thought and Jacob Neusner describes early Judaic thought on fundamental issues such as creation and human nature Christ and Torah sin and atonement and eschatology At the end of each chapter each assesses the other's perspective and a final chapter explains why the authors believe theological confrontation not just comparison defines the task of interfaith dialogue today

*The Body of Faith* Jacob Neusner, 1996-11-01 The first part of the book deals with Israel in the theology of Judaism Israel as a kingdom of priests and holy nation Israel as family and Israel as Christian Rome The second part examines Jesus and the absence of

Israel the Israel of James the community of Q and Peter and the church ekklesia in the Synoptic Gospels Paul Hebrews and Revelation

**Jesus and Purity Halakhah** Thomas Kazen, 2021-12-03 This study traces Jesus attitude to impurity within the historical context at the end of the Second Temple period when practices of ritual purity came to play an increasing role in Jewish society and an expansionist trend gained in influence and support The traditional focus on sayings material and criteria of authenticity in historical Jesus research is modified narrative traditions with implicit purity issues are appealed to and extra canonical traditions are included The main areas examined are the most important fathers of impurity leprosy skin diseases genital discharges and corpse contamination Jesus is found to have acted in ways that could have been understood by some of his contemporaries as indifference to these types of impurity His behaviour is shown on several points to clash with current purity halakhah and dominant expansionist ideals In an attempt to interpret his actions within the Jewish context and culture of the Second Temple period three explanatory models are provided Jesus attitude can be seen as part of a moral trajectory in Judaism It can be understood as a response to a regional Galilean dilemma It can be viewed in a power perspective as an expression of Jesus eschatological struggle against demonic evil The result is that Jesus may be understood as operating within the purity paradigm of his time yet seemingly indifferent in the eyes of some pushing it to the breaking point Such a reconstruction makes subsequent developments intelligible in which various Christian currents drew conflicting conclusions Those looking to Jesus behaviour for some sort of guidance today may perhaps find contemporary analogies

*I Believe in the Historical Jesus* I. Howard Marshall, 2004 Few would deny that a person named Jesus lived and died during the first century of this era Yet opinions differ widely as to the reliability of the New Testament record of his life In *I Believe in the Historical Jesus* Marshall surveys the quest for the historical Jesus from the 19th century to the present examines the methods used to extract historical information from the gospels and investigates the role faith plays in a study of the life of Jesus The gospel accounts of Jesus are reliable historically not merely literary productions impossible to penetrate from an historical perspective and Marshall s work is a ringing affirmation of belief in the historical Jesus This edition includes a new epilogue and updated bibliography I Howard Marshall is Emeritus Professor of New Testament Exegesis and Honorary Research Professor at the University of Aberdeen Scotland where he supervises postgraduate students in their theological studies Professor Marshall s area of research has been Luke Acts the Pastoral Epistles and the theology of New Testament writers

**Commonwealth and Covenant** Marcia Pally, 2016-03-02 In *Commonwealth and Covenant* Marcia Pally argues that in order to address current socioeconomic problems we need not more economic formulas but rather a better understanding of how the world is set up an ontology of how we and the world work Without this good proposals that arise lack political will and go unimplemented Pally describes our basic setup as separability amid situatedness or distinction amid relation Though we are all unique individuals we become our singular selves through our relations and responsibilities to the people and environments around us Pally argues that our culture s overemphasis on separability individualism run amok

results in greed adversarial and deceitful political discourse and chicanery resource grabbing broken relationships and anomie Maintaining that separability and situatedness can and must be considered together in public policy Pally draws on intellectual history philosophy and especially historic Christian and Jewish theologies of relationality to construct a new framework for addressing present economic and political ills

**The Biblical World** John Barton, 2004 This book is a comprehensive guide to the contents historical setting and social context of the Bible

**The Gospels and Jesus** Graham Stanton, 2002-03-08 Jesus of Nazareth and the four New Testament gospels continue to fascinate people from many cultural and religious backgrounds Who was Jesus Are Christian claims about him supported by solid historical evidence How reliable are the evangelists portraits of Jesus which were written some fifty years after his crucifixion These questions can be explored only on the basis of a sound grasp of the intentions and methods of the four evangelists Professor Stanton insists that the evangelists are concerned with both the story and the significance of Jesus of Nazareth Part I of this book examines the distinctive emphases of all four evangelists and discusses the apocryphal gospels with special reference to the Gospel of Thomas Part II deals with the ways of assessing the evidence for Jesus and explores his teaching intentions and the reasons for his downfall This book pays particular attention to appropriate methods for careful study of the gospels and the historical Jesus to provide an excellent textbook and a penetrating study for the general reader NEW TO THIS EDITION Every chapter updated to take account of recent scholarly developments Fuller discussion of literary criticism chapter 2 the Gospel of Thomas chapter 7 archaeological evidence chapter 8 and methods for reconstructing the teaching of Jesus chapter 9 Bibliography is extended updated and partly annotated New cross references added to increase usability Map now included Material within some chapters and sub sections has been reorganised to increase accessibility Biblical quotations are now taken from the NRSV text New larger format and text design

Death and the Afterlife Jacob Neusner, 2010-04-01 Why does one die How should one die What happens after death How do resurrection and reincarnation fit within various religious traditions These are the four fundamental questions posed in *Death and the Afterlife* The answers from acknowledged authorities give insights into the beliefs and traditions of these faiths and will help readers understand the similarities and differences among them In this volume Charles Hallisey presents the viewpoint of Buddhism Jacob Neusner offers the perspective of Judaism Jonathan Brockopp writes from the standpoint of Islam Bruce Chilton discusses Christianity and Brian K Smith writes on Hinduism

*Different Visions of Love* Brian Griffith, 2008 Griffiths narrative moves like a searchlight over each phase of church history illuminating the visions options and choices behind events He traces the rise of a dominator version of Christianity in which the primary concern was a chain of command to be followed with rewards or punishments according to the degree of obedience And beside this he illuminates another face of Christianity concerned with healing all divisions between loved and unloved people The story Griffith presents is often deeply disturbing as in his unstinting accounts concerning the gospel for women or the age of holy wars and witch hunts But ultimately his story offers solid

grounds for optimism He shows that all contention between different religious visions can be a process of building partnership As Griffith points out Jesus himself wished to debate his opponents openly not to silence or eliminate them He was not afraid of real encounter or the potential of creative conflict I want to congratulate Brian Griffith on this masterful controversial and highly readable account His book offers hope in a divided world where reaction against globalized godless corporate secularism meets with a war on religious fundamentalism I hope to see other writers do comparable work in highlighting the partnership and dominator visions within their religious traditions around the world Riane Eisler author of The Chalice the Blade Sacred Pleasure Tomorrows Children The Power of Partnership The Real Wealth of Nations I find it gives me an incredibly clarifying perspective on Christianity way beyond my previous understanding It should be read by everyone with an interest in Western Civilization It is a marvelous companion to The Great Turning David Korten author of The Great Turning From Empire to Earth Community

**Three Faiths, One God** Jacob Neusner, Bruce D. Chilton, William Graham, 2021-11-08 If Moses Jesus and the Prophet Muhammad were to meet what would they tell one another about Judaism Christianity and Islam Three of today's leading scholars explore the topics such a conversation might entail in this comparative study of the three monotheistic faiths In systematic side by side descriptions they detail the classical theologies of Judaism Christianity and Islam and the authoritative writings that convey those theologies Torah Bible and Qur'an They then compare and contrast the three faiths which though distinct and autonomous address a common set of issues While asserting that this book is by no means a background source for issues and conflicts among contemporary followers of Judaism Christianity and Islam the authors nevertheless aspire to reveal among the three a common potential for mutual understanding This publication has also been published in paperback please click here for details

**Living the Sermon on the Mount** Glen H Stassen, 2014-12-11 In Living the Sermon on the Mount theologian and award winning author Glen H Stassen helps us to see that the revolutionary ideas in the Sermon on the Mount about loving and caring for each other living in peace and acting justly are not unattainable ideals but a recipe for wholeness and healing in our human relationships and deliverance from the vicious cycles that we get stuck in
