The Power of Purity Irv Woolf, 2009-04 How can Christians live lives of purity in a world that has become so sexualized Who sets the standard for purity the culture Christians God It doesn t take a lot to recognize that we live in a highly sexualized culture Billboards and store fronts use sexual messages to call us to buy their products or services Magazines and newspapers assault us with sexual ads Turn on the television computer and specifically the internet and the sexuality becomes even more blatant often crossing the line into

pornography Sexual messages showing an abundance of skin are used to sell everything from lingerie to beer As if that wasn't enough there are advertisements for erectile dysfunction penile enlargement breast augmentation and all manner of birth control on television radio and in print People have become numb to the boldness of these messages and no longer blush We are boiling in a sexual stew and like the proverbial frog in the kettle we are being cooked as the heat rises and society's standards are lowered Are Christians immune from all of this Were that it was so Christian men women and teens are called to be in the world not of it Romans 12:2 Yet by being in the world many have become conformed to the world Instead of serving as thermostats and changing the culture many have become thermometers reflecting the culture in which they live The culture uses sexuality in ways never intended by God As the poster picturing gears chains sprockets and wheels all tightly strung together wistfully muses God made us plain and simple My how we have complicated things God designed sex to be plain and simple His original design was for sex to be for procreation and pleasure His original design was for men and women to use sex to carry out His command to be fruitful and multiply fill the earth Genesis 1:28 Sex is to be the glue of marriage sealing the marital covenant between a husband and wife As a veteran pastor for over thirty years Dr Irv Sarge Woolf provides battle tested practical answers as he shares God's design for sex in a sex saturated world Irv takes us back to that original blueprint back to sex as God originally intended it He describes the God of holiness and God's standard for holiness In warning us about the enemies of purity he describes how the world the flesh and the devil have corkscrewed sexuality and twisted it into a self serving distortion of what God intended it to be Irv identifies the key weapon of the enemies arsenal sexual immorality Finally Irv shows us the clear difference sexual purity makes in the life of a man a woman a marriage and a family Irv is no ivory tower theologian but a man who applies the Word of God in practical fashion to the everyday world of temptations He understands what it takes to live in purity As a former pastor who launched Every Man's Battle For Purity in his home church Irv is eminently qualified to write about this topic God's hand is upon him and his ministry to purify the Bride of Christ May the Lord use him The Church desperately needs purifying

Sexual Purity, Lust and Temptation, the Battle of the Present Generation Ap Adonis Martin, 2023-06-22 God designed sex for our good but like most things we've found a way to pervert it from the original design Today the challenges to this generation who want to be holy who want to honor God with their minds and bodies seem tougher than ever We live in a time and in a culture that seems given over to sex Many Christian singles today lack a clear biblical vision for sexual purity and relationships that extends beyond a truncated don't have sex concept of purity As a matter of fact one of the things that makes sexual sin so difficult to overcome is that while we are built for intimacy we're also fearful of genuine intimate relationships This book serves as a guide to help you discover God's plan for sex and sexuality and also help you track down the lies you have believed about sex and help you replace them with truth that comes straight from God the one who created sex for us
