Purity Of Kingship

Andrew Apter

Purity Of Kingship:

The Character of Kingship Declan Quigley, 2020-05-31 Why has monarchy been such a prevalent institution throughout history and in such a diverse range of societies Kingship is at the heart of both ritual and politics and has major implications for the theory of social and cultural anthropology Yet despite the contemporary fascination with royalty anthropologists have sorely neglected the subject in recent decades This book combines a strong theoretical argument with a wealth of ethnography from kingships in Africa Asia and the Pacific Quigley gives a timely and much needed overview of the anthropology of kingship and a crucial reassessment of the contributions of Frazer and Hocart to debates about the nature and function of royal ritual From diverse fieldwork sites a number of eminent anthropologists demonstrate how ritual and power intertwine to produce a series of variations around myth tragedy and historical realities However underneath this diversity two common themes invariably emerge the attempt to portray kingship as timeless and perfect and the dual nature of the king as sacred being and scapegoat

Rites of the God-King Marko Geslani, 2018-06-08 Scholars of Vedic religion have long recognized the centrality of ritual categories to Indian thought There have been few successful attempts however to bring the same systematic rigor of Vedic Scholarship to bear on later Hindu ritual Excavating the deep history of a prominent ritual category in classical Hindu texts Geslani traces the emergence of a class of rituals known as santi or appeasement This ritual intended to counteract ominous omens developed from the intersection of the fourth Veda the oft neglected Atharvaveda and the emergent tradition of astral science Jyotisastra sometime in the early first millennium CE Its development would come to have far reaching consequences on the ideal ritual life of the king in early medieval Brahmanical society The mantric transformations involved in the history of santi led to the emergence of a politicized ritual culture that could encompass both traditional Vedic and newer Hindu performers and practices From astrological appeasement to gift giving coronation and image worship *Rites of the God King* chronicles the multiple lives and afterlives of a single ritual mode unveiling the always inventive work of the priesthood to imagine and enrich royal power Along the way Geslani reveals the surprising role of astrologers in Hindu history elaborates conceptions of sin and misfortune and forges new connections between medieval texts and modern practices In a work that details ritual forms that were dispersed widely across Asia he concludes with a reflection on the nature of orthopraxy ritual change and the problem of presence in the Hindu tradition

The King and the Land Stephen C. Russell, 2017 *The King and the Land* offers an innovative history of space and power in the biblical world Stephen C Russell shows how the monarchies in ancient Israel and Judah asserted their power over strategically important spaces such as privately held lands religious buildings collectively governed towns and urban water systems Among the case studies examined are Solomon s use of foreign architecture David s dedication of land to Yahweh Jehu s decommissioning of Baal s temple Absalom s navigation of the collective politics of Levantine towns and Hezekiah s reshaping of the tunnels that supplied Jerusalem with water By treating the full range of archaeological and textual evidence

available for the Iron Age Levant this book sets Israelite and Judahite royal and tribal politics within broader patterns of ancient Near Eastern spatial power The book's historical investigation also enables fresh literary readings of the individual texts that anchor its thesis

Ancient Egyptian Kingship O'Connor, David P. Silverman, 2023-06-26 This volume is the collaborative effort of several Egyptological scholars from the United States Canada Egypt and England each contribution is a comprehensive investigation of a specific aspect of kingship in ancient Egypt and represents a particular area of expertise of that author The first part of the book examines the nature of kingship and the role of the ruler The second part of the book focuses on the role of kingship and its characterization in particular periods The last section of the volume consists of two studies on the concretization of royalty in architectural contexts Ancient Egyptian Kingship is the most comprehensive work in English on the subject since Henri Frankfort published Kingship and the Gods in 1948 Richly illustrated with photographs plans and diagrams it is a new extensively researched analysis of the topic

Sacred Kingship in World History A. Azfar Moin, Alan Strathern, 2022-05-10 Sacred kingship has been the core political form in small scale societies and in vast empires for much of world history This collaborative and interdisciplinary book recasts the relationship between religion and politics by exploring this institution in long term and global comparative perspective Editors A Azfar Moin and Alan Strathern present a theoretical framework for understanding sacred kingship which leading scholars reflect on and respond to in a series of essays They distinguish between two separate but complementary religious tendencies immanentism and transcendentalism which mold kings into divinized or righteous rulers respectively Whereas immanence demands priestly and cosmic rites from kings to sustain the flourishing of life transcendence turns the focus to salvation and subordinates rulers to higher ethical objectives Secular modernity does not end the struggle between immanence and transcendence flourishing and righteousness but only displaces it from kings onto nations and individuals After an essay by Marshall Sahlins that ranges from the Pacific to the Arctic the book contains chapters on religion and kingship in settings as far flung as ancient Egypt classical Greece medieval Islam Mughal India modern European drama and ISIS Sacred Kingship in World History sheds new light on how religion has constructed rulership with implications spanning global history religious studies political theory and anthropology

Kingship and Sacrifice Valerio Valeri, 1985-06-15 Valeri presents an overview of Hawaiian religious culture in which hierarchies of social beings and their actions are mirrored by the cosmological hierarchy of the gods As the sacrifice is performed the worshipper is incorporated into the god of his class Thus he draws on divine power to sustain the social order of which his action is a part and in which his own place is determined by the degree of his resemblance to his god The key to Hawaiian society and a central focus for Valeri is the complex and encompassing sacrificial ritual that is the responsibility of the king for it displays in concrete actions all the concepts of pre Western Hawaiian society By interpreting and understanding this ritual cycle Valeri contends we can interpret all of Hawaiian religious culture

Semitic and Assyriological Studies Pelio Fronzaroli, 2003 This substantial volume comprises almost

fifty Semitic and Assyriological studies dedicated to Pelio Fronzaroli professor of Semitic philology at the University of Florence written by colleagues and pupils The Arden Research Handbook of Shakespeare and Social Justice David Ruiter,2020-11-26 The Arden Research Handbook of Shakespeare and Social Justice is a wide ranging authoritative guide to research on Shakespeare and issues of social justice and arts activism by an international team of leading scholars directors arts activists and educators Across four sections it explores the relevance and responsibility of art to the real world and to the significant teaching and learning performance and practice theory and economies that not only expand the discussion of literature and theatre but also open the gates of engagement between the life of the mind and lived experience The collection draws from noted scholars writers and practitioners from around the globe to assert the power of art to question disrupt and re invigorate both the ties that bind and the barriers that divide us A series of interviews with theatre practitioners and scholars opens the volume establishing an initial portfolio of areas for research exploration and change In Section 2 The Practice of Shakespeare and Social Justice contributors examine Shakespeare s place and possibilities in intervening in issues of race class gender and sexuality Section 3 The Performance of Shakespeare and Social Justice traces Shakespeare and social justice in multiple global contexts engaging productions grounded in the politics of Mexico India South Africa China and aspects of Asian politics broadly this section illuminates the burgeoning field of global production while keeping as a priority the political structures that make advocacy and resistance possible The last section on Economies of Shakespeare describes socio economic and community issues that come to light in Shakespeare and their potential to catalyze ongoing discussion and change in respect to wealth distribution equity and humanity An annotated bibliography provides further guidance to those researching the subject *The Body Royal* Mark W. Hamilton,2005-11-01 The present volume seeks to identify the underlying code of meanings about the Israelite king operating in various ways in texts and other artifacts surviving from the culture The focus is upon the living body of the king its anatomical characteristics its constitution through ritual and the conventions concerning its proper self display by the king This study combines careful linguistic and historical critical analysis of the texts considered both biblical and ancient Near Eastern the latter used comparatively where appropriate with a critical use of contemporary approaches to the study of signs in language objects and movements semiotics in general and the study of the body in particular This book argues that the royal psalms contain a set of officially sanctioned notions about the royal body and its use The king was thought to have an outsized superhuman body owing to his being the son of the deity a status he attained upon his coronation Other texts often from circles outside the royal court significantly altered these notions The king s body was thus for ancient Israelites the locus of reflection on power gender religion and even international relations Through careful historical analysis it is possible to reconstruct the terms of an Iron Age intellectual inquiry that still influences our contemporary world **India's Agony Over Religion** Gerald James Larson,1995-02-16 Presents the contemporary religious crisis in India providing historical perspective and focusing on the

crises in Punjab Kashmir and Ayodhya **The Purity of Kingship** Theo van den Hout, 2023-07-03 Confronted with an illness and other disconcerting signs shortly before his royal inauguration the Hittite Great King Tuth aliya IV ca 1240 1210 B C looks for past affairs of rebellion within the royal family Members of the ruling dynasty up to three generations back have taken recourse to black magic in their search for power Their curses are felt to be still effective and have contaminated the institution of Kingship The King conducts an extensive series of oracle inquiries in order to find ways to reconcile the for the most part deceased family members and to render their curses ineffective The texts of these inquiries shed light on daily life in the Hittite empire and in this case daily life of the King of the Hittites The reconstruction of these oracle inquiries forms the subject of the underlying volume The author offers not only a full edition of the texts now first brought together but also introductory chapters on topics of wider importance such as text constitution techniques for recording oracles and the persons involved and historical setting of the composite text **The Globe** , 1889 King David with the Wise Woman of Tekoa Larry Lyke, 1997-10-01 Assesses the multivocal quality of 2 Samuel 14 as a result of the many historical and social processes that formed the Hebrew Bible as a whole *The Modern Anthropology of India* Peter Berger, Frank Heidemann, 2013-06-03 The Modern Anthropology of India is an accessible textbook providing a critical overview of the ethnographic work done in India since 1947 It assesses the history of research in each region and serves as a practical and comprehensive guide to the main themes dealt with by ethnographers It highlights key analytical concepts and paradigms that came to be of relevance in particular regions in the recent history of research in India and which possibly gained a pan Indian or even trans Indian significance Structured according to the states of the Indian union contributors raise several key questions including What themes were ethnographers interested in What are the significant ethnographic contributions How are peoples communities and cultural areas represented How has the ethnographic research in the area developed Filling a significant gap in the literature the book is an invaluable resource to students and researchers in the field of Indian anthropology ethnography regional anthropology and postcolonial studies It is also of interest to students of South Asian studies in general as it provides an extensive and critical overview of regionally based ethnographic activity undertaken in India **The King Never Smiles** Paul M. Handley, 2006-01-01 Thailand's Bhumibol Adulyadej the only king ever born in the United States came to the throne of his country in 1946 and is now the world's longest serving monarch This book tells the unexpected story of his life and 60 year rule how a Western raised boy came to be seen by his people as a living Buddha and how a king widely seen as beneficent and apolitical could in fact be so deeply political autocratic and even brutal Paul Handley provides an extensively researched factual account of the king's youth and personal development ascent to the throne skilful political maneuverings and attempt to shape Thailand as a Buddhist kingdom Blasting apart the widely accepted image of the king as egalitarian and virtuous Handley convincingly portrays an anti democratic monarch who together with allies in big business and the corrupt Thai military has protected a centuries old barely modified feudal dynasty

When at nineteen Bhumibol assumed the throne after the still unsolved shooting of his brother the Thai monarchy had been stripped of power and prestige Over the ensuing decades Bhumibol became the paramount political actor in the kingdom crushing critics while attaining high status among his people The book details this process and depicts Thailand's unique constitutional monarch in the full light of the facts

Spreading the Dhamma Daniel Veidlinger, 2006-08-31 How did early Buddhists actually encounter the seminal texts of their religion What were the attitudes held by monks and laypeople toward the written and oral Pali traditions In this pioneering work Daniel Veidlinger explores these questions in the context of the northern Thai kingdom of Lan Na Drawing on a vast array of sources including indigenous chronicles reports by foreign visitors inscriptions and palm leaf manuscripts he traces the role of written Buddhist texts in the predominantly oral milieu of northern Thailand from the fifteenth to the nineteenth centuries Veidlinger examines how the written word was assimilated into existing Buddhist and monastic practice in the region considering the use of manuscripts for textual study and recitation as well as the place of writing in the cultic and ritual life of the faithful He shows how manuscripts fit into the economy describes how they were made and stored and highlights the understudied issue of the cult of the book in Theravada Buddhism Looking at the wider Theravada world Veidlinger argues that manuscripts in Burma and Sri Lanka played a more central role in the preservation and dissemination of Buddhist texts By offering a detailed examination of the motivations driving those who sponsored manuscript production this study draws attention to the vital role played by forest dwelling monastic orders introduced from Sri Lanka in the development of Lan Na's written Pali heritage It also considers the rivalry between those monks who wished to preserve the older oral tradition and monks rulers and laypeople who supported the expansion of the new medium of writing

Relics, Ritual, and Representation in Buddhism Kevin Trainor, 1997-06-13 This book is a serious study of relic veneration among South Asian Buddhists Drawing on textual sources and archaeological evidence from India and Sri Lanka including material rarely examined in the West it looks specifically at the practice of relic veneration in the Sri Lankan Theravada Buddhist tradition The author portrays relic veneration as a technology of remembrance and representation which makes present the Buddha of the past for living Buddhists By analysing the abstract ideas emotional orientation and ritual behaviour centred on the Buddha's material remains he contributes to the rematerializing of Buddhism which is currently under way among Western scholars This book is an excellent introduction to Buddhist relics It is well written and accessible and will be read by scholars and serious students of Buddhism and religious studies for years to come

Religions of the Ancient World Sarah Iles Johnston, 2004-11-30 This groundbreaking first basic reference work on ancient religious beliefs collects and organizes available information on ten ancient cultures and traditions including Greece Rome and Mesopotamia and offers an expansive comparative perspective on each one

Imagining India Ronald Inden, 2000 This edition contains a new introduction

Beyond Words Andrew Apter, 2007-07 Even within anthropology a discipline that strives to overcome misrepresentations of peoples and cultures colonialist depictions of the so

called Dark Continent run deep The grand narratives tribal tropes distorted images and natural histories that forged the foundations of discourse about Africa remain firmly entrenched In *Beyond Words* Andrew Apter explores how anthropology can come to terms with the colonial library and begin to develop an ethnographic practice that transcends the politics of Africa's imperial past The way out of the colonial library Apter argues is by listening to critical discourses in Africa that reframe the social and political contexts in which they are embedded Apter develops a model of critical agency focusing on a variety of language genres in Africa situated in rituals that transform sociopolitical relations by self consciously deploying the power of language itself To break the cycle of Western illusions in discursive constructions of Africa he shows we must listen to African voices in ways that are culturally and locally informed In doing so Apter brings forth what promises to be a powerful and influential theory in contemporary anthropology

The Enigmatic Realm of **Purity Of Kingship**: Unleashing the Language is Inner Magic

In a fast-paced digital era where connections and knowledge intertwine, the enigmatic realm of language reveals its inherent magic. Its capacity to stir emotions, ignite contemplation, and catalyze profound transformations is nothing in short supply of extraordinary. Within the captivating pages of **Purity Of Kingship** a literary masterpiece penned by a renowned author, readers embark on a transformative journey, unlocking the secrets and untapped potential embedded within each word. In this evaluation, we shall explore the book's core themes, assess its distinct writing style, and delve into its lasting impact on the hearts and minds of those that partake in its reading experience.

Purity Of Kingship Introduction

Purity Of Kingship Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Purity Of Kingship Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Purity Of Kingship : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Purity Of Kingship : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Purity Of Kingship Offers a diverse range of free eBooks across various genres. Purity Of Kingship Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Purity Of Kingship Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Purity Of Kingship, especially related to Purity Of Kingship, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Purity Of Kingship, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Purity Of Kingship books or magazines might include. Look for these in online stores or libraries. Remember that while Purity Of Kingship, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Purity Of Kingship eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Purity Of Kingship full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Purity Of Kingship eBooks, including some popular titles.

FAQs About Purity Of Kingship Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Purity Of Kingship is one of the best book in our library for free trial. We provide copy of Purity Of Kingship in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Purity Of Kingship. Where to download Purity Of Kingship online for free? Are you looking for Purity Of Kingship PDF? This is definitely going to save you time and cash in something you should think about.
