Purity's Shame:

Purity's Shame Janette Seymour, 1978 *Deconstructing Purity Culture to Embrace Sexual Pleasure* Andrey Jones, 2025-03-18 In *Deconstructing Purity Culture to Embrace Sexual Pleasure* certified sex therapist Andrey Jones explains how purity culture came to fruition and how its teachings have affected the sexuality and pleasure of generations of women. Women from this community often report difficulty with religious sexual shame, lack of sexual desire, pain during sex, and sexual dysfunction. This book focuses on how the messages of purity culture have impacted the ability of women to embrace their sexuality and pleasure. It provides guidance and tools needed to identify and evaluate beliefs and messages they received about sex, pleasure, and their roles as women so they can decide which of these messages and beliefs they would like to preserve and which they would like to change or discard. Included in this book is a seven-session psychoeducational curriculum that can be used with individuals or in a group setting. This book was written for therapists and mental health professionals who wish to understand and work with women in this population on their path of healing. **Honor, Patronage, Kinship, & Purity** David A. deSilva, 2022-10-04 In this thoroughly revised and expanded edition of a milestone study, a careful explanation of four essential cultural themes offers readers a window into how early Christians sustained commitment to distinctly Christian identity and practice and with it a new appreciation of the New Testament, the gospel, and Christian discipleship. *The Waking Engine* David Edison, 2014-02-11 Welcome to the City Unspoken where Gods and Mortals come to die. Contrary to popular wisdom, death is not the end, nor is it a passage to some transcendent afterlife. Those who die merely awake as themselves on one of a million worlds where they are fated to live until they die again and wake up somewhere new. All are born only once but die many times until they come at last to the City Unspoken where the gateway to True Death can be found. Wayfarers and pilgrims are drawn to the City which is home to murderous aristocrats, disguised gods and goddesses, a sadistic faerie princess, immortal prostitutes and queens, a captive angel, gangs of feral Death Boys and Charnel Girls, and one very confused New Yorker. Late of Manhattan, Cooper finds himself in a City that is not what it once was. The gateway to True Death is failing so that the City is becoming overrun by the Dying who clot its byzantine streets and alleys, and a spreading madness threatens to engulf the entire metaverse. Richly imaginative. David Edison's *The Waking Engine* is a stunning debut by a major new talent. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. **Rape Culture, Purity Culture, and Coercive Control in Teen Girl Bibles** Caroline Blyth, 2021-02-10 In this fascinating book, Caroline Blyth takes a close look at Bibles marketed to teen girls and asks how these might perpetuate harmful gender stereotypes that lie at the heart of rape culture. The author considers the devotionals, commentaries, and advice sections placed throughout these Bibles which offer teen girl readers life advice on topics such as friendships, body image, and how to navigate romantic relationships. Within these discussions, there is a strong emphasis on modesty, purity, and sexual passivity as markers of young women's godliness. Yet, as the author argues, these

gendered ideals are prescribed to readers using rape supportive discourses and the tactics of coercive control Moreover the placement of these various editorial inserts within the pages of sacred scripture gives them considerable power to reinforce deeply harmful ideologies about gender sexuality and sexual violence Given the seeming popularity of these Bibles among Christian teen girls the need to dismantle their damaging rhetoric is especially urgent This book will be of particular interest to those studying the Bible religion gender and theology as well as the general reader The 4 Pillars of Purity Jonathan Daugherty,2012-03 In this book readers will discover The essential principles of biblical purity Practical ideas for daily purity Insightful answers to actual real life purity questions Helpful resources to further growth Real hope for a new life Filled with stories and personal transparency Jonathan will take readers on a journey where they can gain the confidence to uncover secrets understand exactly what is necessary for change and make the move towards the life God has always wanted for them Jonathan even guarantees readers will become men and women of purity when they implement the four pillars outlined in the book This book is for anyone who is ready to take on the often secret realm of personal purity and embark on laying a new foundation for building a life of integrity and purpose *Evangelical Purity Culture and Its Discontents* Kathryn House,Sara Moslener,2025-05-09 This volume is a collection of cutting edge interdisciplinary and creative essays that establishes a new approach to the study of evangelical purity culture It is a critical starting point for anyone seeking to understand this movement or begin their own research The book brings together the work of the Purity Culture Research Collective an independent and unaffiliated organization of scholars mental health professionals artists and advocates dedicated to studying the origins and impact of evangelical purity culture The study of purity culture is an interdisciplinary project using a variety of theories and methods including those from psychology religious studies sociology ethics biblical theological studies queer studies feminist studies historical studies and critical race studies Chapters in this volume employ various methods of inquiry with some framing their work in traditional academic prose and others making use of self reflexive analysis to acknowledge their own experiences as informing their arguments and conclusions This collection of essays reflects emerging scholarship both within and beyond the academy and stands as an example of how traditional academic analysis can be released from the confines of disembodied scholarship and is enriched by a diversity of approaches This book was originally published as a special issue of *Theology Sexuality* Nondual Therapy Georgi Y. The Purity Myth Jessica Valenti,2010-02 The United States is obsessed with virginity from the media to schools to government agencies This panic is ensuring that young women s ability to be moral agents is absolutely dependent on their sexuality Jessica Valenti executive editor of Feministing com and author of Full Frontal Feminism and Yes Means Yes addresses this poignant issue in her latest book The Purity Myth Valenti argues that the country s intense focus on chastity is extremely damaging to young women Through in depth analysis of cultural stereotypes and media messages Valenti reveals that powerful messages ranging from abstinence curriculum to Girls Gone Wild commercials place a young woman s worth entirely on her sexuality Morals are therefore linked purely to sexual behavior as opposed to values like honesty kindness and altruism Valenti approaches the topic head on shedding light on chastity in a historical context abstinence only education pornography and public punishments for those who dare to have sex among other critical issues She also offers solutions that pave the way for a future without a damaging emphasis on virginity including a call to rethink male sexuality and reframing the idea of losing it With Valenti s usual balance of intelligence and wit The Purity Myth presents a powerful and revolutionary argument that girls and women even in this day and age are overly valued for their sexuality and that this needs to stop
