Hombres de Pro José María de Pereda, 2023-12-18 En *Los Hombres de Pro* José María de Pereda presenta una narrativa realista y una vida que retrata la vida de la burguesía rural de Cantabria en el siglo XIX. A través de personajes matizados y situaciones cotidianas Pereda explora las dinámicas sociales y económicas de su entorno empleando un estilo que combina descripciones detalladas con un lenguaje coloquial característico de la región. Su obra inmersa en el contexto del realismo español sirve tanto como un documento sociocultural como una crítica a las aspiraciones y contradicciones de la clase media emergente de la época. José María de Pereda es una de las figuras más representativas del regionalismo literario español; se destaca por su profundo amor por la naturaleza y su tierra natal Cantabria. Influenciado por su entorno familiar y cultural así como por la corriente romántica, Pereda se dedica a plasmar con gran maestría las costumbres y el paisaje de su región en su literatura. Su compromiso con la realidad de los hombres de su tiempo lo impulsa a abordar temáticas que trascienden su época y que aún resuenan en la actualidad. Recomendando encarecidamente *Los Hombres de Pro* a aquellos que buscan una inmersión literaria en la historia y sociedad española del siglo XIX. La obra no solo cautiva por su narrativa envolvente sino que también invita a la reflexión sobre las realidades sociales de la época, lo que la convierte en una lectura esencial para estudiantes y amantes de la literatura.

La Risa, 1888 **El gran dolor del mundo** Francisco Candel, 2017-02-16 El gran dolor del mundo reúne una amplia selección de los diarios íntimos de Francisco Candel, quien lleva constancia de su vida desde 1944 hasta pocas semanas antes de morir en 2007. En la cubierta del primer volumen de sus diarios Francisco Candel escribe: Quien quiera que seas si por casualidad tropiezas con este cuaderno no cometas la indiscreción de leerlo. Sin embargo con el tiempo cobra conciencia de su interés como testimonio incalculable de una época y de sí mismo. Candel fue un hombre de frontera entre el precario mundo que le vio nacer al que se aferra fiel en su obra toda la vida y el mundo letrado catalán al que se incorpora contando solo con su intensa vocación por la literatura. Este volumen se cierra con la muerte de Franco, un hecho que se convierte en una obsesión para él, pues significaba el fin del autoritarismo político. A lo largo de su obra Candel recorrió ampliamente su propia biografía pero los diarios escritos con una minuciosidad conmovedora ponen de manifiesto la coherencia entre vida y obra, la creencia en la responsabilidad universal a la manera en que la sintieron los escritores rusos: cada uno de nosotros es responsable ante los demás por todo lo que ocurre. Tal pensamiento le condujo a una estética de un realismo radical donde solo tenía cabida la verdad de lo observado por él. Los diarios recogen la pica cotidiana de la gente que sufre a la que acecha la miseria y a la que Candel dota de una particular elevación moral. El gran dolor del mundo también da cuenta de sus preocupaciones de su lucha por ser un escritor más allá de la precariedad de sus orígenes, sus problemas con la censura, sus angustias metafísicas, la vida cotidiana bajo el franquismo o la difícil felicidad conyugal.
