Purple Passage Madeleine B. Stern, 2001-01-01 **Beyond the Lines** Joshua Brown, 2023-04-28 In this wonderfully illustrated book Joshua Brown shows that the wood engravings in the illustrated newspapers of Gilded Age America were more than a quaint predecessor to our own sophisticated media As he tells the history and traces the influence of Frank Leslie s Illustrated Newspaper with relevant asides to Harper s Weekly the New York Daily Graphic and others Brown recaptures the complexity and richness of pictorial reporting He finds these images to be significant barometers for gauging how the general public perceived pivotal events and crises the Civil War Reconstruction important labor battles and more This book is the best available source on the pictorial riches of Frank Leslie s newspaper and the only study to situate these images fully within the social context of Gilded Age America *Beyond the Lines* illuminates the role of illustration in nineteenth century America and gives us a new look at how the social milieu shaped the practice of illustrated journalism and was in turn shaped by it In this wonderfully illustrated book Joshua Brown shows that the wood engravings in the illustrated newspapers of Gilded Age America were more than a quaint predecessor to our own sophisticated media As he tells the history and traces the influence of DIV **The Art of Football** Michael Oriard, 2017-08 The Art of Football is a singular look at early college football art and illustrations This collection contains more than two hundred images many rare or previously unpublished from a variety of sources including artists Winslow Homer Edward Penfield J C Leyendecker Frederic Remington Charles Dana Gibson George Bellows and many others Along with the rich art that captured the essence of football during its early period Michael Oriard provides a historical context for the images and for football during this period showing that from the beginning it was perceived more as a test of courage and training in manliness than simply an athletic endeavor Oriard s analysis shows how these early artists had to work out for themselves and for readers what in the new game should be highlighted and how it should appear on the page or canvas The Art of Football takes modern readers back to the day when players themselves were new to the sport and illustrators had to show the public what the new game of football was Oriard demonstrates how artists focused on football s dual nature as a grueling sport to be played and as a social event and spectacle to be watched Through its illustrations and words The Art of Football gives readers an engaging look at the earliest depictions of the game and the origins of the United States as a football nation The Journalist's Bookshelf Roland Edgar Wolseley, Isabel Wolseley, 1986 **Saturday Review** , 1953 **Stage Lives** , 1985-02-14 Product information not available Just Looking (Routledge Revivals) Rachel Bowlby, 2009-11-18 The spectacular development of early consumer society in Britain France and the United States had a profound impact on constructions of femininity and masculinity and commercial and cultural values in the late nineteenth and early twentieth centuries Focusing on novels by Theodore Dreiser George Gissing and Emile Zola Just Looking first published in 1985 addresses itself to a central paradox of the period the perceived antithesis of the terms commerce and culture which emerged at a time which saw the actual drawing together of commercial

and cultural practices Drawing on structural psychoanalytic and Marxist feminist theory Rachel Bowlby retrieves a relatively neglected literary area for contemporary political and theoretical concerns re establishing the naturalist novel as a rich source for feminists literary theorists and cultural historians

California Frank Leslie, 2024-08-05 Miriam Squier 1836 1914 an actress turned journalist who eventually became a powerful figure in American publishing married publisher Frank Leslie in 1874 In 1877 the couple traveled to California and Mrs Leslie recorded details of their luxurious transcontinental rail trip California a pleasure trip from Gotham to the Golden Gate 1877 chronicles the scenes they passed en route as well as San Francisco s welcome for the visiting Eastern notables Her account gives special attention to that city s Chinatown as well as the attractions of Los Angeles and Yosemite On the return journey Leslie pictures the desolation of the mining town of Virginia City Nevada and the prosperity and progress of Salt Lake City where she interviewed Brigham Young The editor s introduction provides details of the attacks brought by publication of the book with critics exposing Mrs Leslie s illegitimate birth and complicated marital career
