## Purple Kiss:

*27 Kiss and Tales* Mitchell Sanon, 2019-09-20 My journey started in Haiti where I spent most of my life Due to some unforeseen turn of events as experienced by many living in a third world country my family migrated to the United States I was only 17 at the time Finishing high school in Miami I ended up going to college But it soon became apparent to me that college was not the place for my creativity to thrive So I left and started pursuing what I believe to be my calling I have always been writing poems and songs as a hobby but I never thought I would be writing them for a career But slowly I started getting praise from my friends and family alike I always knew I had a talent for it and with a little more support from those closest to me I decided to keep writing That is how I compiled this collection of poems 27 kiss and tales is my first ever book and it is a story about someone I met who is very special in my life who also helped me feel things which I never thought were possible This compilation is a navigation for the ones whose hearts speak only in tears I believe everyone has a calling and I am fortunate to have found mine

*The Lauras* Sara Taylor, 2017-08-01 Shortlisted for the 2017 Sunday Times Young Writer of the Year From critically acclaimed and Baileys Prize nominated author Sara Taylor comes a dazzling new novel about youth identity and family secrets After a fight with Alex s father Ma pulls Alex out of bed and onto a pilgrimage of self discovery through her own enthralling past Guided by a memory map of places and people from Ma s life before motherhood the pair travels from Virginia to California each new destination and character revealing secrets stories and unfinished business As Alex s coming of age narrative unfolds across the continent we meet a cast of riveting and heartwarming characters including brilliant Annie who seeks the help of Ma and Alex to escape the patriarchal cult in which she was raised and the tragic young Marisol whose dreams of becoming a mother end in heartbreak Slowly Alex begins to realize that the road trip is not a string of arbitrary stops but a journey whose destination is perhaps Ma s biggest secret of all Told from the perspective of Alex a teenager who equates gender identification with unwillingly choosing a side in a war and written with a stunningly assured lyricism *The Lauras* is a fearless study of identity set against the gorgeously rendered landscape of North America

*Mu Shiyong* Andrew David Field, 2014-03-01 Shanghai s Literary Comet When the avant garde writer Mu Shiyong was assassinated in 1940 China lost one of its greatest modernist writers while Shanghai lost its most detailed chronicler of the city s Jazz Age nightlife Mu s highly original stream of consciousness approach to short story writing deserves to be re examined and re read As Andrew Field argues Mu advanced modern Chinese writing beyond the vernacular expression of May Fourth giants Lu Xun and Lao She to reveal even more starkly the alienation of a city trapped between the forces of civilization and barbarism in the 1930s *Mu Shiyong China s Lost Modernist* includes translations of six short stories four of which have not appeared before in English Each story focuses on Mu s key obsessions the pleasurable yet anxiety ridden social and sexual relationships in the modern city and the decadent maelstrom of consumption and leisure epitomized by the dance hall and nightclub In his introduction Field situates Mu s work within the transnational and

hedonistic environment of inter war Shanghai the city's entertainment economy as well as his place within the wider arena of Jazz Age literature from Berlin Paris Tokyo and New York His dazzling chronicle of modern Shanghai gave rise to Chinese modernist literature His meteoric career as a writer a fl neur and allegedly a double agent testifies to cosmopolitanism at its most flamboyant brilliant and enigmatic Andrew Field's translation is concise and lively and his account of Mu Shiying's adventure in modern Shanghai is itself a fascinating story This is a splendid book for anyone interested in the dynamics of Shanghai modern David Der wei Wang Harvard University Mu Shiying was one of China's pioneer modernists and his stories are full of inventive touches including his own experimental technique of stream of consciousness that evoke the emergent splendour of urban decadence of Shanghai in the 1930s This English translation of his most important stories edited and translated by an acknowledged historian of Shanghai culture is long overdue Leo Ou fan Lee author of Shanghai Modern The Flowering of a New Urban Culture in China 1930 1945 During his short tumultuous life Mu Shiying produced a small oeuvre of remarkable short stories that stand out in the wider context of modern Chinese literature He captures the essence of the Shanghai jazz age with his racy musical and often fragmented prose which blends a genuine excitement about the wonders of the Paris of the East with an at times sobering undertone of social critique Unlike some of the more explicitly left wing writers of his time Mu never relinquishes the medium for the message He is first and foremost a writer of experimental original work that even nowadays has lost nothing of its power As a teacher of modern Chinese literature I am delighted that this new translation has become available Michel Hockx Director SOAS China Institute      **The Ice Hotel** Hania

Allen, 2021-02-04 Refreshing I look forward to reading more Alex Gray First rate Sunday Sport A seasonal hotel where murder can be made to disappear with the sun Maggie Stewart travels with friends Liz and Harry to the Ice Hotel a surreal building in Swedish Lapland constructed from ice cut from the nearby river During the day it is a museum housing ice sculptures but at night it becomes a novelty hotel Shortly after their arrival the holiday turns into a nightmare A near miss snowmobile accident is followed by the discovery of the frozen body of one of the hotel's American guests Maggie is shocked to learn that this was no accident the American was drugged and pushed out of his sleeping bag to freeze to death in the room As the body count rises and Maggie finds herself in mortal danger she realises that the only person she can trust is Thomas Hallengren the detective leading the case But can he uncover the killer's identity before the Ice Hotel and other buildings the Ice Chapel and Ice Theatre melt back into the river taking the clues with them Praise for Hania Allen A fresh new find for crime fans Sunday Post Nicely nasty in all the right places The story rattles along until bringing the curtain down with an unnerving twist Craig Robertson Captivating characters and an intriguing plot A great new find for crime fans Lin Anderson Pitch perfect a witty tense crime novel written in a highly readable style Russel D McLean      **Kids Gone Wild** Joel Best, Kathleen A. Bogle, 2014-08-29 But why do stories like these find such media traffic exploiting parents worst fears How do these rumors get started and how do they travel around the country and even across the globe In Kids Gone Wild

best selling authors Joel Best and Kathleen A Bogle use these stories about the fears of the growing sexualization of childhood to explore what we know about contemporary legends and how both traditional media and the internet perpetuate these rumors while at times debating their authenticity Best and Bogle describe the process by which such stories spread trace how and to where they have moved and track how they can morph as they travel from one medium to another Ultimately they find that our society's view of kids raging out of control has drastic and unforeseen consequences fueling the debate on sex education and affecting policy decisions on everything from the availability of the morning after pill to who is included on sex offender registries
