Purpose Of Intervention Changing Beliefs About The Use Of Force

Michael Waibel

Purpose Of Intervention Changing Beliefs About The Use Of Force:

The Purpose of Intervention Martha Finnemore, 2013-01-14 Violence or the potential for violence is a fact of human existence. Many societies, including our own, reward martial success or skill at arms. The ways in which members of a particular society use force reveal a great deal about the nature of authority within the group and about its members' priorities. In *The Purpose of Intervention*, Martha Finnemore uses one type of force—military intervention—as a window onto the shifting character of international society. She examines the changes over the past 400 years about why countries intervene militarily, as well as in the ways they have intervened. It is not the fact of intervention that has altered, she says, but rather the reasons for and meaning behind intervention: the conventional understanding of the purposes for which states can and should use force. Finnemore looks at three types of intervention: collecting debts, addressing humanitarian crises, and acting against states perceived as threats to international peace. In all three, she finds that what is now considered obvious was vigorously contested or even rejected by people in earlier periods for well-articulated and logical reasons. A broad historical perspective allows her to explicate long-term trends: the steady erosion of force's normative value in international politics; the growing influence of equality norms in many aspects of global political life; and the increasing importance of law in intervention practices.

Rewriting Histories of the Use of Force Agatha Verdebout, 2021-09-23 It is commonly taught that the prohibition of the use of force is an achievement of the twentieth century and that beforehand States were free to resort to the arms as they pleased. International law, the story goes, was indifferent to the use of force. Reality, as it stems from historical sources, however, appears much more complex. Using tools of history, sociology, anthropology, and social psychology, this monograph offers new insights into the history of the prohibition of the use of force in international law. Conducting in-depth analysis of nineteenth-century doctrine and State practice, it paves the way for an alternative narrative on the prohibition of force and seeks to understand the origins of international law's traditional account. In so doing, it also provides a more general reflection on how the discipline writes, rewrites, and chooses to remember its own history.

The Legality and Legitimacy of the Use of Force in Northeast Asia Brendan Howe, Boris Kondoch, 2013-06-06 In *The Legality and Legitimacy of the Use of Force in Northeast Asia*, Brendan Howe and Boris Kondoch bring together distinguished authors with extensive Northeast Asian backgrounds to offer a diverse and comprehensive evaluation of when it is right from regional perspectives to use force in international relations. The use of force in international relations has been severely curtailed by pragmatic considerations of international order and further constrained by positive international law. In Northeast Asia, the prohibition of aggression has remained uncontested. Strict adherence to non-intervention in Northeast Asia has, however, increasingly come under attack from internal and external normative communities. The contributors therefore use regional legal, normative, cultural, and historical insights to shed light on the contemporary positions of Northeast Asian political communities with regard to the use of force.

The Use of Force under International Law Fernando

Nuñez-Mietz,2018-09-21 The international system is becoming increasingly legalized with legal arguments and legal advisors playing an increasingly important part in the state policymaking process Presenting a practice oriented theory of compliance with international law this book shows how international law affects the behavior of increasingly lawyerized states in an ever more legalized world By highlighting the legalization of international legitimation and the lawyerization of policymaking as the new engines of compliance the book s analytical framework rethinks the relationship between state behavior and international law and provides an empirical focus on security through the study of NATO s military intervention in Yugoslavia in 1999 and the changes in the US detention and interrogation programs in the War on Terror Relying on primary sources the author demonstrates the effect of lawyerized decision making on international law compliance reconstructing the strategies of de legitimation used to show that international law is the hegemonic frame of reference in interstate debates This book will be of interest to scholars of international relations government studies foreign service studies and lawyers employed in government work

International Legitimacy and the Domestic Use of Force Megan Price,2022-07-01

This book examines how states justify the domestic use of military force to foreign audiences By deploying a sociological approach to legitimacy and drawing on conceptual tools which deal directly with the dynamics of justification it offers a novel framework for understanding the politics of international legitimacy and domestic armed action The framework is grounded in detailed qualitative analyses of civil wars in Sri Lanka 2006 2009 and Aceh Indonesia 2003 2005 The book shows that the meaning of legitimacy in a particular context does not flow directly from a menu of relevant rules norms and ideas Rather legitimacy is always politically contested When states justify fighting at home the success of their claims is determined by their capacity to appeal to rules and norms but also to frame their action in ways that their audiences find compelling Therefore the framework offered in this book draws attention to the crucial but largely neglected role of audiences in the constitution of legitimacy This book will be of interest to students of security studies law human rights and international relations

In the Shadow of International Law

Michael Poznansky,2020 In this book Michael Poznansky asks why countries sometimes pursue activities such as regime change in the shadows rather than out in the open for the world to see He finds that international law plays a key role in this decision making process because senior government officials especially in the United States are sensitive to brazenly violating rules surrounding when countries should and shouldn t intervene in the internal affairs of others He argues that while the existence of such restrictions don t always prevent great powers from undertaking regime change when it suits their interests they do have meaningful impacts

Theorising the Responsibility to Protect Ramesh Thakur,William Maley,2015-07-22 One of the most important developments in world politics in the last decade has been the spread of the idea that state sovereignty comes with responsibilities as well as privileges and that there exists a global responsibility to protect people threatened by mass atrocities The principle of the Responsibility to Protect is an acknowledgment by all who live in zones of safety of a duty of care towards those in zones of danger Thakur and Maley

argue that this principle has not been discussed sufficiently in the context of international and political theory in particular the nature and foundations of political and international order and the strength and legitimacy of the state The book brings together a range of authors to discuss the different ways in which the Responsibility to Protect can be theorised using case studies to locate the idea within wider traditions of moral responsibilities in international relations [African Interventions](#) Emizet F. Kisangani, Jeffrey Pickering, 2021-11-11 Foreign military intervention has had a profound impact on post colonial African history and politics Interventions have destabilized borderlands overthrown governments and taken a devastating toll on populations Emizet F Kisangani and Jeffrey Pickering advance a new theoretical framework and combine quantitative qualitative and historical methods to shed fresh light on these important but understudied events Their detailed analysis brings understanding to supportive and hostile interventions and to interventions by former colonial states non colonial foreign actors and African countries Kisangani and Pickering also analyse military incursions into ungoverned territories and lands engulfed in civil war Showcasing a variety of examples from the Second Congo War to the Ethiopian Eritrean conflict the book offers a rich and accessible examination of military intervention on the continent *International Encyclopedia of Political Science* Bertrand Badie, Dirk Berg-Schlosser, Leonardo Morlino, 2011-09-07 With entries from leading international scholars from around the world this eight volume encyclopedia offers the widest possible coverage of key areas both regionally and globally The International Encyclopedia of Political Science provides a definitive comprehensive picture of all aspects of political life recognizing the theoretical and cultural pluralism of our approaches and including findings from the far corners of the world The eight volumes cover every field of politics from political theory and methodology to political sociology comparative politics public policies and international relations Entries are arranged in alphabetical order and a list of entries by subject area appears in the front of each volume for ease of use The encyclopedia contains a detailed index as well as extensive bibliographical references Filling the need for an exhaustive overview of the empirical findings and reflections on politics this reference resource is suited for undergraduate or graduate students who wish to be informed effectively and quickly on their field of study for scholars seeking information on relevant research findings in their area of specialization or in related fields and for lay readers who may lack a formal background in political science but have an interest in the field nonetheless The International Encyclopedia of Political Science provides an essential authoritative guide to the state of political science at the start of the 21st century and for decades to come making it an invaluable resource for a global readership including researchers students citizens and policy makers The encyclopedia was developed in partnership with the International Political Science Association Key Themes Case and Area Studies Comparative Politics Theory and Methods Democracy and Democratization Economics Epistemological Foundations Equality and Inequality Gender and Race Ethnicity International Relations Local Government Peace War and Conflict Resolution People and Organizations Political Economy Political Parties Political Sociology Public Policy and Administration Qualitative Methods Quantitative Methods

Religion **The Emergence of Humanitarian Intervention** Fabian Klose, 2016 A study of the emergence and development of humanitarian intervention from the nineteenth century through to the present day Drawing from a multitude of disciplines it investigates the complex and controversial debates over the legitimacy of protecting humanitarian norms and universal human rights by violent as well as non violent means **Genocide** Donald Bloxham, A. Dirk Moses, 2022-03-24 The growth of scholarship on the pressing problem of genocide shows no sign of abating This volume takes stock of Genocide Studies in all its multi disciplinary diversity by adopting a thematic rather than case study approach Each chapter is by an expert in the field and comprises an up to date survey of emerging and established areas of enquiry while highlighting problems and making suggestions about avenues for future research Each essay also has a select bibliography to facilitate further reading Key themes include imperial violence and military contexts for genocide predicting preventing and prosecuting genocide gender ideology the state memory transitional justice and ecocide The volume also scrutinises the concept of genocide its elasticity limits and problems It does not provide a definition of genocide but rather encourages the reader to think critically about genocide as a conceptual and legal category concerned with identity based violence against civilians

Coercing Compliance Robert Mandel, 2015-02-04 Few global security issues stimulate more fervent passion than the application of brute force Despite the fierce debate raging about it in government society and the Academy inadequate strategic understanding surrounds the issue prompting the urgent need for the first comprehensive systematic global analysis of 21st century state initiated internal and external applications of brute force Based on extensive case evidence Robert Mandel assesses the short term and long term the local and global the military political economic and social and the state and human security impacts of brute force He explicitly isolates the conditions under which brute force works best and worst by highlighting force initiator and force target attributes linked to brute force success and common but low impact force legitimacy concerns Mandel comes to two major overarching conclusions First that the modern global application of brute force shows a pattern of futility but one that is more a function of states misapplication of brute force than of the inherent deficiencies of this instrument itself Second that the realm for successful application of state initiated brute force is shrinking for while state initiated brute force can serve as a transitional short run local military solution he says it cannot by itself provide a long run global strategic solution or serve as a cure for human security problems Taking the evidence and his conclusions together Mandel provides policy advice for managing brute force use in the modern world

Sovereign Defaults before International Courts and Tribunals Michael Waibel, 2011-05-26 International law on sovereign defaults is underdeveloped because States have largely refrained from adjudicating disputes arising out of public debt The looming new wave of sovereign defaults is likely to shift dispute resolution away from national courts to international tribunals and transform the current regime for restructuring sovereign debt Michael Waibel assesses how international tribunals balance creditor claims and sovereign capacity to pay across time The history of adjudicating

sovereign defaults internationally over the last 150 years offers a rich repository of experience for future cases US state defaults quasi receiverships in the Dominican Republic and Ottoman Empire the Venezuela Preferential Case the Soviet repudiation in 1917 the League of Nations the World War Foreign Debt Commission Germany's 30 year restructuring after 1918 and ICSID arbitration on Argentina's default in 2001 The remarkable continuity in international practice and jurisprudence suggests avenues for building durable institutions capable of resolving future sovereign defaults

Understanding the Global Community Suzette R. Grillo, Zach P. Messitte, 2013-02-14 Since the end of the Cold War interaction among communities across the globe has increased exponentially Globalization has changed how we live how we communicate what we eat and how we travel around the world What do such social political and economic changes mean in a twenty first century context *Understanding the Global Community* explores these and other key questions offering a concise overview of contemporary topics in international relations Edited by Zach P Messitte and Suzette R Grillo with contributions from prominent scholars across various disciplines this accessible survey is perfectly suited for undergraduate courses in international and area studies as well as for anyone seeking a clearer understanding of today's major global concerns Unique in its approach *Understanding the Global Community* examines both international issues and regional perspectives The first half of the book explores overarching global themes including American foreign policy international security humanitarian intervention and the global economy The second half addresses nationalism and its challenge to the development of a global community with region specific chapters focusing on historic and contemporary issues in China Europe Latin America and the Middle East A glossary at the end of the book provides useful definitions of key terms and concepts

Against Massacre Davide Rodogno, 2011-11-07 *Against Massacre* looks at the rise of humanitarian intervention in the nineteenth century from the fall of Napoleon to the First World War Examining the concept from a historical perspective Davide Rodogno explores the understudied cases of European interventions and noninterventions in the Ottoman Empire and brings a new view to this international practice for the contemporary era While it is commonly believed that humanitarian interventions are a fairly recent development Rodogno demonstrates that almost two centuries ago an international community under the aegis of certain European powers claimed a moral and political right to intervene in other states affairs to save strangers from massacre atrocity or extermination On some occasions these powers acted to protect fellow Christians when allegedly uncivilized states like the Ottoman Empire violated a right to life Exploring the political legal and moral status as well as European perceptions of the Ottoman Empire Rodogno investigates the reasons that were put forward to exclude the Ottomans from the so called Family of Nations He considers the claims and mixed motives of intervening states for aiding humanity the relationship between public outcry and state action or inaction and the bias and selectiveness of governments and campaigners An original account of humanitarian interventions some two centuries ago *Against Massacre* investigates the varied consequences of European involvement in the Ottoman Empire and the lessons that can be learned for similar

actions today Understanding the Global Community Zach P. Messitte, Suzette R. Grillo, 2013-02-14 Since the end of the Cold War interaction among communities across the globe has increased exponentially Globalization has changed how we live how we communicate what we eat and how we travel around the world What do such social political and economic changes mean in a twenty first century context Understanding the Global Community explores these and other key questions offering a concise overview of contemporary topics in international relations Edited by Zach P Messitte and Suzette R Grillo with contributions from prominent scholars across various disciplines this accessible survey is perfectly suited for undergraduate courses in international and area studies as well as for anyone seeking a clearer understanding of today's major global concerns Unique in its approach Understanding the Global Community examines both international issues and regional perspectives The first half of the book explores overarching global themes including American foreign policy international security humanitarian intervention and the global economy The second half addresses nationalism and its challenge to the development of a global community with region specific chapters focusing on historic and contemporary issues in China Europe Latin America and the Middle East A glossary at the end of the book provides useful definitions of key terms and concepts State Responsibility for Breaches of Investment Contracts Jean Ho, 2018-10-25 This book critically analyses the origins the creation and the evolution of an international law on investment contract protection **The United Nations in the 21st Century** Karen A. Mingst, Margaret P. Karns, Alynna J. Lyon, 2018-05-04 The United Nations in the 21st Century provides a comprehensive yet accessible introduction to the United Nations exploring the historical institutional and theoretical foundations of the UN This popular text for courses on international organizations and international relations also discusses the political complexities facing the organization today Thoroughly revised throughout the fifth edition focuses on major trends since 2012 including changing power dynamics increasing threats to peace and security and the growing challenges of climate change and sustainability It examines the proliferating public private partnerships involving the UN and the debates over reforming the Security Council and the Secretary General selection process This edition also includes new case studies on peacekeeping and the use of force in the Democratic Republic of Congo and Mali transnational terrorism and the emergence of ISIS the Security Council's failure to act in Syria the Syrian and global refugee migrant crisis and the conclusion of the Millennium Development Goals and framing of the Sustainable Development Goals **French Interventions in Africa** Stefano Recchia, Thierry Tardy, 2020-12-17 This book explores France's African intervention policy and related legitimization strategies through the United Nations the European Union and various ad hoc multilateral frameworks France's enduring ability to project military power on the African continent and influence political events there has been central to its self perception as a major power However since the end of the cold war France's paternalistic interference has been increasingly questioned not least by African audiences This has produced a gradual and somewhat reluctant turn to multilateralism on the part of French leaders Drawing on in depth case studies of recent French

intervention policy this edited volume critically assesses France's efforts to reassure critics by securing multilateral endorsements share burdens and liabilities through collective implementation and re-affirm its status as a major power by spearheading complex missions The chapters in this book were originally published as a special issue of the Journal of Strategic Studies

Why Europe Intervenes in Africa Catherine Gegout, 2018-01-01

Why Europe Intervenes in Africa analyses the underlying causes of all European decisions for and against military interventions in conflicts in African states since the late 1980s It focuses on the main European actors who have deployed troops in Africa France the United Kingdom and the European Union When conflict occurs in Africa the response of European actors is generally inaction This can be explained in several ways the absence of strategic and economic interests the unwillingness of European leaders to become involved in conflicts in former colonies of other European states and sometimes the Eurocentric assumption that conflict in Africa is a normal event which does not require intervention When European actors do decide to intervene it is primarily for motives of security and prestige and not primarily for economic or humanitarian reasons The weight of past relations with Africa can also be a driver for European military intervention but the impact of that past is changing This book offers a theory of European intervention based mainly on realist and post colonial approaches It refutes the assumptions of liberals and constructivists who posit that states and organisations intervene primarily in order to respect the principle of the responsibility to protect

Decoding **Purpose Of Intervention Changing Beliefs About The Use Of Force**: Revealing the Captivating Potential of Verbal Expression

In an era characterized by interconnectedness and an insatiable thirst for knowledge, the captivating potential of verbal expression has emerged as a formidable force. Its capability to evoke sentiments, stimulate introspection, and incite profound transformations is genuinely awe-inspiring. Within the pages of "**Purpose Of Intervention Changing Beliefs About The Use Of Force**," a mesmerizing literary creation penned with a celebrated wordsmith, readers attempt an enlightening odyssey, unraveling the intricate significance of language and its enduring affect our lives. In this appraisal, we shall explore the book is central themes, evaluate its distinctive writing style, and gauge its pervasive influence on the hearts and minds of its readership.

Purpose Of Intervention Changing Beliefs About The Use Of Force Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Purpose Of Intervention Changing Beliefs About The Use Of Force PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process.

and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Purpose Of Intervention Changing Beliefs About The Use Of Force PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Purpose Of Intervention Changing Beliefs About The Use Of Force free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Purpose Of Intervention Changing Beliefs About The Use Of Force Books

What is a Purpose Of Intervention Changing Beliefs About The Use Of Force PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Purpose Of Intervention Changing Beliefs About The Use Of Force PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Purpose Of Intervention Changing Beliefs About The Use Of Force PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Purpose Of Intervention Changing Beliefs About The Use Of Force PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc.

Purpose Of Intervention Changing Beliefs About The Use Of Force

Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Purpose Of Intervention Changing Beliefs About The Use Of Force PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
