Pursued Athena Force:

Pursued Catherine Mann, 2010-07-17 Air force captain Josie Lockworth came from a long line of American patriots and was expected to follow her family's example. But after a good friend's death, the usually savvy Athena Academy graduate was not performing at her best. Still, when the project she'd been working on for months crashed and burned, she knew it wasn't due to her negligence. Someone was trying to sabotage her career. With the authorities after her head and an unsettling inspector looking over her shoulder, Josie raced to clear her name before she became the next casualty of war. **The Palgrave**

Handbook of Philosophy and Psychoactive Drug Use Rob Lovering, 2024-10-14 In this Handbook, philosophers from around the world address the metaphysics, epistemology, and value of psychoactive mind-altering drug use. In so doing, they attempt to answer questions such as: What does the fact of drug-induced mind-altering experiences tell us about the nature of the mind, free will, and God? What does it tell us about what and how we can know? Are drug-induced mind-altering experiences valuable, morally, aesthetically, or otherwise? Is the acquisition of drug-induced mind-altering experiences ever immoral? Should the acquisition of drug-induced mind-altering experiences ever be legally prohibited? The Handbook gives an overview of the current research and sets the stage for future directions in philosophical thought relating to psychoactive drug use.

Pursuing the Honorable Justin M. Anderson, Kenneth W. McDonald, 2019-05-15 Pursuing the Honorable argues that our modern understanding of honor, as seen through the example of today's military training, is deficient. To remedy this, the book returns to an understanding of the honorable good, especially manifested for philosophers like Aristotle and Cicero in a life of the human virtues. However, because honor, as defined by the honorable good, needs to be applicable to the 21st Century occidental world of liberal democratic values, the study includes careful attention to those conditions under which honor can once again become a live option. While special attention is given to military training, including concrete proposals for its renewal, what the study discovers extends to many forms of human life. **In Athena's Camp** John Arquilla, David

Ronfeldt, 1997-10-07 The information revolution, which is as much an organizational as a technological revolution, is transforming the nature of conflict across the spectrum, from open warfare to terrorism, crime, and even radical social activism. The era of massed field armies is passing because the new information and communications systems are increasing the lethality of quite small units that can call in deadly precise missile fire almost anywhere, anytime. In social conflicts, the Internet and other media are greatly empowering individuals and small groups to influence the behavior of states. Whether in military or social conflicts, all protagonists will soon be developing new doctrines, strategies, and tactics for swarming their opponents with weapons or words, as circumstances require. Preparing for conflict in such a world will require shifting to new forms of organization, particularly the versatile, hardy, all-channel network. This shift will prove difficult for states and professional militaries that remain bastions of hierarchy, bound to resist institutional redesign. They will make the shift as they realize that information and knowledge are becoming the key elements of power. This implies, among other things, that

Mars the old brute force god of war must give way to Athena the well armed goddess of wisdom Accepting Athena as the patroness of this information age represents a first step not only for preparing for future conflicts but also for preventing them

Persecuting Athena Marion Schuler, 2015-07-17 Imagine growing up in a country where one in every four girls will be raped before they turn eighteen Now realize that you already live there For one family that statistic became an impossible reality when their teenage daughter was assaulted by A friend when she was just fifteen The rape of teenage girls by boys they know and often trust is a silent epidemic in North America Bravely Athena stepped up to become one of only an estimated 1 to 2 percent of acquaintance rape victims who report the crime to police What could keep a rape victim from coming forward to demand justice It was a question that haunted the family and one that inspired Athenas mother Marion Schuler to action Written from a mothers point of view Persecuting Athena tells the heartbreaking story of one teen survivors fight for justice in Canadas legal system only to be treated as a criminal herself Marion believed that her daughters rape was the worst thing that could have happened to her but she could not have been more wrong At times the family feared for Athenas survival The young woman endured victim blaming by all levels of the legal system and the experience almost destroyed what had been a stellar young woman The events in Persecuting Athena are shocking but painfully true It is past the time when concerned citizens must demand the social changes needed to save our daughters

Dream Work Jeremy Taylor, 1983 All people dream regularly regardless of their circumstances whether they remember their dreams upon awakening or not From the beginning of human history dreams have been a source of creative inspiration and spiritual renewal emotional and psychological insight and scientific and cultural innovation

Worshipping Athena Jenifer Neils, 1996-12-15 The foremost religious festival of ancient Athens the city dedicated to Athena goddess of war fertility arts and wisdom was the Panathenaia Challenging old assumptions and refuting new theories Worshipping Athena addresses the many problems of interpretation and understanding that have swirled for years around the Panathenaia Among the issues discussed is the recent sensational controversy over the Parthenon frieze perhaps the best known but least understood work of Greek art For centuries the frieze has been thought to represent the Panathenaia procession but recently the argument has been advanced that it depicts the sacrifice of the daughters of the Athenian king Erechtheus Worshipping Athena offers compelling evidence that the frieze does indeed depict the festal procession and also demonstrates that scenes of contemporary ritual were not unique to the Parthenon Editor Jenifer Neils and the contributors eminent classicists archaeologists and art historians explore the role of the Panathenaia in Athenian life and compare it with similar festivals held throughout the ancient Greek world They discuss such topics as the Panathenaia s mythical origins the phenomenon of the festival s valuable prizes oil filled amphoras rather than the customary

laurel wreath and the architecture sculpture and painting related to the festival Worshipping Athena will provide valuable insights to scholars and students concerned with ancient religion mythology art literature and gender issues as well as anyone with a keen interest in the ritual topography of the Athenian Acropolis and the iconography of the Parthenon frieze

The Threads of Fate A. P. Mobley, 2024-01-26 Could the threads of fate be wrong could there be another way to win this war on the gods With Hades s Poseidon s and Zeus s strongest magical items in their possession Andy and Zoey think they re prepared to defeat the tyrannical Greek gods that is until the truth about the immortals living inside their bodies is revealed As it turns out Andy and Zoey aren t reincarnations of Anteros and Calliope They re regular old mortals and regular old mortals can t harness the full powers of the gods objects which is the only way to take down the pantheon Thankfully Asteria shows Andy and Zoey a future where they might emerge victorious in their clash with the gods The issue If they want a shot at saving the world they ll need to reconnect with Anteros and Calliope and allow the immortals to take control of their bodies forever With the help of their friends a dying Titan and a vengeful scheming goddess Andy and Zoey will have to decide whether they can make the ultimate sacrifice to liberate humanity Gods Monsters Magic War on the Gods is a completed series perfect for fans of Greek mythology and dark YA fantasy

Archaic and Classical Greece Matthew Dillon,Christopher Matthew,Michael Schmitz,2020-09-30

Essays examining the influence of gods oracles and omens in the wars of the Archaic and Classical Greek world Religion was integral to the conduct of war in the ancient world and the Greeks were certainly no exception No campaign was undertaken no battle risked without first making sacrifice to propitiate the appropriate gods such as Ares god of War or consulting oracles and omens to divine their plans Yet the link between war and religion is an area that has been regularly overlooked by modern scholars examining the conflicts of these times This volume addresses that omission by drawing together the work of experts from across the globe The chapters have been carefully structured by the editors so that this wide array of scholarship combines to give a coherent comprehensive study of the role of religion in the wars of the Archaic and Classical Greek world Aspects considered in depth will include Greek writers on religion and war declarations of war fate and predestination the sphagia and pre battle sacrifices omens oracles and portents trophies and dedications to cult centers militarized deities sacred truces and festivals oaths and vows religion Greek military medicine Praise for Religion Classical Warfare Archaic and Classical Greece Comprised of ten erudite and impressively informative articles by experts in the field of Greek antiquity A work of meticulous and detailed scholarship Religion Classical Warfare Archaic and Classical Greece must be considered as a core addition to community college and university library Antiquarian Greek History collections and supplemental curriculum studies lists Midwest Book Review
