Pursuing Gods Own Heart Lessons From The Life Of David:

Pursuing God's Own Heart Jerry Vines, 2003 This account of the life of David is written on a popular reading level and covers the main events in David's life while drawing spiritual applications for Christians today Topics discussed include career enemies friendships the occult bereavement worship dreams grace facing the end of life 19 chapters in all **The Pursuit of God's Own Heart** John E. Leon, 2018-06-19 Only one man in the Old Testament was given the profound description by God himself I have found in David a man after my own heart Acts 13:22 Why? Why would God give David such a characterization Wasn't he also a man of failure Of contradictions After all today he would provide headlines for scandal adultery murder cover up and deception And despite those issues there are other pressing questions to ask What are the qualities of one who has such a heart after God? What does that character look like This book takes us on a journey in the life of David discovering what God meant by such a divine inscription regarding the man who would become the greatest and most effective monarch in Israel's history But we will also discover something greater As we travel with David we will soon realize there is a larger story unfolding through David's story It's God's metanarrative His Story We will find there is a deeper message from God that transcends David's life The key that unlocks such a message is given to us long before David is born and spoken by God For those who honor me I will honor and those who despise me shall be lightly esteemed 1 Sam 2:30 As we begin to understand the meaning of this truth we will then learn why God gave David such a description Therefore it is through the lens of David's life we learn the meaning and purpose of the Christian life Why? Because God did not intend such a divine inscription for David only but one which our heavenly Father desires to write on your heart and mine as we pursue to know him Lessons From Life Faron Golden, 2017-01-24 Ever heard the expression the school of hard knocks Most of us have It's a way of saying that life is a place where we learn through difficult situations and experiences Sometimes a person considers the lessons from the school of hard knocks more valuable or at least more practical than the knowledge gained from traditional education through college and university courses The question is what we actually learn from the school of hard knocks In life that school of hard knocks even the best find themselves facing the F word failure So what do we do when we fail Many of us will move through life day by day and we will focus on the big things graduating from school getting married landing a job that pays more and so on But what does the school of hard knocks teach us about little things Do the little things matter We travel the journey of life with the mindset that our life is our own and we can do with it as we please Does our example impact or influence anyone other than ourselves When we face tough decisions especially when no one else is looking does it matter if we do what is right Is what we believe important or do we even need faith at all In Lessons from Life the author provides a look at some principles gleaned from life the school of hard knocks Drawing on experiences of a fighter pilot shot down during the Vietnam War along with his own experiences in life the writer passes along some of the things he learned in the school of hard knocks A Young Man After God's Own Heart Jim

A Man after God's Own Heart Brad Stewart,2015-03-18 David was a man after God's own heart What does it mean to be someone after God's own heart David King psalmist and shepherd gives us a picture with his own life In many ways he is an extraordinary role model a man who was fully human but exceeded expectations and pointed others towards God While the other side of David is most ordinary showing a life filled with destruction chaos tragedy and his personal struggle with sin How then did David become the national hero of God's chosen people Why is he the one character in the Bible described as a man after God's own heart David's life offers hope to all of us It shows that God can do extraordinary things through ordinary men and women And David offers an insightful perspective on what it means to be truly a man to become like David men after God's own heart In this study David will delight and disappoint you At times you will desire to be just like him while at others you will want to turn and run The Life of David is one of the most colorful examples of manhood in all of Scripture You will be introduced to select key characteristics of David's life but unlike David we have time to make our lives right before God and to lovingly lead our homes This interactive study features eight weeks of individual study materials with a leader's guide and suggested teaching plans at the back of the book

ONU,2015-03-11 Speaking to King Saul Prophet Samuel said You have done foolishly You have not kept the Commandment of the Lord your God which He commanded you For now the Lord would have established your kingdom over Israel forever But now your kingdom shall not continue The Lord has sought for Himself a man after His Own Heart and the Lord has commanded him to be commander over His people because you have not kept what the Lord commanded you 1 Sam 13 13 14 You are going to read and study the life and ministry of David the man after God s Own Heart in this book **The Road Warrior After God's Own Heart** Bryan Paul Buckley,2023-10-16 The road Those that travel for business know what I mean by the challenge of the road The road is hard from staying in shape eating and getting any rest to keeping up with the work connecting with your family back home and just finding a few minutes to yourself to think and catch your breath Then you add the relentless distractions and temptations that only a road warrior knows and experiences The evil one whispers everything from Nobody will ever know to It s the cost of doing business to win or keep the deal so it s okay right The guilt shame and regret of the spiritual road warrior are all too often overwhelming and paralyzing One of my biggest challenges on the road is not only finding time alone with God but specially reading something that can relate to my life as a business traveler Until now So why David And what does he have to do with the life of a business traveler Plenty Profound Awareness Dr. Eric J. Palmu,2025-01-28 Releasing my soul back to God was both frightening and exhiliarting The most challenging aspect of release was understanding how the transforming salvation worked My believer s prayer carried a deep sense of freedom for that day The draw of the world made it grow dim My question became why Since that fall afternoon in the late 70s I have studied spiritual formation with one goal n mind to share how intimacy with God works so that you will lead when called *How to Read the Bible in Changing Times* Mark L. Strauss,2011-08-01 Many find it difficult to take words that were written thousands of years ago and apply them to twenty first century life in the Western world How do we read God s unchanging Word in a world that is increasingly defined by change *How to Read the Bible in Changing Times* shows everyday Christians how to interpret and apply the Scriptures regardless of time and culture Rather than seeing the Bible as a magic answer book a list of commands to obey or a series of promises to claim this insightful book allows the Bible to retain its identity as a complex inspired document while showing that the truth it contains is relevant and life changing It shows the reader how to determine the meaning of the text in its original context identify culturally relative features understand what the text teaches about God his will and his purposes apply the truths discovered to contemporary life situations It even shows readers how to discern God s will on the many modern issues that the Bible does not directly address **David** Benjamin J. M. Johnson,2021-11-17 David is one of the most complex and fascinating characters in all of literature

His story exists at a crucial point in the biblical narrative where God turns toward committing to monarchy in Israel. He is the slayer of Goliath, the hero of Israel, and God's chosen king. Yet he is also a manipulator, adulterer, and murderer. This book provides a broad audience of students, lay readers, and scholars with a close reading of David's story, presenting scholarly study of this fascinating and crucial character in an accessible and engaging manner. By carefully presenting David's story, this book addresses how it is possible to consider a flawed and imperfect character like David as a man after God's own heart.

Stories from the Sidelines Malinda Fugate, 2024-09-24. The pages of the Bible are full of ordinary people placed in extraordinary circumstances that we often overlook or forget. *Stories From the Sidelines* offers a refreshing exploration of biblical narratives focusing on characters who played supporting roles rather than the heroes we know and love. Through imaginative retellings, this book explores the lives of various Old and New Testament characters such as Noah's sons, Job's wife, Apollos, and the women of the early church. Each story is followed by an application highlighting the relevance of these ancient accounts in today's world. Readers will encounter characters who may be new to them, like Huldah or the sons of Hassenaah. What was it like to be the younger brother of Joseph or the oldest brother of King David? Two scouts went ahead of Israel into the Promised Land; Joshua became their leader, but the other scout's faithfulness to God is worth remembering. *Stories From the Sidelines* challenges readers to appreciate the depth and complexity of biblical figures often relegated to the margins. It provides insights into human nature and moral choices, encouraging readers to reflect on their own lives and the often-unsung influences around them, and is a compelling invitation to rediscover the richness of biblical stories through the eyes of those who stood on the sidelines but whose lives still offer valuable lessons today.

Day by Day with David Tommie McBrayer, 2021-02-15. Tommie McBrayer is a child of God who has learned throughout her nearly eighty years of living that God is always faithful and she can depend on him in every circumstance. More than forty years ago, she began a study of David's life; she's encouraged and uplifted when reading about the way David responded to God's leadership and always praised him even in the most dangerous and difficult times. In *Day by Day with David*, McBrayer offers a thirty-one-day devotional study about David, the man after God's own heart. She shows this great king as a type of Christ in the Old Testament and offers insight into how his life is relevant for Christians today. A study of I and II Samuel and part of Psalms. *Day by Day with David* describes a great king who was not perfect but still lived in a way that glorified God. *Pillar of Fire*, 1911.
