Ride With Me Around America:

Invisible Journey Across America Passon, 2013-07-12 As you are looking into this book I want you to know that I am not a professional writer or try to impress you with my story This book is about an unexpected journey that I had with my Son We travel the road of America and do the amazing things that I was only dreaming about We had went to may beautiful places heard wonderful stories and get to know the people that live across America who had help us along the way with their open arms I want to share this very special time and incredible experience I had with you It had opened my mind to see life differently and open my heart to live in harmony But important of all is a message that I must pass on to you **Heidi**

Across America Heidi Beierle, 2024-04-30 A memoir of homecoming Heidi Across America is a gritty story of how opening our hearts to others enables us to open our hearts to ourselves and love what we find there Finalist Chanticleer International Book Awards In the summer of 2010 Heidi Beierle had just finished her first year of graduate studies in community and regional planning and decided to pedal her bicycle solo from her home on the west coast across rural America to the Preserving the Historic Road conference in Washington D C What started as a research trip turned into an intimately physical and psychological encounter with self and nationhood Heidi was 35 at the time and didn't love much about herself except her ability to endure grueling physical undertakings She viewed her journey as an opportunity to fix her failures and insufficiencies There were also some research questions she wanted to explore Why do people live in small towns and what do they like about it Did a bicyclist like herself bring economic benefit to the small towns she visited What could communities do to support or invite cyclists to stay in their towns What could cyclists do to support the communities Along the way she was surprised by the kindness of strangers and the emotional pinch of traveling through Wyoming where she grew up Her journey led her through the Plains and into the Ozarks where the heat climbed to agonizing temperatures and every pedal stroke in the heat felt one closer to death By the time she completed the trip Heidi discovered a newfound compassion for herself and a growing love for her country Strangers opened their hearts to her and in turn she opened her heart to herself And her questions began to change and mirror things many Americans are asking themselves today How can I be okay in my own skin What does it mean to be enough How do I satisfy my desire to travel without harming the planet What does it mean to love America For many young people it is a rite of passage to light out on an adventure to see the world and expose themselves to new experiences but we don't often talk about how Americans seeing America can open us to the diversity awe and wonder available right here in our nation Heidi Across America offers a journey to self love empathy consideration for others and respect for the spirit of place as pathways to find connection and home *Shore to Shore, A Father-and-Son Journey Across America* David C. Winyard Sr, 2008-03-01 As a young man David Winyard rode his bicycle from Oregon to Delaware with Wandering Wheels an Indiana based cycling organization The experience was so fulfilling that he repeated the trip a few years later on a tandem bicycle with his wife Traci In 2002 after years of preparation Winyard set out on the same

bike to duplicate his youthful experience with his oldest child David Charles then fourteen At age 45 Winyard found the trip to be a much greater challenge than expected The result SHORE TO SHORE A Father and Son Journey Across America describes their adventure including the surprising lessons learned before during and after their trip **Hitchhiking Across America** Doug Van Gorder,2009-07-19 Today I will hope for a ride This is how I survive I need to bury my pride And pray to God I stay alive *Wide Hips, Narrow Shoulders* Monte Lowrance,2001-05-30 This is a story about a 45 year old man who simplifies his life by getting rid of his material possessions and then sets off around America on a bicycle to discover new ideas about his country and himself The journey takes him through all 48 contiguous states and Washington D C

Homeless Across America Kevin E. Lake,2008-04-29 Homeless Across America is the story of a man who went from being a successful stock broker and family man to being a homeless vagabond traveling around the country and living out of the back of his truck Lake s journey took him to the homes of some of our greatest Presidents such as George Washington Abraham Lincoln and Harry Truman He walked the fields of several decisive battles that occurred on our nation s soil such as the Battle of New Orleans and the fight at the Alamo He traveled much of the very coarse that the Lewis and Clark expedition had traveled more than two hundred years ago while mapping out our nation Lake s travels and the experiences they provided for him played a bigger part in his personal life as well They helped him overcome many of the negative feelings he had about his own personal circumstances by causing him to realize that practically anyone who had ever lived as opposed to simply exist had gone through some sort of turmoil in their past but had made it through to go on to see brighter days

Bicycling Across America'S Great Northwest: When Fear and Faith Collide Joe Tarantino,2018-01-26 Joe Tarantino describes the fifth and final leg of his 3 600 mile bicycle ride across the North American continent started thirty one years earlier Previous trips had left him with nearly 1 700 miles remainingfrom the Pacific coast to his prior stopping point in Winner South Dakota just east of the Badlands After what began as a to do on his bucket list Joe eventually realized the final segment of his trip had become something God now wanted him to do Riding by himself Joe began his trip in Seaside Oregon He crossed the Columbia River over the Astoria Megler Bridge into the state of Washington and was promptly greeted with record high temperatures while crossing the Cascade Mountain range and eastern Washington deserts Along the way Joe encountered folks from all walks of life and demographics who provided support and encouragement at the times he needed it most His wife Barbara eventually met him in Harrison Idaho driving a rented SUV providing additional support and sharing in his daily adventures In addition to the record heat mountain ranges and deserts they also endured a 5.8 magnitude earthquake while staying in a one hundred year old log cabin hotel in a remote area of Montana the epicenter occurring only a few miles from where they had spent the night Joe describes how God answered daily prayers for protection and provided new insights into Psalm 23 through the people and circumstances he encountered each day Joes description of his trip will help you understand not only the physical challenges of such a journey but deep insight into his mind during the daily rides
