Sculpture Mary Ann Eaverly, 1995 This welcome volume examines the use and meaning of equestrian statues in Archaic Greece relying not only on a full catalog of the sculptures but also on the rich comparative material in the literary and archaeological remains Previous works have either crowded this important material into a large study of all equestrian statues everywhere or else have examined only those few that belong to the Athenian Acropolis It has therefore been difficult to characterize the style and distribution of this sculpture let alone examine them within their cultural milieu Mary Ann Eaverly carries out precisely these important tasks The first half of the volume identifies the unique characteristics of equestrian statues as a type apart from other Archaic sculpture The author places the sculptures within their historical and cultural context and considers critical factors such as cultic activity aristocratic symbolism and the influence of Peisistratos The second half of the volume is a catalog that discusses all the extant pieces individually Archaic Greek Equestrian Sculpture will be of interest to students and scholars of Greek sculpture the Greek artistic heritage and the complex history of Archaic Greece **Korea's Foreign Policy Dilemmas** Sung-Hack Kang, 2010-12-13 Koreans historically consider their

country as a victim of foreign powers sometimes seeing themselves as a shrimp among whales In fact Korea's national status has to a great extent been determined by the historical rivalries between the great powers This collection of essays produced over time by one of Korea's leading political scientists probes many of the fundamental post Korean War issues South Korea

has wrestled with in the context of its foreign policy positions not least the question of how it actually defines its foreign policy its relationship with the United States and the ever present security issues Other essays examine the role of the US on the Korean peninsula after the end of the Cold War what policy directions South Korea should take towards North Korea what is North Korea s security policy and what are the conditions for reunification This thought provoking volume provides a valuable overarching framework towards a more informed understanding of how South Korea s relationship with the outside world has evolved in the twentieth century and the manner in which it is likely to do business in the twenty first **Rider's Washington** Fremont Rider, Frederic Taber Cooper, 1922
