Riding Into Glory:

A Ride in Egypt William John Loftie, 2017 Mr Loftie's very pleasant book relates strictly speaking to an excursion from Siout to Luxor undertaken by the author and three friends in 1879 but it includes as well some entertaining notes en route from England to the East and a number of instructive chapters on Cairo and its environs The Ride proper which was taken mostly on donkey back conducted the party a little aside from the hackneyed track and to some of the less well known points of archaeological interest notably to the ruins of This or Thinis claimed by modern Egyptologists as the cradle of ancient monarchy Nothing fresher or more entertaining on the subject of Egypt has appeared for a long time back than this well considered volume Mr Loftie gives us much that is curious as well as entertaining with regard to antiquities history and the humors of the road and makes a little gentle fun of the school headed by Mr Piazza Smith which professes to have discovered so much of the secret of the great Pyramid and he deserves special credit for his forcible and manly exposure of the misdoings and misgovernment of the Khedive who was at that time still the shielded pet of English stockholders and of the terrible results of his mal administration as evidenced by the Fellah famine Angels And Demons John D

Schuetze, 1997-07-01 Do angels and demons exist There are so many movies books and TV shows about demons and evil spirits It's hard not to think that they're just myths fables and fairy tales As Christians we know that angels and demons are real not from firsthand accounts but because God tells us about them in the Bible Witness the conflict that's been a part of the universe since creation itself It's a classic battle of good versus evil in which Jesus comes in humility but leaves in glory Through Angels and Demons you will learn more about the occult spiritism demon possession and Satanism as well as some of the dangerous games people play with the devil and how you can avoid those pitfalls The People's Bible Teachings is a series of books on all the main teachings of the Bible Following the pattern set by The People's Bible series these books are written for all Christians in an easy to read manner The authors of The People's Bible are all pastors and professors who have had years of experience teaching others about the Bible **Hearst's International Combined with Cosmopolitan**, 1929
