A New England Country Veterinarian M. Terry Mills, 2000-12-20 To live a godly peaceable life in this World a Believer must be filled with the Holy Ghost and have the Fruit of the Spirit actively working in his personality However before he can possess these emotional qualities and grow spiritually the field of his mind and emotions must be pruned purged during personal trials and cleansed by the Word of God Unfortunately Satan is not just going to sit back and let this happen without putting up a fight so he uses all kinds of sly deceitful strategies to hinder or stop this process in our life He systematically uses sin unrestrained emotions and false teaching to dig holes in our health character and personality If we intend to reach the more and much fruit bearing stages Jesus spoke about in John 15:2-5 you and I must strive to catch the foxes we see in our life before they destroy our vines As we go through trials and tribulations we must take advantage of every opportunity to gain more spiritual knowledge and understanding The woman who was healed from the Issue of Blood understood what the hem of the priest's garment represented so as a result her knowledge her need her determination energized her faith and pushed it to a level that drew so much virtue out of Jesus that she received her Healing and He had to ask Who touched me When we understand the rudiments of the Word of God and understand the fundamental principles that support what we believe it will energize our faith and maximize the level of what we receive from the Lord Understanding is the key to growth and spiritual success

Teaching Tips for Horseback Riding Instructors Jo Struby, 2013-11-01 Jo holds a M A in Education with an emphasis in Equestrian Studies 1986 and a B S in Equestrian Studies with a minor in Education 1986 graduating magna cum laude. Both of her academic degrees are from Salem International University West Virginia. She also holds a Riding Master Diploma 1975 from Meredith Manor School of Horsemanship where she was named to the Who's Who List for Outstanding Students in American Vocational and Technical Schools 1975. As an administrator Jo was formerly Dean of Meredith Manor School of Horsemanship 1980-1985. She has a strong professional background in teacher education program administration and curriculum development. While teaching at this internationally known school for 10 years she focused on the development of the jumping and teaching departments. As former Vice President for the United States Combined Training Association Jo served on the executive committee from 1987-1989 and the board of governors from 1984-1989. During her tenure she developed the AHSA-USCTA Combined Training Officials seminars as well as carried out the educational seminars for the general membership including beginning the USCTA Event Colleges. In 1988 she received the USCTA's Governor's Cup Award for outstanding contributions to the sport of Eventing. As an educator Jo has provided equestrian education to riders and instructors nationally since 1975. From 1989 through 2002 she provided an on going education program for horseback riding instructors focusing on improving their teaching effectiveness. She has also developed a working student program for Shenandoah Farm of Staunton Virginia on training and breeding and advised Wetherbee Farm of Boxboro Massachusetts on developing their Fitness by Riding Program. As a rider competitor and athlete Jo has trained and competed through the Advanced Level in Eventing and the Prix St Georges Level in Dressage. She earned her USDF Bronze and Silver Medal Rider Awards during the late 1970's. She has also been long listed during the 1980's for The Eventing Olympic Team.

A Geography of Horse-Riding Cheryl Nosworthy, 2014-08-11 This book presents an in depth qualitative exploration of the practice of horse riding by disabled and non disabled riders and their horses. Situated as part of an affective turn within human geography creative and original use is made of poststructuralist theory to bring together animal studies and disability studies in order to decentre the human as we think about the social. Eighteen months of multi sited performance ethnography on the hoof were conducted with riders recruited from local riding schools an internet forum and three Riding for the Disabled Association RDA groups. The study employed various methods including diary keeping participant observation and video recording of riding activities in order to capture moments of horse human relating. Through these methods the embodied expressions of horses are taken seriously as demonstrative of their individual thoughts and intentions.
