*What It's Like Riding the Bus* Barbara Martin,2015-07-15 Im an average person just like everyone else that rides the buses of Indianapolis Indiana God put into my heart the desire to write about the bus system three years ago I ride the bus because I have never gotten my drivers license and I dont know yet how to drive And yes I am willing and able to drive I think even when I do start driving I will also still continue riding the bus sometimes and the reason why Its relaxing sometimes I see different people on the bus I hear a lot of conversation on the bus either on the phones or between passengers Riding the bus seems so exciting and some days seems so funny crazy and happy I meet a lot of people on the bus and at the bus stop Its kind of nice hearing other peoples problems when one is going through a problem himself or herself It just lets others who are going through a problem know that they are not alone Sit back relax and read You might just know some of these people mentioned in this book Have a blessed day
