Right Kind Of War:

The Good War Studs Terkel, 1997-01-01 Personal narratives of 121 persons involved in World War II The Right Kind of War John R. McCormick, 1992 While camped on islands far from the focus of battle Privates Moe Cole Cannon and the other riflemen of their squad hatch many a plan to foil the officers struggling to rein them in Christian Martyrdom and Christian Violence Matthew D. Lundberg, 2021-05-18 What is the place if any for violence in the Christian life At the core of Christian faith is an experience of suffering violence as the price for faithfulness of being victimized by the world's violence from Jesus himself to martyrs who have died while following him At the same time Christian history had also held the opinion that there are situations when the follower of Jesus may be justified in inflicting violence on others especially in the context of war Do these two facets of Christian ethics and experience present a contradiction Christian Martyrdom and Christian Violence On Suffering and Wielding the Sword explores the tension between Christianity's historic reverence for martyrdom suffering violence for faith and Christianity's historical support of a just war ethic involving the inflicting of violence While the book considers the possibility that the two are unreconcilable it also argues that they are ultimately compatible but their compatibility requires a more humanized portrait of the Christian martyr as well as a stricter approach to the justified use of violence Winning the Cold War United States.
