A Timeless Script From a 1st Century Doctor Rick Farmer, 2024-09-26 Before Dr Farmer I absolutely hated school Dr Farmer saw me as a human being not just a student He forced me to think for myself He was my professor and my mentor He pushed me to see there are no limits to my opportunities to come Dr Farmer believed in me when I did not believe in myself whether making a jump shot or making a good grade Tianna G Crockett M A Bluefield University Rick Farmer combines keen biblical insights with a wise devotional heart as he leads the reader through the unique and powerful advent of Christ contained in the Gospel of Luke Rick's A Timeless Script is just what the doctor ordered for those looking for a Guide through Advent and beyond Henry W Clary Ph D Professor Bluefield University We're sick and in desperate need of a doctor to both diagnose and treat In A Timeless Script from a 1st Century Doctor Dr Rick Farmer wisely recommends Luke's Gospel written by a physician whose treatment plan would be initially resisted or downright rejected by most But Luke's Gospel specifically the first two chapters highlight the uniquely universal cure capable of healing us all The Advent of Christ The story of the birth life death and resurrection of Jesus who embarked on a mission to save teach and heal offers a remedy for all Despite the heartache pain and suffering found in this timeless story it is the miraculous truth of faith hope and love that provides us with the prescription we desperately need If you are seeking to be restored to a healthy state of mind and body so you can live a life of meaning and purpose look no further Scott Weibling Author of River Guide Published by Scott Weibling 2017

The Hubris Hazard, and How to Avoid It Eugene Sadler-Smith,2024-03-15 Hubris is something we've all seen in action and experienced all too often It's a significant occupational hazard and a serious potential derailment factor for leaders organisations and civil society Hubristic leaders intoxicated as they are with power praise and success behave in ways that if left unchecked invite unintended and unforeseen negative consequences which impact destructively on individuals industries economies and nations Despite numerous examples throughout history of hubris destructive consequences it nonetheless appears to be an ever present and growing danger Many leaders seem to be blind to the hazards of hubris and oblivious to the lessons of history Prevention is better than cure and understanding the nature of the hubris hazard and the associated risk factors will help leaders and managers improve their personal performance and avoid derailment and even more importantly protect the well being of employees and the resilience of their organisations over the long term This book explains the characteristics causes and consequences of hubris and shows how to combat the significant hazard it poses to managers leaders organisations and society With contemporary examples each chapter explores a particular hubris risk factor and shows how the risk can be managed and mitigated and exposure to the hubris hazard minimised The Hubris Hazard and How to Avoid It offers practical guidance and action points for managers and leaders on how to recognise hubris in themselves and others and what to do to combat it when it arises It will also be useful for business and executive coaches and leadership trainers and developers

,1977 [Watching Jesus Die](#) Woodrow Michael Kroll,2023-12-28 What if you could transport yourself back to the first century walking the dusty streets of Jerusalem late on Thursday night before Passover And what if you were tagging along behind eleven men led by Jesus to the Garden of Gethsemane You d leave the Upper Room and go deep into the Kidron Valley to the garden There the temple police and a half crazed crowd arrive brandishing torches Jesus is taken to the palace of Annas and then to the High Priest Caiaphas What insight do we gain from history archaeology and most importantly the New Testament about where they lived In the morning Jesus would be sent to the Chamber of Hewn Stone What was this place and why is it important to the Passion narratives On to Pilate s Judgment Hall where new archaeological evidence questions its traditional location You pick up the trail again on the Via Dolorosa and follow Jesus to Jerusalem s killing field There you find the Savior dying on a Roman cross In just a few hours you have followed him from the Upper Room to Joseph s tomb and have gained valuable insight into each stopover to help you on your own journey to Calvary *Poems Written by Mafalda Medda* Mirka Denise Thomas-Thompson,2014-11-06 The following pages contain poems written by my mother Mafalda Maffy Medda over the last twenty eight years of her life including her oldest poem *Diamonds and Furs* dating back to 1985 It was her passion to write poetry and her dream to become a published author When she passed away unexpectedly on February 22 2013 her poetry was left unfinished Her dream quickly became my passion Therefore I spent the next twenty months after she went to be with the Lord compiling her collection of hand written poems into this poetry book in order to make her dream become a reality Mirka Denise Thomas Thompson ABOUT THE AUTHOR My name is Mafalda Medda Thomas My nicknames include Maffy Thomas Maffy Tee and Mafalda Medda However when I was growing up I was lovingly called the little leftover by my parents When I was born my mom believed she could no longer have children When I was born there became an eleven year difference between me and my youngest sibling I became the eighth child in my family My mother had four boys and four girls The native land of Sardinia that consumed my dreams and caused me heartache as a young child
