Gilmore, Bryant Simon**

Right To Vote Politics And The Passage Of The Fifteenth Amendment:

The Right to Vote William Gillette,1965 *The Right to Vote: Politics and the Passage of the Fifteenth Amendment.* [With a Facsimile.]. William GILLETTE (of the Department of History at the University of Connecticut.),1965 *The Right to Vote* William Gillette,1965 **The Right to Vote** Alexander Keyssar,2009-06-30 A distinguished historian traces the history of American suffrage from an ethnic gender religious and age perspective and documents the expansion and contraction of American democracy through the years arguing that the primary impetus for promoting voting rights has been war and that the primary factors for delaying such rights have been class tension and conflict Reprint **Reconstructing the Corporation** Grant M. Hayden,Matthew T. Bodie,2021-03-11 Modern corporations contribute to a wide range of contemporary problems including income inequality global warming and the influence of money in politics Their relentless pursuit of profits though is the natural outcome of the doctrine of shareholder primacy As the consensus around this doctrine crumbles it has become increasingly clear that the prerogatives of corporate governance have been improperly limited to shareholders It is time to examine shareholder primacy and its attendant governance features anew and reorient the literature around the basic purpose of corporations This book critically examines the current state of corporate governance law and provides decisive rebuttals to longstanding arguments for the exclusive shareholder franchise Reconstructing the Corporation presents a new model of corporate governance one that builds on the theory of the firm as well as a novel theory of democratic participation to support the extension of the corporate franchise to employees **Republican Party Politics and the American South, 1865-1968** Boris Heersink,Jeffery A. Jenkins,2020-03-19 Traces how the Republican Party in the South after Reconstruction transformed from a biracial organization to a mostly all white one Jumpin' Jim Crow Jane Dailey,Glenda Elizabeth Gilmore,Bryant Simon,2020-07-21 White supremacy shaped all aspects of post Civil War southern life yet its power was never complete or total The form of segregation and subjection nicknamed Jim Crow constantly had to remake itself over time even as white southern politicians struggled to extend its grip Here some of the most innovative scholars of southern history question Jim Crow s sway evolution and methods over the course of a century These essays bring to life the southern men and women some heroic and decent others mean and sinister most a mixture of both who supported and challenged Jim Crow showing that white supremacy always had to prove its power Jim Crow was always in motion always adjusting to meet resistance and defiance by both African Americans and whites Sometimes white supremacists responded with increased ferocity sometimes with more subtle political and legal ploys Jumpin Jim Crow presents a clear picture of this complex negotiation For example even as some black and white women launched the strongest attacks on the system other white women nurtured myths glorifying white supremacy Even as elite whites blamed racial violence on poor whites they used Jim Crow to dominate poor whites as well as blacks Most important the book portrays change over time suggesting that Strom Thurmond is not a simple reincarnation of Ben Tillman and that Rosa Parks was not the first black woman to say no to

Jim Crow From a study of the segregation of household consumption to a fresh look at critical elections from an examination of an unlikely antilynching campaign to an analysis of how miscegenation laws tried to sexualize black political power these essays about specific southern times and places exemplify the latest trends in historical research Its rich accessible content makes Jumpin Jim Crow an ideal undergraduate reader on American history while its methodological innovations will be emulated by scholars of political history generally In addition to the editors the contributors are Edward L Ayers Elsa Barkley Brown W Fitzhugh Brundage Laura F Edwards Kari Frederickson David F Godshalk Grace Elizabeth Hale Jacquelyn Dowd Hall Stephen Kantrowitz Nancy MacLean Nell Irwin Painter and Timothy B Tyson

The African American Electorate Hanes Walton, Sherman C. Puckett, Donald R. Deskins, 2012-05-01 How have African Americans voted over time What types of candidates and issues have been effective in drawing people to vote These are just two of the questions that The African American Electorate A Statistical History attempts to answer by bringing together all of the extant fugitive and recently discovered registration data on African American voters from Colonial America to the present This pioneering work also traces the history of the laws dealing with enfranchisement and disenfranchisement of African Americans and provides the election return data for African American candidates in national and sub national elections over this same time span Combining insightful narrative tabular data and original maps The African American Electorate offers students and researchers the opportunity for the first time to explore the relationship between voters and political candidates identify critical variables and situate African Americans voting behavior and political phenomena in the context of America s political history

The Literature of American Legal History William Nelson, John Phillip Reid, 1985 Republishes articles by two senior legal historians Besides summarizing what

has now become classical literature in the field it offers illuminating insight into what it means to be a professional legal historian *The Civil War and the Press* S. Kitrell Rushing, 2023-06-14 The power of the American press to influence and even set the political agenda is commonly associated with the rise of such press barons as Joseph Pulitzer and William Randolph Hearst at the turn of the century The latter even took credit for instigating the Spanish American War Their power however had deeper roots in the journalistic culture of the nineteenth century particularly in the social and political conflicts that climaxed with the Civil War Until now historians have paid little attention to the role of the press in defining and disseminating the conflicting views of the North and the South in the decades leading up to the Civil War In *The Civil War and the Press* historians political scientists and scholars of journalism measure the influence of the press explore its diversity and profile the prominent editors and publishers of the day The book is divided into three sections covering the role of the press in the prewar years throughout the conflict itself and during the Reconstruction period Part 1 Setting the Agenda for Secession and War considers the rise of the consumer society and the journalistic readership the changing nature of editorial standards and practice the issues of abolitionism secession and armed resistance as reflected in Northern and Southern newspapers the reporting on John Brown s Harper s Ferry raid and the influence of journalism on the 1860 election results Part 2 In Time of War includes discussions of journalistic images and ideas of womanhood in the context of war the political orientation of the Jewish press the rise of illustrated periodicals and issues of censorship and opposition journalism The chapters in Part 3 Reconstructing a Nation detail the infiltration of the former Confederacy by hundreds of federally subsidized Republican newspapers editorial reactions to the developing issue of voting rights for freed slaves and the journalistic mythologization of Jesse James as a resister of Reconstruction laws and conquering Unionists In tracing the confluence of journalism and politics from its source this groundbreaking volume opens a wide variety of perspectives on a crucial period in American history while raising questions that remain pertinent to contemporary tensions between press power and government power *The Civil War and the Press* will be essential reading for historians media studies specialists political scientists and readers interested in the Civil War period **Encyclopedia of African-American Politics, Third Edition**

Robert Smith, 2021-05-01 This A to Z volume examines the role of African Americans in the political process from the early days of the American Revolution to the present Focusing on basic political ideas court cases laws concepts ideologies institutions and political processes this book covers all facets of African Americans in American government Written by a nationally renowned scholar in the field the *Encyclopedia of African American Politics Third Edition* will enlighten readers to the struggles and triumphs of African Americans in the American political system Entries include Abolitionist Movement African immigrants Barack Obama Black Lives Matter Black Panther Party Civil Rights Act of 1964 Emancipation Proclamation Forty Acres and a Mule Freedmen s Bureau Hurricane Katrina Institutional racism Integrationism Juneteenth Lynching Malcolm X Million Man March Raphael Warnock Extension of the Voting Rights Act United States. Congress.

House. Committee on the Judiciary. Subcommittee on Civil and Constitutional Rights,1982 *The Complete Idiot's Guide to U.S. Government and Politics* Franco Scardino,2009 Accessible authoritative and entertaining in the signature style of the Complete Idiot's Guide series The Complete Idiot's Guide to U S Government and Politics provides a wonderful foundation of knowledge about the way our country's system of government works Understanding how our government functions and the political forces that influence it is vital for all Americans At the high school level U S government the class formerly called civics has evolved to become a focus of the Advanced Placement test In 2007 the AP U S government and politics exam was the most widely taken test among high school students on a college track with over 333 562 students sitting for the 3 5 hour exam Several strictly test prep books help students prepare for this exam However they're limited to the key points covered by the exam and don't afford much information outside the strict curriculum The Complete Idiot's Guide to U S Government and Politics gives the reader much more As a comprehensive overview and history of the subject this book is designed to help anyone interested in learning about our government and the origins of its complex inner workings our political system and key elements that have affected our growth as a nation all while serving as a the best supplementary reading a student can get to help them prepare for the AP exam *The Civil War and the Transformation of American Citizenship* Paul D. Quigley,2018-06-04 The meanings and practices of American citizenship were as contested during the Civil War era as they are today By examining a variety of perspectives from prominent lawmakers in Washington D C to enslaved women from black firemen in southern cities to Confederate migrants in Latin America The Civil War and the Transformation of American Citizenship offers a wide ranging exploration of citizenship's metamorphoses amid the extended crises of war and emancipation Americans in the antebellum era considered citizenship at its most basic level as a legal status acquired through birth or naturalization and one that offered certain rights in exchange for specific obligations Yet throughout the Civil War period the boundaries and consequences of what it meant to be a citizen remained in flux At the beginning of the war Confederates relinquished their status as U S citizens only to be mostly reabsorbed as full American citizens in its aftermath The Reconstruction years also saw African American men acquire at least in theory the core rights of citizenship As these changes swept across the nation Americans debated the parameters of citizenship the possibility of adopting or rejecting citizenship at will and the relative importance of political privileges economic opportunity and cultural belonging Ongoing inequities between races and genders over the course of the Civil War and in the years that followed further shaped these contentious debates The Civil War and the Transformation of American Citizenship reveals how war Emancipation and Reconstruction forced the country to rethink the concept of citizenship not only in legal and constitutional terms but also within the context of the lives of everyday Americans from imprisoned Confederates to former slaves *The Politics of Race in New York* Phyllis F. Field,2018-07-05 Black suffrage was a crucial and volatile issue in the North during the Civil War era In *The Politics of Race in New York* Phyllis F Field studies the development of racial policies in the Empire

State Asserting that it is not possible to understand the move toward black suffrage by examining national trends and the actions of individual politicians she takes a close look at the social context of reform Field assesses popular reaction to the idea of black suffrage by systematically analyzing the results of a series of referenda on the issue held in New York State between 1846 and 1869 Tracing the relation between changes in public opinion and the positions taken by political parties Field concludes that party leaders tried both to express the views of their constituents and to mold those views so as to strengthen and unify their own political organizations Inevitably this intrusion of political considerations in the issue of race had long term consequences for the process of social change in the United States The Politics of Race in New York shows clearly how in 1870 black suffrage could be achieved even though the battle for black equality had yet to begin Gender and Elections Susan J. Carroll, Richard L. Fox, 2013-12-23 The third edition of Gender and Elections offers a systematic lively and multifaceted account of the role of gender in the electoral process through the 2012 elections This timely yet enduring volume strikes a balance between highlighting the most important developments for women as voters and candidates in the 2012 elections and providing a more long term in depth analysis of the ways that gender has helped shape the contours and outcomes of electoral politics in the United States Individual chapters demonstrate the importance of gender in understanding and interpreting presidential elections presidential and vice presidential candidacies voter participation and turnout voting choices congressional elections the political involvement of Latinas the participation of African American women the support of political parties and women s organizations candidate communications with voters and state elections Without question Gender and Elections is the most comprehensive reliable and trustworthy resource on the role of gender in US electoral politics **Voting Rights Act** United States. Congress. Senate. Committee on the Judiciary. Subcommittee on the Constitution, 1983 *The Oxford Companion to the Supreme Court of the United States*, **Encyclopedia of African American History** Leslie M. Alexander, Walter C. Rucker, 2010-02-09 A fresh compilation of essays and entries based on the latest research this work documents African American culture and political activism from the slavery era through the 20th century Encyclopedia of African American History introduces readers to the significant people events sociopolitical movements and ideas that have shaped African American life from earliest contact between African peoples and Europeans through the late 20th century This encyclopedia places the African American experience in the context of the entire African diaspora with entries organized in sections on African European contact and enslavement culture resistance and identity during enslavement political activism from the Revolutionary War to Southern emancipation political activism from Reconstruction to the modern Civil Rights movement black nationalism and urbanization and Pan Africanism and contemporary black America Based on the latest scholarship and engagingly written there is no better go to reference for exploring the history of African Americans and their distinctive impact on American society politics business literature art food clothing music language and technology
