### Mom Minus Dad: The Essential Resource Guide for Busy Adults with a Newly Widowed Parent Jamieson

Haverkamp, 2008-05-09 Mom Minus Dad is the only resource guide available with more than 500 resources for adults who lose a parent and need to assist a newly widowed parent. The book provides readers with practical advice on ten major parent loss topics along with more than 500 valuable and time-saving resources including Web sites, companies, government resources, U.S. laws, books, and nonprofit organizations to assist the approximately twelve million sons and daughters who lose a parent every year. Each section provides online and book resources and simple practical solutions to common problems from finding affordable counseling to building new budgets for the widowed parent to managing changing family dynamics. Each chapter reveals ideas, relevant insights from the author's personal experience, questions to consider, and additional resources to find specific assistance. The author of Mom Minus Dad gleaned intimate knowledge of balancing her own life with a newly widowed parent. Ms. Haverkamp assisted her fifty-six year old widowed mother in Virginia while still running her real estate business in California after the early, unpredicted loss of her father to cancer. In her groundbreaking book, Haverkamp shares how she and her sister, both in their early thirties, found success and managed struggles during their journey after their father's death. This is a reference guide griever's will refer to during the year after loss and years beyond.

**Someone Will Make Money on Your Funds - Why Not You?** Gary L. Gastineau, 2005-10-03 SOMEONE WILL MAKE MONEY ON YOUR FUNDS WHY NOT YOU This book is a treasure trove of practical research and pithy thoughts based on Gastineau's decades of experience, a valuable guide for the thoughtful investor. Harold Evensky, Chairman, Evensky Brown Katz. Someone Will Make Money On Your Funds Why Not You will jar armchair mutual fund investors out of their PJs. If you think checking out your funds in Morningstar and Lipper has uncovered you, best read this book. Maureen Nevin Duffy, Editor, Publisher, The Turnaround Tactician. This book is a must read for fund investors. Gastineau carefully discusses many important factors such as taxes, capital gains, overhang, trading costs, turnover, benchmark selection, active management, expense ratio, and aggressive trading by market timers. These factors significantly affect fund performance but maybe ignored by investors. Gastineau goes on to build a strong case for choosing ETFs over mutual funds, especially for long-term investors. I strongly recommend this book for investors. Vijay Singal, J. Gray Ferguson, Professor of Finance and Chairperson of the Finance Department, Pamplin College of Business of Virginia Tech and author of Beyond the Random Walk: A Guide to Stock Market Anomalies and Low Risk Investing. Gastineau's message is very powerful. He not only challenges some conventional wisdom on investing but truly emphasizes how to add value to a portfolio. What is unique is his ability to move quickly from the big picture to implementation strategies, offering investment solutions to both investment advisors and individual investors. Portfolio adjustments discussed can potentially have significant impact on a long-term investor's standard of living. Dan Dolan, Director, Wealth Management Strategies Select Sector SPDRs. Consider Your Options Kaye A. Thomas, 2005 This is the 2005 edition of the most popular book on employee stock options. It's a major revision from the previous edition with new design content.

and organization to make it even easier for employees to learn what they need to know about their equity compensation
