Born at the Right Time Doug Owsram, 1997-12-15 It is rare in history for people to link their identity with their generation and even rarer when children and adolescents actually shape society and influence politics Both phenomena aptly describe the generation born in the decade following the Second World War These were the baby boomers viewed by some as the spoiled selfish generation that had it all and by others as a shock wave that made love and peace into tangible ideals In this book Doug Owsram brings us the untold story of this famous generation as it played out its first twenty five years in Canadian society Beginning with Dr Spock's dictate that this particular crop of babies must be treated gently Owsram explores the myth and history surrounding this group from its beginning at war's end to the close of the 1960s The baby boomers wielded extraordinary power right from birth Owsram points out and laid their claim on history while still in diapers He sees the generation's power and sense of self stemming from three factors its size its affluent circumstance and its connection with the 1960s the fabulous decade of free love flower power women's liberation drugs protest marches and rock n roll From Davy Crockett hats and Barbie dolls to the civil rights movement and the sexual revolution the concerns of this single generation became predominant themes for all of society Thus Owsram's history of the baby boomers is in many ways a history of the era Doug Owsram has written extensively on cultural icons Utopian hopes and the gap between realities and images all powerful themes in the story of this idealistic generation A well researched lucid and humorous book Born at the Right Time is the first Canadian history of the baby boomers and the society they helped to shape

The Dating Blueprint Jason Evert, 2019-10-11 Women don't feel comfortable telling a man what they wish he knew about dating. He's expected to know it. Unfortunately, the only time men receive specific guidelines is when they're being told what they're not supposed to do. As a result, very few know what they are supposed to do. What men want is a clear blueprint. Imagine how much simpler dating would be if women could just speak their minds. Therefore, Jason Evert surveyed more than a thousand women and asked them questions such as: How would you want a man to ask you out? How do you not want to be asked on a date? This book reveals their surprising answers plus: How to know if she's the right one? Where women don't want to go on a first date? What word they want a man to say when he asks? When, where, and how he should ask? What she hopes the date will include? How a man can save his marriage before he's married? Dating doesn't need to become a relic of the past. It needs to be revived. For this to happen, men need to put down their screens, look at a woman in the eye, and ask her on a date.

The Dating Blueprint explains how. **Tao Te Ching** Lao Tzu, 2021-04-06 Although translations and interpretations of the Tao te Ching abound and new editions are released yearly, few accomplish the hard work of linking and bridging the Tao's profound message to the needs of modern readers. There may be a profusion of versions, but our lives and our world reflect little of the deep transformative potential of this important text. Marc S. Mullinax's new translation grows from extensive teaching experience and combines a deep understanding of the Tao's fourth-century BCE Chinese context with an exciting two-part application of that text to contemporary life. First, each of the eighty-one verses is joined by a richly curated array of quotes, sayings, poems, and stories from wisdom traditions around the globe. With quotes ranging from Emerson to Pink Floyd and from the apostle Paul to Margaret Atwood, the Tao's meaning comes alive in conversation with others. Second, a brief reflection puts the verse in historical context and highlights the transformative power of Wu Wei, the non-interfering action perfectly timed to promote peace and prevent injury, to bring joy and justice to a hurting world.

Passing the Tests of Life George Davis, 2012 This book takes a fresh approach to helping individuals gain a better perspective on why certain events happen and shows how a problem can become an opportunity to respond in a way that is consistent with the Word of God. **War and Peace** Ricky Hatton, 2013-10-10 THE MUST READ AUTOBIOGRAPHY OF ONE OF BRITAIN'S BEST

LOVED BOXERS NOW HITTING THE RING ON DANCING ON ICE 2024 On 24 November 2012, four-time World Champion boxer Ricky Hatton dropped to his knees, felled by a sickening punch to the body in his first comeback fight in almost three years. Your God is Too Safe Mark Buchanan,2009-02-19 Here s a thoughtful probing exploration of why Christians get stuck in the place of complacency dryness and tedium and how to move on to new levels of spiritual passion Buchanan shows how the majority of Christians begin their spiritual journey with excitement and enthusiasm only to get bogged down in a borderland an in between space beyond the old life but short of the abundant adventurous existence promised by Jesus Citing Jonah he examines the problem of borderland living where doubt disappointment guilt and wonderlessness keep people in a quagmire of mediocrity then offers solutions effective ways to get unstuck and move into a bold unpredictable exhilarating walk with Christ Inspired writing *Humam Resource Management* ,
