Right Under Your Feet:

Eight Ways to Keep the Devil Under Your Feet Joyce Meyer, 2008-11-16 There are all kinds of things that threaten us hurt us and confuse us The devil loves nothing more than using these things to keep us down so he can have the upper hand But God has given us everything we need to keep the devil in his place beginning with the Word of God To live in victory we must do more than know His Word we must put it into action Satan may attack you but he doesn't have to defeat you Joyce Meyer reveals eight proven ways for you to keep the devil under your feet You'll learn how to Remain peaceful through life's storms Be strengthened and transformed by spending time with God Learn to conquer negative thoughts When you put God's Word into action amazing things will begin to happen Master these eight ways to keep the devil under your feet and you'll experience the countless ways that God wants to bless you [Listen to Your Day](#) Paul Angone, 2023-04-04 What are you supposed to do with your life What deserves your limited reserve of energy attention and time What's making you anxious or frustrated right now What would make you happy and fulfilled The world is shouting its answers to these questions but the real answers are quieter and right in front of you They are in the details of your day every day But we usually look right past them Or we are simply so distracted we've lost the ability to see and hear the life going on right in front of us If we're not intentional about changing this trend this inattentional blindness can rob us of years of joyful productivity But when we learn to observe the details of our days we discover new lenses through which to see and new practices of paying attention that add meaning to life Stop drifting Stop worrying Stop living distracted Walk purposefully through life with a firm grasp on what's important to you and what you're working toward all by listening to the details of your day [In Harmony with the Tao](#) Francis Pring-Mill, 2023-01-16 The Tao Te Ching is one of the most widely read and deeply loved works of ancient spiritual wisdom in the world But its dense and cryptic lines can sometimes yield more confusion than illumination If you've ever found yourself understanding the printed words but thinking Yes but what does this mean and how is it relevant to me then Francis Pring Mill's *In Harmony with the Tao A Guided Journey into the Tao Te Ching* is your guide into deeper understanding of this classic work of Chinese philosophy Today's fast paced world leaves us little time to spend with the timeless questions such as how to live a meaningful life in harmony with the world around us Nonetheless we yearn for answers and answers are to be found in the Tao Te Ching a book written twenty five hundred years ago that resonates with people everywhere as though it had been written yesterday Of the many English translations and versions some are scholarly others are philosophical What's new in *In Harmony with the Tao* is the concept of a guided journey accompanying the text of perhaps the best known English edition Stephen Mitchell's elegant authoritative interpretation *Tao Te Ching A New English Version* This book *In Harmony with the Tao* includes the complete text of Stephen Mitchell's work accompanied by Francis Pring Mill's illuminating commentaries on each chapter In a skillful rendition of ancient wisdom reimagined for modern times *In Harmony with the Tao* reveals the common threads weaving through the eighty one brief chapters *In Harmony with the*
