Right Wing Extremism In Western Europe

M. Williams

Right Wing Extremism In Western Europe:

Right-wing Extremism in Western Europe Klaus von Beyme, 2013-10-31 First Published in 1988 This is a collection of articles covering right wing extremism in Post war Europe including the countries of Italy West Germany France Great Britain and Spain

The extreme Right in Western Europe Elisabeth Carter, 2013-07-19 Parties of the extreme right have experienced a dramatic rise in electoral support in many countries in Western Europe over the last two and a half decades This phenomenon has been far from uniform however and the considerable attention that the more successful right wing extremist parties have received has sometimes obscured the fact that parties of the extreme right have not recorded high electoral results in all West European democracies Furthermore the electoral scores of these parties have also varied over time with the same party recording low electoral scores in one election but securing high electoral scores in another This book available in paperback for the first time examines the reasons behind the variation in the electoral fortunes of the West European parties of the extreme right in the period since the late 1970s It proposes a number of different explanations as to why certain parties have performed better than others at the polls and it investigates each of these different explanations systematically and in depth As well as offering a comprehensive analysis of the reasons behind the uneven electoral success of the West European parties of the extreme right this book provides up to date information on all right wing extremist parties that have contested elections at national level across Western Europe since the late 1970s In addition to examining the parties ideology and organisation it discusses their relationship with the parties of the mainstream and it investigates the impact that electoral institutions have on their ability to attract votes This book is aimed at both scholars and students interested in the extreme right in party politics and in comparative politics more generally

Radical Right-Wing Populist Parties in Western Europe Tjitske Akkerman, Sarah de Lange, Matthijs Rooduijn, 2016-05-18 Radical right wing populist parties such as Geert Wilders Party for Freedom Marine Le Pen s National Front or Nigel Farage s UKIP are becoming increasingly influential in Western European democracies Their electoral support is growing their impact on policy making is substantial and in recent years several radical right wing populist parties have assumed office or supported minority governments Are these developments the cause and or consequence of the mainstreaming of radical right wing populist parties Have radical right wing populist parties expanded their issue profiles moderated their policy positions toned down their anti establishment rhetoric and shed their extreme right reputations to attract more voters and or become coalition partners This timely book answers these questions on the basis of both comparative research and a wide range of case studies covering Austria Belgium Denmark Finland France the Netherlands Norway Switzerland and the United Kingdom Analysing the extent to which radical right wing populist parties have become part of mainstream politics as well as the factors and conditions which facilitate this trend this book is essential reading for students and scholars working in European politics in addition to anyone interested in party politics and current affairs more generally

Radical Right-Wing

Populism in Western Europe Hans-Georg Betz, 1994-09-12 Studies the new West European parties of the radical populist right arguing that in distancing themselves from the reactionary politics of the traditional extremist right these parties have become a significant challenge to the established structure and politics of West European democracy today *Affinity towards right-wing extremism in western Europe* Jürgen W. Falter, 1991 *Right-wing Extremism in Western Europe* Klaus von Beyme, 2013-10-31 First Published in 1988 This is a collection of articles covering right wing extremism in Post war Europe including the countries of Italy West Germany France Great Britain and Spain The Radical Right in Western Europe Herbert Kitschelt, Anthony J. McGann, 1997 An in depth analysis of radical right parties in seven countries

German Perspectives on Right-Wing Extremism Johannes Kiess, Oliver Decker, Elmar Brähler, 2016-05-20 This book discusses right wing extremism by analysing Germanophone research on this topic for the first time in English including unique survey data from Germany and Austria Highlighting how questions of terminology can become complicated when country cases are compared the authors analyse theoretical and methodological issues in relation to the question of right wing extremism In Anglo American academia the term is often associated with fairly rare phenomena in the form of extremist political groups whereas in Germany the term is often applied to a wide range of attitudes behaviours and parties including those which operate more within the mainstream political sphere Covering an array of sub fields such as right wing terrorism iconography of the extreme right and the Germanophone discussion on the differentiation of right wing populism and right wing extremism the authors account not only for the centrality of right wing extremist attitudes in Germanophone research but also point at its often overlooked relevance for the phenomenon in general Offering an important insight into the nuanced definition of right wing extremism across Europe and enhancing both international debate and cross country comparative research this book will be of interest to students and scholars researching extremism German politics and European politics more generally *The Media and the Far Right in Western Europe* Antonis A. Ellinas, 2010-01-29 Explains one of the most important phenomena in Western Europe the rise of far right parties **The Routledge Handbook of Far-Right**

Extremism in Europe Katherine Kondor, Mark Littler, 2023-09-12 The Routledge Handbook of Far Right Extremism in Europe is a timely and important study of the far and extreme right wing phenomenon across a broad spectrum of European countries and in relation to a selected list of core areas and topics such as anti gender identitarian politics hooliganism and protest mobilisation The handbook deals with the rise and the developments of far right movements parties and organisations across diverse countries in Europe Crucially it discusses the main topics and issues pertaining to far right ideology and positioning and considers how central and less central actors of far right milieus have fared within the given context Comprising a wide range of subject expertise the contributors focus on far right organisations on the margins of the electoral sphere as well as street level movements and the relationship between them and electoral politics The handbook spans nearly twenty European country cases grouped according to geographical regional area It includes case studies where the far right

has gained increased momentum as well as countries where it has been much less successful in mobilising public opinion and the electorate e.g Ireland and Portugal Another important feature is the inclusion of street level mobilisations such as football firms thereby expanding and updating existing research which is primarily focused on political parties and organisations Multidisciplinary and comprehensive this handbook will be of great interest to scholars and students of Criminology Political Science Extremism Studies European Studies Media and Communication and Sociology This project has received funding from the European Union's Horizon 2020 research and innovation programme under the Marie Skłodowska Curie grant agreement No 101029801

Extreme Right Parties in Western Europe Piero Ignazi, 2003-05-29 This text explores the extreme right in order to assess its ideological meaning and political expression Beginning with a discussion of the usefulness of the left right distinction it deals with the varied significance of the term right and analyses the right's post war evolution across Europe

The Impact of Radical Right-Wing Parties in West European Democracies M. Williams, 2006-09-02 This book contends that far right parties play pivotal roles in setting the tone of political debates shaping the political party system and structuring government policy Increasingly as national governments attempt to cope with new realities of greater global migration strained welfare states and threats of foreign terror opportunities have opened for parties of the far right to position themselves strategically

Right-wing Extremism in the Twenty-first Century Peter Merkl, Weinberg LEONARD, 2004-08-02 Revising the 1997 first edition this study covers events that occurred in Oldham and Bradford after the year 2000 The rise of right wing extremist groups is put under scrutiny in a number of states including Britain Germany Austria Russia and France

Voting Radical Right in Western Europe Terri E. Givens, 2005-10-10 Publisher description

The Extreme Right in Europe and the USA Paul Hainsworth, 2016-10-06 The rise of extreme right parties and neo fascist movements in recent years as a response to economic crisis has become a major concern for most European countries The phenomenon is likely to increase as more disillusioned and discontented sectors of the population become drawn towards intense nationalism and the scapegoating of foreigners Paul Hainsworth has assembled a team of experts in the field to present a comparative empirical assessment of the historical evolution nature and extent of the extreme right in Europe and the United States from the 1940s to the early 1990s This volume evaluates the nature and influence of the extreme right in the post war context

The Extreme Right Aurel Braun, 2018-02-12 This book offering a historical sociological account of right wing extremist movements in American history seeks to identify threats to freedom and security assess the responses to such threats and suggest some means of dealing with the potential dangers

Right-wing Extremism in the Twenty-first Century Peter H. Merkl, Leonard Weinberg, 2003 Dialogos encompasses Greek language and literature Greek history and archaeology Greek culture and thought present and past a territory of distinctive richness and unsurpassed influence It seeks to foster critical awareness and informed debate about the ideas events and achievements that make up this territory by redefining their qualities by exploring their interconnections and by

reinterpreting their significance within Western culture and beyond *Researching the Far Right* Stephen D. Ashe, Joel Busher, Graham Macklin, Aaron Winter, 2020-11-09 *Researching the Far Right* brings together researchers from across the humanities and social sciences to provide much needed discussion about the methodological ethical political personal practical and professional issues and challenges that arise when researching far right parties their electoral support and far right protest movements Drawing on original research focussing mainly on Europe and North America over the last 30 years this volume explores in detail the opportunities and challenges associated with using ethnographic interview based quantitative and online research methods to study the far right These reflections are set within a wider discussion of the evolution of far right studies from a variety of disciplinary viewpoints within the humanities or the social sciences tracing the key developments and debates that shape the field today This volume will be essential reading for students and scholars with an interest in understanding the many manifestations of the far right and cognate movements today It also offers insight and reflection that is likely to be valuable for a wider range of students and scholars across the humanities and social sciences who are carrying out work of an ethically politically personally practically and professionally challenging nature

Anti-Political Establishment Parties Amir Abedi, 2004-07-31 First Published in 2003 Routledge is an imprint of Taylor Francis an informa company **Class Politics and the Radical Right** Jens Rydgren, 2013 One of the most significant events in European politics the past two decades is the emergence of radical right wing parties mobilizing against immigration and multiethnic societies Such parties have established themselves in a large number of countries often with voter shares exceeding ten and sometimes even twenty percent Many of these parties exert a real influence on the policy within respective country The emergence of the recent wave of radical right wing party politics has generated a large and growing literature spanning a variety of dimensions such as ideology voting and policy impact This volume will cover all these dimensions but it will in particular focus on two questions why is it that the working class tends to be especially attracted by the radical right wing parties And what does the radical right wing parties growing electoral successes mean for Social Democracy and the traditional left in Europe which are meeting growing competition from the radical right over working class voters Bringing together the leading scholars within this field this book makes a unique contribution by focusing on the relationship between class politics and the radical right

Right Wing Extremism In Western Europe Introduction

In today's digital age, the availability of Right Wing Extremism In Western Europe books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Right Wing Extremism In Western Europe books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Right Wing

Extremism In Western Europe books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Right Wing Extremism In Western Europe versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Right Wing Extremism In Western Europe books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Right Wing Extremism In Western Europe books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Right Wing Extremism In Western Europe books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Right Wing Extremism In Western Europe books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Right Wing Extremism In

Western Europe books and manuals for download and embark on your journey of knowledge?

FAQs About Right Wing Extremism In Western Europe Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience.
