Righteous Indignation Gregory L. Bock, Court D. Lewis, 2021-07-21 *Righteous Indignation Christian Philosophical and Theological Perspectives on Anger* explores the philosophy of Christian anger what anger is what it means for God to be angry and when anger is morally appropriate The book explores specific biblical questions such as how God communicates his anger in the Old Testament and whether anger at one's enemies in the imprecatory psalms is praiseworthy In addition some chapters focus on the practical application of anger to topics such as racial justice criminal law and civil discourse and on the ideas of historical figures such as Thomas Aquinas and Jonathan Edwards The purpose of the book is to provide multiple perspectives examining anger from different angles but most of all it is hoped that readers will come away with a better understanding of God's nature and how followers of Jesus ought to relate to those who wrong them Righteous Indignation Gregory L. Bock, Court D. Rose, Jo Ellen Green Kaiser, Margie Klein, 2014-07-15 *Universalising International Law* C. G. Weeramantry, 2004 Universalising international law is one of the most urgent tasks awaiting those who wish to advance the discipline Though all the world acknowledges its universal nature it has long been confined in a largely monocultural mould Indeed a tendency is sometimes discernible for international law to be compartmentalised and to function within a close cabinet of technical rules little known to those outside the ranks of specialists This volume looks initially at some general aspects of universalisation It thereafter adopts a universalist approach to some of the sources of international law and it deals with peace the bedrock of international law which likewise requires a universalist approach It is hoped that these studies will highlight the imperative need that now exists for extending the conceptual framework of international law thereby buttressing its moral authority and widening its appeal at a time when universal acceptance of international law is one of the most pressing demands of the international system *Righteous Indignation* Virginia C.
