Rights Now World Poverty And The Oxfam Campaign:

Rights Now! Dave Dalton,1995 This work explains why so many people are poor and powerless It shows what some of them are doing about it how ordinary people in Britain can support them and what governments could do if enough people demanded change Oxfam s Campaign aims to prove that the world can abolish poverty **Rights Now!** Dave Dalton,1995

Challenging Aid in Africa Zoe Marriage,2019-06-12 This is a startling and controversial investigation into the international assistance given to countries at war Marriage points to the similarities in the psychological and political dimensions of international aid and the violence this assistance is supposed to relieve Looking at the game that large aid organizations play by appealing to a moral argument of rights and principles this book investigates the gap between principle and practice in humanitarian assistance in Africa **Reshaping World Politics** Craig Warkentin,2001 This text examines

the ways in which non governmental organizations NGOs contribute to the development and maintenance of global civil society The author investigates eight NGOs and connects their organizational activities to global civil society s constitutive dynamics and processes *The Oxfam Poverty Report* Kevin Watkins,1995 Fifty years ago the United Nations Charter proclaimed universal rights to shared prosperity peace and security How far has that vision of world citizenship been realised Despite advances in human welfare and technology there is today a growing polarisation between rich and poor One in four of the world s people live in absolute poverty unable to meet their basic needs armed conflict is affecting millions of people and the global environment is under threat Yet there is a failure of political will to address the silent emergency of poverty The Oxfam Poverty Report draws on Oxfam s experience of working in over 70 countries to examine the causes of poverty and conflict It identifies the structural forces which deny people their basic rights and gives a wide range of examples of the ways in which men and women are bringing about positive change at every level from the household to the international arena Oxfam believes that it is time to renew the UN vision of universal basic rights The Report concludes by proposing policy and institutional reforms which would transform international institutions and trading relations and calls for a new commitment to work together to eradicate poverty and bring sustainable peace and security for all the world s people

Tomorrow's Africa John Gwynn,1995 Bringing together a wealth of experience and knowledge from a wide variety of groups and individuals concerned with African affairs the Tomorrow s Africa Conference held in January 1994 constituted a milestone in charting Africa s long march towards genuine economic and political liberty **Who Elected Oxfam?** Laura Montanaro,2018 What entitles self appointed representatives such as non governmental organizations and celebrity activists to speak and act for others This book argues that such actors can and should be conceptualized as representatives and that they can though do not always represent others in a manner that we can recognize as democratic 80:20 Tony Daly,Ciara Regan,Colm Regan,2016-10-17 A development education resource designed and written by an international group of authors and educationalists It explores inequalities and injustices in an accessible and understandable fashion with infographics

Not Breaking the Rules, Not Playing the Game Zoë Marriage, 2006 Using evidence from Sierra Leone Rwanda the Democratic Republic of Congo and Southern Sudan investigates how assistance is formulated and delivered through international nongovernmental organizations NGOs in violent contexts to whom it is given and how it is justified and sustained

Trade, Food Security, and Human Rights Ying Chen, 2016-02-24 Most scholars attribute systemic causes of food insecurity to poverty human overpopulation lack of farmland and expansion of biofuel programs However as Chen argues here another significant factor has been overlooked The current food insecurity is not absolute food shortage since global food production still exceeds the need of the entire world population but a problem of how to secure access to resources Distorted agricultural trade undermines world food distribution and uneven distribution impedes people s access to food particularly in poor developing countries Examining EU and US agricultural policies and World Trade Organization negotiations in agriculture the author argues how they affect the international agricultural trade claiming that current food insecurity is the result of inequitable food distribution and trade practices The international trade regime is advised to reconcile trade rules with the consideration of food security issues Several other enforceable solutions to reduce world hunger and malnutrition are also advanced including national capacity building the improvement of governance and strategic development of biofuel programs This book will be of great interest to agricultural trade professionals and consultant policy makers in the EU US

and developing countries Students and researchers with a concentration on international trade agriculture economics global governance and international law will benefit greatly from this study International Education Aid in Developing Asia I-Hsuan Cheng, Sheng-Ju Chan, 2015-05-22 This book provides an Asian perspective on the timely urgent questions of how international education aid and development should move forward and what development roles Asia should play especially following the end of the UN Millennium Development Goals MDGs and Education for All EFA in 2015 To answer these questions four separate but interwoven parts which analyze and anchor education MDGs and EFA policies and practices by means of diverse case studies of donor states recipient states and states with a dual and transitional role in Asia are addressed On the basis of the analyses a clearer and concrete direction for effectively and sustainably extending international education aid and development beyond 2015 can be derived *Encyclopedia of Human Rights* David P Forsythe, 2009-08-27 Winner of the 2010 Dartmouth Medal this major five volume encyclopedia offers comprehensive coverage of all aspects of human rights theory practice law and history The set will provide situation profiles and full coverage of the development of the movement historical cases of abuse the key figures major organizations and a range of other issues in economics government religion and journalism that touch on human rights theory and practice In addition to providing original analytical articles covering standard subjects such as the right to health and health care Amnesty International the Balkan wars and former President of Ireland Mary Robinson it offers innovative coverage of such subjects as the Internet intellectual property rights the American civil rights movement globalization and Brazil in historical context Focusing primarily on developments since 1945 it offers an unrivaled reference source for students and researchers even human rights experts are likely to find much original material and keen insights in many of the entries KEY SUBJECT AREAS INCLUDE ORGANIZATIONS AND INSTITUTIONS American Civil Liberties Union World Health Organization UNICEF Carter Center LEADING FIGURES Adolf Hitler Steve Biko Elie Wiesel Simone de Beauvoir Joseph Stalin Eleanor Roosevelt Pol Pot Shirin Ebadi Kim Jong Il HUMAN RIGHTS EVENTS AND CRISES Darfur Irish Famine Soviet Gulag Central America in the 1980s Colonialism Belgian Congo AIDS HUMAN RIGHTS NORMS Ethnic Cleansing Women s Rights Religious Freedom Torture International Law Disability Rights **International Development in a Changing World** Theo Papaioannou, Melissa Butcher, 2013-02-14 International Development in a Changing World introduces key issues debates and ideas about development in the 21st century Uniquely interweaving international relations and development studies the authorial team examines the contested concepts of poverty inequality and livelihood and the emergence of new powers that will affect the architecture of international development Themes of power and agency history and scale integrate the many stories of development covered in the book highlighting development as a complex process of change and interaction between people as well as between people and institutions including governments and non governmental organizations Interdisciplinary in character the book incorporates theories and tools from across the social sciences to provide a more

holistic understanding of the social economic and political transformations involved than most textbooks in the field can offer Chapters are designed to inform policy and practice moving from the theoretical to look closely using a series of case studies at the deliberate actions of people to improve their livelihoods communities and societies International Development in a Changing World is the first of two books in The Open University's International Development series Whether used as a stand alone text or alongside its companion text New Perspectives in International Development this is an ideal introduction to the field for students of International Development International Relations Global Politics and Global Social Policy 50 Facts That Should Change The World 2.0 Jessica Williams, 2007-11-01 Jessica Williams revisits her classic series of snapshots of life in the twenty first century Revised and updated with lots of new material this book is every bit as vital as the first edition From the inequalities and absurdities of the so called developed world to the vast scale of suffering wreaked by war famine and AIDS in developing countries it paints a picture of incredible contrasts This 2 0 edition again contains an eclectic selection of facts addressing a broad range of global issues now with added emphasis on climate change the decline in human rights and democratic freedoms around the world the unexpected global impact of corporate growth sports and media madness and inequality and lots of updated facts and figures Each is followed by a short essay explaining the story behind the fact fleshing out the bigger problem lurking behind the numbers Real life stories anecdotes and case studies help to humanize the figures and make clear the human impact of the bald statistics All of the facts remind us that whether we like to think of it or not the world is interconnected and civilization is a fragile concept Williams makes us think about some of the hard facts about our civilization and what we can do about them *The Sociology of Human Rights* Mark Frezzo, 2014-12-23 Long the arena of philosophers legal scholars and political scientists the interdisciplinary study of human rights has recently seen an influx of sociologists Why is this so and how do sociologists contribute to our understanding of human rights in the contemporary world In this landmark new text Mark Frezzo explores the sociological perspective on human rights which he shows to be uniquely placed to illuminate the economic political social and cultural conditions under which human rights norms and laws are devised interpreted implemented and enforced Sociologists treat human rights not as immutable attributes but as highly contested claims that vary across historical time and geographic space and investigate how human rights can serve either to empower or to constrain social actors from large societies to small communities and identity groups Frezzo guides readers through the scholarly pedagogical and practical applications of a sociological view of major debates such as foundationalism vs social constructionism universalism vs particularism globalism vs localism and collective vs individual rights This cutting edge text will appeal to students of sociology political science law development and social movements and all interested in the nature scope and applicability of human rights in the twenty first century *Alleviating Global Hunger* United States.
